stripped by Zimman, who is a new (Continued on Page Four, Column One.) contender.

Of the winners it was indicated Mather Is Elected early in the count that Harry Zimman, Walter S. Jardine and Ed Simon were to be among the select fourteen. Predictions that the totals would be close so far as the last places on the ticket were concerned were verified.

In spite of the fact that each voter marked only seven squares returns came in very slowly, and it was long after midnight before definite figures were avaiable.

Simon Gets Many Votes.

Ed Simon received many votes lost by First ward. Ityder by reason of cards circulated in the afternoon bearing the names of the other six commissioners and that of carried by a large majority. Simon. This slate was in the hands of | the slate recognized as that of the "čity ball administration" included all seven commissioners.

Clouds and threats of rain undoubtedly caused a reduction in the number of votes cast, although the apathy of the preceding campaign had made a heavy vote entirely improbable in any event.

The Weather

Forecast of the weather for Wednesday and Thursday: For Nebraska-Showers Wednesday;

Thursday probably fair. For Iowa-Cloudy, probably rain celving 315 votes. The vote for city Wednesday: Thursday unsettled, probably treasurer was: James Brenneman, 207, preceded by rain.

Votes for Election Upon Own Recal

SANTA BARBARA, Cal. April 4-Albert Conover, county supervisor from the Third district, voted today to have an election authorized on the question of his own recall. Some of Conover's constituents circulated petitions recently to deprive him of his office. The petitions were found to be technically defective. This put the question of calling the election up to the board of supervisions. The board was divided equally and Conover being called in he broke the tie by voling to call the election.
