

BANK DEPOSITS MAKE HUGE TOTAL

Eighty-seven Million in the Different Financial Institutions of Greater Omaha.

MAKES OVER \$500 PER PERSON

Eighty-seven million dollars! Some pile! And yet that is the amount of real money that Omaha has on deposit in banks and in savings and loan associations, as shown by the latest figures.

The recent call to the national banks by the United States comptroller, coming at the time when savings and loan associations are busy paying dividends for the half-year, and other banking organizations are making their semi-annual statements, gives the people a chance to get a good idea of just how much money stands to their credit in all the banks and fiduciary institutions of Greater Omaha.

Study of the statements of the various financial institutions shows that the national banks have over \$60,000,000 on deposit, while the savings and loan associations have over \$24,000,000 to the credit of their members, and the deposits in state and savings banks exceed \$2,000,000. The postal savings bank alone, the youngest savings depository in Omaha, already has over a quarter of a million dollars held in trust for its depositors.

Figuring that Greater Omaha now has a population of approximately 130,000 people, the total of \$86,000,000 belonging to depositors of the various financial institutions means an average of over \$500 saved and laid away in cash by each man, woman and child in the city.

For some, it represents a surplus of money, placed with a responsible organization for safe keeping; for others, a nest egg or a safeguard against the proverbial rainy day. For all Omaha, it means thrift, prosperity, commercial and financial strength.

Will Help to Better Babies.

OMAHA, July 2.—To the Editor of The Bee: Enclosed find \$2.00 that I desire to donate to your milk and ice fund for babies. You are to be highly commended for your efforts in behalf of the little ones. I sincerely hope that many of our public-spirited citizens will contribute to this fund, as much pure milk and ice will be needed during the hot months, and if you succeed in saving the life of only one baby, you have at least accomplished something. Our health commissioner has told you how to keep milk properly. In addition to that, any service that I can render along the pure milk line will be considered a pleasure by me. If necessary, you may depend upon me for a like amount each month during the hot period. Yours for better babies, CLAUDE F. BOSSIE, Milk and Dairy Inspector.

OMAHA POSTOFFICE SHOWS A BIG GAIN

Receipts for Last Quarter of Fiscal Year Gain Ten Per Cent Over Same Period Year Ago.

EVIDENCE OF GOOD BUSINESS

Postoffice receipts generally being accepted as one form of the best evidence of a community's business condition, a report for the last quarter of the fiscal year ending June 30, from the Omaha postoffice, causes Postmaster Wharton to smile with unwonted joy and to shake hands with everybody he meets.

Taken with recent figures of Omaha bank clearings, this postoffice report lends confirmation to the claim that Omaha's commercial pulse is steadier than any other city in the country.

For April, May and June, comprising the last quarter of the postoffice fiscal year, the receipts at the postoffice were \$81,878.98, an increase of 10 1/2 per cent over the receipts of the corresponding period of a year ago. This growth is regarded by business men as a reliable indication of the general business condition of the city.

Receipts for June, this year, were \$128,285, June a year ago, \$116,148.

**OMAHANS TO ATTEND
JEWETT FAMILY REUNION**

Mrs. George Jewett, 2015 Douglas street, and H. N. Jewett, 1214 Park avenue, will attend the annual reunion of the Jewett family at the Massachusetts state building, Panama-Pacific exposition, July 28. Mrs. Jewett already has gone to California. Mr. Jewett will join a special train at Kansas City on July 12.

The reunion was held at Buffalo last year, when 700 descendants of the original family were present. Next year the reunion will be held at Rowley, Mass., which was founded in 1637 by Maximilian and Joseph Jewett. The old homestead is owned by descendants of the two brothers who came to this country nearly 300 years ago.

Among other Nebraska members of the family who will go to San Francisco are Mrs. A. M. Hungerford of Fairbury, Mr. and Mrs. James Jewett of Waverly and Mrs. Charles Jewett of Lincoln.

**PENNSYLVANIANS TO MEET
AT THE CITY HALL TONIGHT**

The Pennsylvania Society of Omaha will meet tonight in the pioneers' room of the court house to make arrangements for assisting in the reception of the Liberty Bell.
