CORN-NO. 2 that the the st. CORN-NO. 2 that the the sease of the market and immarket and ship them to some other will not help matters in the least, as an duil all the morning and the same proportion. In fact, Cheago led the break. The trade on beef steers was very slow and dull all the morning and the same was true of cows and holfers. Prives were unevenly lower, being anywhere from 19c to as much as 25c lower in some cases than yesterday. If would be safe to quote the general run of fair to pretty decent kinds of killing cattle around 50c lower than last week. The best feeding steers, owing to the moderate supply of that kind, have not shown so much decline, but they are pos-sibly 150:25c lower than last 57ek. On the other hand the medium frades, that is, the fair to pretty decent kinds, are right around 20c lower than the high spot last week. \$19.00. right around Soc lower than the high spot inst week. (Signed) E. BUCKINGHAM, Vice President. E. BUCKINGHAM, THOS. B. M'PHERSON, R. C. HOWE, T. J. MAHONEY, V. B. CALDWELL,

Directors.

The second second

Was posted giving the amount roundly as \$\$1,000,090 bushels. Except for a small upture early owhig in the main to strength at Layerpool, the market here had been tending downward under short seiling. The market age of the season. The ensuing advance, however, continued a size of the season.
 Taber the wheat market began to rise in carnest. It was said the harvest conditions were less favorable in Argentina. And the continued full receipts may bary market began to rise in carnest. It was said the harvest conditions were less favorable in Argentina. And that offerings from there to Europe were very likh. On the other hand the available supply statement exhibited an increase of as much as \$300,000 bushels.
 Buying of cotton throughout the day was of a better class than the selling filled during in the down grade. The smallness of the receipts here formed a help to the bulk. Washington figures on the yield of corners. The government report allo call from the seeaboard put firmness into oats. The government respects.
 Broadening demand for provisions was generally conceded to exist, the maturat affect of below-zero weather. Offerings were so scarce that shorts rushed to cover.

garding Russian and French official reports:

" 'Southeast of Cracow we continued our offensive. We took several German guns and machine guns and made about 2,000 prisoners."

"Not a man, not one gun, nor one ma chine gune there has fallen into Russian hands. "The official Paris bulleton of December

12 states:

" 'Northeast of Vailly one German bat tery was completely annihilated and at Deuxnounds, to the west of Vigneulles Les Hattonchatel, two German batteries were destroyed, one of heavy caliber and one destined to fight aeroplanes. In the same region the French have destroyed a blockouse and several trenches." "All this is pure invention."

Paulist Boys' Choir is Not Disbanded
