UNSIGHTLY PIMPLES ALL OVER FACE

Burning and Itching. Caused Much Loss of Sleep. Broke Out Over Body Also. Two Cakes Cuticura Soap and One Box Ointment Healed. Not a Scar Left.

Several months ago I was troubled with pimples all over my face. The breaking out was unrelenting and the burning and itching caused me to scratch which irritated the pimples. They caused me to lose much sleep for they itched all night long. They disfigured me while they lasted. My face was very sore. The pimples soon broke out all over my body also. My clothes felt uncomfortable. One day I heard about Cuticura Soap and Ointment. I used two cakes of Cuticura Soap and a box of Cuticura Ointment, and was healed, and not a scar was left. (Signed) Carlisle C. Bryan, October 30, 14. In the care of baby's skin and hair, Cuticura Soap is the mother's favorite. Its gentle emollient properties are usually sufficient to allay minor irritations and promote skin and hair health generally. Sample Each Free by Mail With 10-p. Skin Book on request. Address post-card "Cuticura, Dept. T, Boston." Sent throughout the world.

VETS AND VETERANS BANQUET GUESTS

Organizers of State Lumbermen's Association and Sons of Members Eat with Delegates.

ORGANIZATION IS 25 YEARS OLD

Charter members of the Nebraska Lumber Dealers' convention, together with the "Juniors" of the association, that is the sons of members, took lunch at the Hotel Rome at noon, as the guests of the association.

The association is now a quarter of a century old. The members who organized it twenty-five years ago numbered 115. Nineteen of these charter members are attending the convention. They have all been in the lumber business at least a quarter of a century in the state, and have seen the ups and downs of the business here. The charter members attending up to the second day of the convention are: H. N. Jewett, Omaha; A. K. Lammers, Hartington; P. D. Coors, Plainville; R. M. Trumbull, Hildreth; W. H. Greenhill, Surprise; F. W. Brown, Lincoln; F. C. Chorney, North Bend; C. L. Chaffee, Norfolk; A. Graham, Lincoln; L. Mittelstadt, Norfolk; E. M. Osterhout, David City; A. Barnett, McCook; F. McCormick, Omaha; E. M. LaGrange, Patterson; M. L. Fries, Arcadia; E. C. Houston, Tarkenton; F. Colpeter, Omaha; W. D. Easley, Lincoln, and E. J. Tucker, Home.

The forenoon session was given largely to a moving picture entertainment, in which the Panama canal was shown and some interesting lumbering scenes, also some renewed discussion of the credit system and cash business and a symposium of charter day members.

Convention Notes.

The visiting women of the convention were entertained at luncheon at the Commercial club.

C. L. Chaffee, now of Norfolk, used to be in the wholesale lumber business in Omaha. He is now in the road and is Missouri Lumber and Land Exchange company.

L. Mittelstadt of Norfolk has begun to take a less active part in the business although he is interested in several yards. He is associated with his brother in the business at Laurel.

E. M. LaGrange of Pullerton has the reputation of taking a deep every time the "Hoo Hoo" meets. His friends know him as one of the most jovial good fellows of the association.

The Black Cats gave their annual conclave at 8:30 yesterday. It was a smoker was given at the Commercial club rooms in the evening, and a banquet at the Paxton hotel after the smoker.

Resolutions of respect will be offered at the close of the convention on the death of William Fred of Fremont, for many years an active and well known member long identified with the Nye-Snyder-Fowler interests.

R. M. Trumbull of Hildreth has been a member of the board of directors a number of times. The board would hardly get away from him. He has been in the lumber business at Hildreth for a quarter of a century, and is still satisfied.

M. L. Fries of Arcadia is on deck. He carries his political honors as well as his association honors and is still a booster for the association. He is an ex-cate pastor, an ex-president of the association and one of the charter members of that body.

In the early days, twenty-five years ago, we got out all our lumber from the north," said F. D. Cornell of Plainville. "The southern lumber was not so good to come in until later. We were practically unknown to us who were in the business in the state at that time."

F. M. Osterhout of David City is one of the fellows that sticks close to the association and is an active interest in the affairs of lumbermen. He is a fellow that you can be banked upon as a fellow that will stand by you in the annual tours of lumbermen when they come in vogue. He and Mrs. Osterhout were among those who made the trip to Galveston a few years ago.

E. C. Houston of Takamah, who was once one of the "Indians," is on the job as usual. Years ago the old Indians used to look for the bunch from Burt and Thurston counties, and designate them as the "Indians." They came from the reservation neighborhood. They were Houston, Holmquist, Little and a few others.

Perhaps the youngest "junior" on the scene at the convention was Ronald Adam, son of Andrew Adam, lumber dealer of Omaha. Ronald is a plain, striped suit, handsome, fair, 4 years old, and curly headed, climbed everywhere from his father's lap to the under side of the chairs during the session, and yet, for all that, he had an exceedingly good time—he disturbed no one.

A. Barnett of McCook was once in the lumber business at O'Neill, Neb. That was twenty-five years ago. Later he decided to go west. He located at McCook and has developed a large business. He does not say but that he could have done the same at O'Neill, but that's neither here nor there so long as he is successful where he is. He is a past president of the association and is always an active member.

O. O. Snyder started in business at O'Neill twenty-four years ago. That was just a year after the association was organized. That is the only thing that prevents him from being a charter member, for he came into the association immediately upon entering in that line of business. He was president of the association two years ago. He is now on the board of directors seven years. He is among the live ones always, as O'Neill fellows are always found to be.

F. D. Cornell of Plainville tried to get out of the lumber business four years ago. He thought he would retire and take a rest. No, it was impossible. He had been in the lumber business since 1888 and had seen his section of the state grow from a prairie wilderness to a blooming, prosperous and highly civilized section of the state. He had looked at the development during all these years through the eyes of a lumberman. To which it further through the eyes of a retired man did not appeal to him especially since his hair is still black and his form erect. So last spring he bought back into the business, again and now is

Hot Tea Breaks A Cold—Try This

Get a small package of Hamburg Brest Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once. It is inexpensive and entirely vegetable, therefore harmless.—Advertisement.

STARVING MAN IS FOUND IN BOXCAR

Young Foreigner Unconscious When Taken from Train in Which He Was Shut In from Kansas.

HAD BEEN BEATEN AND ROBBED

Bleeding from cuts and bruises, and too weak from hunger and exposure to stand alone, a young foreigner, giving his name as Jan Covelisk, aged 22 years, was rescued from a sealed boxcar on the tracks at Fifteenth and Nicholas streets, after an imprisonment of three days.

His hands were scratched and bleeding and his finger nails torn from ineffectual working at the door in an effort to open it. He was found by a brakeman, who, passing along the tracks, heard someone kicking against the inside of the car. Securing the assistance of Special Officer Pontag of the Missouri Pacific and Leo Galogheley, the door was opened and the half-unconscious man carried into the open.

Partly revived, he told them in broken English that he had been employed on a railroad near Atchison, Kan., and had received his pay Saturday night, Sunday evening he was beaten and robbed near the railroad tracks, following which he remembered nothing until he awoke on the moving train. All that was left of his wages was a single copper cent.

DROPSY TREATED FREE

Dr. Miles, the Great Specialist, Sends a New \$3.75 Treatment Free as a Trial. Many Have Been Cured After Doctors Failed.

At first no disease is apparently more harmless than dropsy; a little swelling of the eyelids, hands, feet, ankles or abdomen. Finally there is great shortness of breath, cough, faint spells, sometimes nausea and vomiting, even burning of the limbs and a lingering and wretched death if the dropsy is not removed. Dr. Miles has been known as a leading specialist in these diseases for 35 years. His liberal offer of a \$3.75 Treatment free to all sufferers, is certainly worthy of serious consideration. You may never have such an opportunity again. The Grand Dropsy Treatment consists of four dropsy remedies in one, also Tonic Tablets and Pura-Laxa for removing the water. This treatment is specially prepared for each patient and is ten times as successful as that of most physicians. It usually relieves the first day, and removes swelling in six days in most cases. Delay is dangerous.

Send for Remarkable Cures in Your State. Afflicted readers may have Book: Examination Chart, Opinion, Advice, and a Two-Pound Trial Treatment FREE. Write at once. Describe your case. Address, Dr. Franklin Miles, Dept. D.A., 30 to 75 Main Street, Elkhart, Ind.
