HERRMANN SAYS NO LIFTING DRAFTS YET

National Commission Chairman Asserts Matter Discussed, but No Action Taken.

CHIVINGTON SEES A. A. MAJOR

CHICAGO, Jan. 28.—The American association has won its fight for recognition as the third major league in Organized Base Ball, President Chivington said today.

Arrangements for the elevation of the association will be made in a short time, according to Chivington.

What Change Involves.

The change involves alterations in the National agreement, as well as other details regarding the draft as between the association and the other circuits in its class, according to President Chivington.

"We have been trying for years to get these concessions from the National Commission," he said.

Herrmann's Statement.

CINCINNATI, O., Jan. 28.—The lifting of drafts in the American association would automatically raise it to major league standing," said Chairman August Herrmann of the National commission here.

"The National commission, however, has not yet taken up the matter of lifting the drafts in any of the minor leagues as yet."

"I do not know how far our new rights will extend. There will be more than thirty players, now in the National and American leagues, distributed among our teams by the time the season opens."

It is believed by base ball men here that the competition of the Federal league was an incentive to the association in carrying on its fight and a lever which helped in bringing about the concession just made public.

WHEAT SETS NEW MARK AT CHICAGO

Rumors of Increasing Chances of Italy Taking Hand Near Suez Canal Forces Up Prices.

JUMPS UP NEARLY TWO CENTS

CHICAGO, Jan. 28.—Wheat selling as high here as \$1.30 a bushel became a reality today. At the very outset of trading the May delivery touched that figure, opening prices ranging from \$1.04 to \$1.06, a rise of 1/4¢ to 1/2¢, compared with last night.

Apparently increasing chances of Italy taking an active hand in hostilities near Suez canal favored buying, which was also encouraged by a sharp advance in quotations at Liverpool and Paris.

A still higher peak was reached in the last hour, May ascending to \$1.05, but finishing unsettled at 1¢ off from the topmost level. Thirty-three steamships, the world's greatest wheat fleet, were reported to be waiting at Baltimore for cargoes of grain for Europe.

Kaiser Quotes John Knox in Address to Newspaper Writers

BERLIN, Jan. 28.—(Via London.)—Emperor William, speaking to the war correspondents at the general headquarters in the field, said:

"Good morning. I pay you my compliments. You write famously and I thank you for it. You accomplish excellent things and I read your articles very gladly. Your reports have a high patriotic tone and it is of great value to our men in the trenches when we can read them such matter."

"And, now one more thing, and note this, gentlemen. My principle—and it applies to this war also—is the word of old John Knox, the reformer in Scotland, that 'one man with God is always in the majority!'"

The emperor's birthday was observed at headquarters yesterday with a simple divine service held in the field. The auditors included Prince Oscar, the fifth son of the emperor; Prince Friedrich Leopold of Prussia; Prince Waldemar, the eldest son of Prince Henry of Prussia; General Falkenhayn, the chief of staff; Chancellor von Bethmann-Hollweg; Admiral von Tirpitz, the commander in chief of the naval forces, and other officers.
