**DISCUSS PLATFORM** Executive Session Held in Hotel to Lay Out Details of Week's Hot Campaign.

STREET MEETS GALORE AHEAD

Administration cohorts closed the portals of their headquarters at an early hour Saturday evening and called it a day. They announced they already have a working organization of 1,000 men and it needs only to sound the bugle call to get these men into line.

During the afternoon Mayor Dahlman and five of the present city con ers held a meeting in a room at the Henshaw. The meeting was strictly executive and nothing was given out for the press further than the bare statement that a proposed platform was discussed and plans of operation considered. It was explained that the meeting was held in seclusion to avoid being disturbed by the hordes of politicians who have an idea that the administration candidates have "opened a barrel." Manager Flynn of the city hall "square seven" protests that his organization is not overburdened with money and that they have to watch their nickels and dimes.

Talk Light Rates.

During the afternoon meeting of the administration candidates the electric light rate ordinance was discussed, in view of the charge that has been made to the effect that this measure is political "bunk." With the amendment these

antis declare they will have every procinct of the city covered by women work-

The coming week promises to develop the campaign, this being the last whole week before election day. Both the antiand the administration forces are planning street meetings over the entire city. Experience has proved it hard to inter-It is in the country where man expects est much of a crowd in a hall. The voters this week will be able to take an evening stroll and hear a candidate on almost any old corner.

Personalities Predicted.

If there is any truth in the old maying about forthcoming events casting shalows ahead, there will be some personali-

ties indulged in this week. It is known Hastings & Heyden have made forty that the administration people have been hree sales in the last four weeks, more gathering a lot of informational material than an average of one and one-half which they say will be spread broadcast sales a day.
