WHITE SOX CREW SPEEDS FOR WEST

Clarence Rowland Gives Out Information Harry Lord May Return to Pale Horse.

WICHITA GETS TWO PLAYERS

That Harry Lord, third corner guard who flew the White Sox coop last year and deserted base ball, has found the call of the spangles too much for him, says Clarence Rowland, new manager of the pale horse.

Twenty-five athletes and as many retainers, the last consisting of a few wives of the players, some Pacific Coast league talent, newspaper men, fans and friends of Comiskey, Comiskey and Mrs. Comiskey are already on the coast and will meet the Sox in El Paso Saturday, preparatory to taking in the exposition sights before embarking for Paso Robles for training.

Eddie Collins, famous keystone, and friend wife were in the party. Collins and Rowland agree they will agree like two turtles over this summer and bring home a pennant to the South Side park in the windy village. The Sox are a bright aggregation of athletes, and all look like they possess more than average intelligence. Most of them look a little fat, but Rowland says they will look far different about a month from today.

May Enter Game Himself. That he might go in the game during a pinch and take a place behind the bat is possible, says Rowland. Rowland is a catcher and says he can make a pretty good bluff at the job in case his receivers should all become incapacitated.

One of the most interesting members of the Hoos party is Johnny O'Neill. O'Neill is the original demon fan. He is 70 years of age, but the liveliest umpire better in seven states. He has made every training launt with the Sox since 1907, the year Comiskey's men invaded Mexico. In the baggage car reposes one perfectly good uniform, regulation Sox recalls, which O'Neill proposes to don daily and work out with the athletes.

Mr. and Mrs. Po Bourke were on hand to greet the Sox, as was Arthur Metz.

The players who are traveling on the special in addition to Rowland are:

Pitchers: Eddie Cicotte, Bob Russell, Bill Lathrop, Ed Walsh, Urban Faler, Hi Jasper, Mel Wolfgang, Ed Klepper and Ed Johnson.

Catchers: Ray Schalk, Tom Daly and Walter Mayer.

Infielders: Eddie Collins, Buck Weaver, Russell Bucknare, Bunny Brief, Joe Berger, Al Brownish, Howard Baker and Jimmy Brown.

Outfielders: John Collins, Ray Demmitt, Eddy Roth, Larry Goesselt and Happy Felsch.

Johnson's big six-foot right-handed twister, joined the travelers last week. Scott, Brogins, Jack Fournier, Joe Benz, Kuhn and other members of the Sox will join the squad in California.

Isabel Signs Athletes.

Frank Isabel is one Western leaguer who is bringing his men into line. Isabel announces he has signed Richard Henry Breen, Vander Veld, Thomas, Hartford and Musser.

Joe O'Rourke, who pastimed around second base for Wichita last year, has taken a sough to the national board. O'Rourke says he had a contract to manage and play with Wichita this year, but that he was subsequently notified his pay would be but one-half the stipulation in the contract. It is said O'Rourke probably will be declared a free agent.

However, Wichita should worry, as Branch Rickey yesterday presented Ware with two infielders, namely, William Hollender and James Ritter.

MOHA TRIES TO STOP GIBBONS-M'GOORTY GO

MILWAUKEE, Wis., Feb. 17.—Mike Gibbons of St. Paul and Eddie McGoorty of Duluth, matched to six ten rounds at Hudson on March 2, will have to postpone their contemplated set-to, if a complaint filed with the Wisconsin State Boxing commission today is sustained.

Bob Moha, local middle weight, filed the complaint and has asked the commission to prohibit the up-state club from conducting any boxing shows.

Ban Johnson Says Federal League Will Die Within the Year

SAN FRANCISCO, Feb. 17.—"We feel sure that a year from now there will be no such a thing as the Federal league."

Thus did Ban Johnson, president of the American league, express his opinion here yesterday of the triangular major league base ball situation in the east.

President Johnson and Charles A. Comiskey, owner of the Chicago American league, who passed through Baltimore tonight on his way to Pinehurst, N. C., announced that the proposition to place a minor league in New England had been temporarily abandoned.

Hussane and Olson On the Mat Tonight

Yousaf Hussane, Bulgarian citizen of Omaha, and Bull Olson, citizenship not known, will mix on the mat at the Krug theater this evening. Mr. Olson says he is champion of Sweden and Hussane says he is champion of the universe, which includes Sweden, so a merry battle may be expected. Charley Franko has booked a couple of keen preliminaries and says the evening's card will be well worth jamming.

PENNSY TRACKMEN CAN NOT COMPETE OUTSIDE

PHILADELPHIA, Feb. 17.—Members of the University of Pennsylvania track team will not be allowed to compete for any outside organization during the collegiate term. This addition to the university's eligibility code was announced today by Dr. R. T. Tall McKenize of the faculty committee.

The new rule, which becomes effective at once, was suggested by the Athletic association because of the difficulty caused recently by the fact that "Ted" Meredith was registered with the Meadowbrook club for outside competition. Meredith has been permitted to change his registration and none of the members of the team is affected by the ruling.

The new rule will apply only to track, field athletics, golfers, tennis players, swimmers and participants in other branches of sport at the university, but still be allowed to compete for clubs.

LINCOLN HIGH SCHOOL WILL PLAY AMES FIVE

AMES, Ia., Feb. 17.—(Special.)—Lincoln, Neb., high school, 1914 basket ball team, will play the Ames High five in the state college gymnasium Friday evening.

The Nebraskaans are on a tour of Iowa, which ends in Iowa City. Three games to be played in the state. The Ames High team, since losing "Bill" Davis, forward, all-state prep quarterback, after the first game was played, is in a strain of indolence, having won no games of importance to date, but having lost most of them heavily so far.

MAGIC CITY FIVE WILL PLAY COUNCIL BLUFFS

South Omaha High school and Council Bluffs High school will clash in a basket ball game next Friday evening on the South Omaha Court. The game is expected to be one of the fastest yet played on the Magic City battleground and a large crowd is expected.

Patton's flippers are panned at two things: First, their defeat at the hands of the Nebraska City five last Friday; and, second, the flimsy way in which the Iowa five are carrying their chests at the present time. All of which will go to make it a good game. No preliminaries will be played and the contest will open at 7:15 sharp.

FEDS WON'T FORM NEW ENGLAND LOOP

Independents Will Start Season Several Days Before National or American Leagues.

NO NEW YORK CLUB THIS YEAR

BALTIMORE, Feb. 17.—James A. Gilmore, president of the Federal league, who passed through Baltimore tonight on his way to Pinehurst, N. C., announced that the proposition to place a minor league in New England had been temporarily abandoned.

He explained that he had received a report from his league's New England representative just as he was leaving New York, and that on the way to Baltimore he had considered it.

"I do not believe the project of raising the Class AA leagues to the standard of the major leagues will be brought up again this year. Personally I can not see what good could come of such action. Had the step been taken the Pacific Coast and International leagues would have been elevated as well as the American Association."

Radio Messages Sent Without Use Of Aerial Antennae

MEDFORD, Mass., Feb. 17.—Experiments conducted by the Wireless Society of Tufts college have shown, it was announced today, that radio messages may be transmitted and received without the use of aerial antennae.

The results of the experiments, the announcement says, may work a change in the use of wireless apparatus ready for use within a third of the time required for setting up the aerial equipment.

During the experiments the best results from the use of the ground antennae were obtained when the receiving wires were laid in a direct line with the transmitting station. Two ordinary wires, ninety feet in length, were found when stretched on the ground in this manner, to be sufficient to receive messages from points from fifty to seventy-five miles distant.

CHINA REJECTS JAPAN'S DEMANDS

Continued from Page One.

Britain, France and Russia, is understood to contain only eleven demands, substantially as follows:

In relation of Shantung, Japan asks that China transfer to it all rights and concessions previously enjoyed by Germany, and requires China to consult Japan on all matters previously agreed upon between Germany and China in the province of Shantung.

China is asked to grant to Japan the right to construct a railroad from Kiao Chow to Chi Fu.

That certain cities in the province of Shantung shall be opened as treaty ports.

Most Consult Japan Office. In Southern Manchuria and Mongolia the extension is asked of the terms of the lease of the Kwang Tung (Fort Arthur and Darien) and the Manchurian and Mukden railroads.

In the same region Japan asked for the acquisition by Japanese of the right of residence and ownership of the land grants and mining rights.

In the same region of Southern Manchuria and Mongolia the following four requests are made. These requests will all relate to Mongolia and not to China as a whole:

Before granting railroad concessions to any third power, China must agree to consult Japan in advance.

Before endeavoring to obtain capital for loans from any third power, China must consult Japan.

Before choosing any foreign political, military or financial advisers China must consult Japan.

"HOME RUN" BAKER QUILTS BASE BALL

One of Batting Kings of Diamond and Star Third Sacker of Macks "Back to the Land."

HE WILL RETIRE TO HIS FARM

PHILADELPHIA, Feb. 17.—"Home Run" Baker, star third baseman of the Philadelphia American league base ball team, has decided to retire from the diamond and will not appear with the team next season, according to an announcement made here tonight by Manager Connie Mack at a dinner of the Philadelphia Sporting Writers' association.

Back to the Land. Baker last year signed a three years' contract with the Athletics. Mack stated that the third baseman is not dissatisfied with the terms of this contract, but wants to devote his time to his farm in Maryland.

Baker is less than 29 years old and has been a member of the Athletics since 1908. His batting average in that year was .307. He was the hero of both the 1911 and 1912 world series with the New York Giants.

In Slump Against Braves. In 1911 he knocked home runs in two games at critical periods and in 1912 he put the ball over the fence in the opening contest. Last year his batting average for the season was .338 and he made twelve home runs, but like the other members of the team, appeared to be in a slump in the critical series with the Boston Braves.

More than 400 diners were present at the dinner, which was given in honor of Larry Lajoie, who returns to the Athletics after an absence of thirteen years; "Wild Bill" Donovan and Pat Moran, new managers, respectively, of the New York

Baker Testifies to Talk With McAdoo About Shipping

WASHINGTON, Feb. 17.—Bernard N. Baker, a Baltimore steamship manager, told the senate committee inquiring into charges of influence against the administration ship bill today, that 80 per cent of the German-owned liners laid up in American ports were unfit for service.

Secretary Garrison said he considered such utterances, if made public at present, injudicious and improper.
