> THE OMAHA BEE-THE HOME PAPER

Before you go a-shopping today here's something to think about

TYou have some ideas of your own when you If start out to make your purchases. You know that you want the best merchandise obtainable for the money. You know that there are some articles that you have already tried out that give good service and value. You are quite likely to ask for these articles.

The chances are that not one of these articles is Omaha-made, and its a hundred to one shot you don't know that in each case there is an Omaha-made article which is just as good and more frequently better, at the same or lower price.

It's a business proposition and one directly to I your own selfish interest. Buy Omaha-made goods whenever you find them as low or lower in price and as good in quality, as others which you have been buying.

More factories mean more work for Omaha people, higher wages, better times. Let your next purchase be Omaha-Made Goods.
