

Nebraska OBJECT TO NAMES ON CORNERSTONE

Citizens of Peru Threaten to Enjoin Normal Board for Its Choice of Officers.

MATTER IS FINALLY DROPPED

(From a Staff Correspondent.) LINCOLN, July 5.—(Special.)—Dissenting citizens of Peru, Neb., today telephoned Lincoln attorneys regarding an injunction suit to prevent laying the cornerstone of the new \$30,000 normal training school. The matter was later dropped.

The building was formally dedicated today with the placing of a cornerstone bearing the names of present and past members of the normal board, with Masonic ceremonies.

The objection was that the inscription which it bore contained a part of the names of the old officers of the board and a part of the new. It carries the name of A. H. Viesle of Norfolk as president, while Dan Morris of Kearney was elected at the last meeting of the normal board, June 23. Although J. H. Gettys was vice president of the board until June 23, when T. J. Majors was elected to succeed him, Majors' name appears on the inscription as vice president. Mr. Gettys is still a member of the board, but his name was entirely omitted, and in its place was put H. E. Relache of Chadron, who was appointed by Governor Morehead to succeed the former. Mr. Gettys, however, still has two months to serve.

Jefferson Farmers Harvest on Fourth

FAIRBURY, Neb., July 5.—(Special Telegram.)—Taking advantage of the dry spell, hundreds of Jefferson county farmers celebrated the Fourth by entering their wheat fields with harvesters. While Jefferson county wheat has been damaged by wind, blizzards and rust, at the same time farmers assert it will make a fair yield, provided weather permits harvesting.

THREE OMAHA DAMAGE CASES ARE APPEALED

(From a Staff Correspondent.) LINCOLN, July 5.—(Special.)—An appeal from the decision of a Douglas county jury awarding Resario Vestuto \$250 for injuries to his daughter when she was run over by a wagon of the Gordon Fireproof Warehouse and Van company of Omaha last summer, has been carried to the supreme court by the company. The girl, Mary, 8 years old, suffered a broken collarbone and a fractured right arm.

Swift & Co. has appealed from a Douglas county judgment for \$3,625, secured by Frank Ryba, a carpenter, for injuries he received in a fall of 10 feet from a building being constructed by the company. He is alleged to have broken a leg and two ribs.

Another appeal has been filed by the Omaha & Council Bluffs Street Railway company from a verdict for \$1,813 in favor of Nat C. Houston, a commission dealer, for the death of his wife who was killed when her automobile and a street car collided.

GRAND ISLAND FAIR WILL CONSTRUCT NEW BUILDING

GRAND ISLAND, Neb., July 5.—(Special.)—At a meeting of the board of directors of the Central Nebraska Agricultural association it was decided to solicit proposals for an additional building at the fair grounds—one for arts and manufactures. A subcommittee, with plans for the building, made a canvass of the merchants and sold every foot of display space in the proposed structure within one hour.

Notes from Sutton.

SUTTON, Neb., July 5.—(Special.)—Dr. M. V. Clark and wife will receive their friends this evening in honor of their fiftieth anniversary. Dr. and Mrs. Clark were among those who helped make the town of Sutton and have the experiences of those pioneers who settled in the early seventies.

Mrs. Margaret Zimbleman passed away at the home of her daughter in Omaha. Mrs. Henry Grosshans, Mrs. Zimbleman was born in Wornos, South Germany, in 1841, and came to America with her husband and nine children in 1872. She is survived by four daughters and three sons: Mrs. Henry Grosshans, Mrs. Val Peters, Mrs. Andrew Peter, Mrs. P. Ochener, Mr. Fred Zimbleman, Mr. Henry Zimbleman and Will Zimbleman. The body was brought to Sutton for burial.

The third annual chautauque program is announced, beginning July 28. Among the numbers are Ralph Parlett, Everett Kemp and the Merry musicians.

Pawnee Pioneer is Dead.

TABLE ROCK, Neb., July 5.—(Special.)—Nelson Bacon, who settled on a farm five miles southeast of here fifty years ago, died Friday at his home in Pawnee City after a brief illness, aged 78 years. Mr. Bacon moved from his farm to Table Rock in 1871, when the old Atchison & Northern railroad first came through here, being landlord for a time of the City hotel and later of the Abell house. Funeral services will be held this afternoon under the auspices of the Grand Army of the Republic, as he was an old soldier of the civil war. He is survived by a widow, two sons and two daughters.

Two Fires at Fairbury.
FAIRBURY, Neb., July 5.—(Special Telegram.)—Today was marked as a holiday in Fairbury, all stores being closed, but no celebration was held here, the only town in the county having a celebration being Steele City, where an old-fashioned Fourth was held. Two fires occurred during the day, the first being a tent belonging to Evangelist Seiser of the Seventh Day Adventists. The canvas caught fire from a gasoline stove and burned up his household effects. The Union hotel was slightly damaged by fire due to a defective flue.

Nebraska WAR INCREASES VALUATION

Higher Value of Farm Produce Likely to Bring in Much Larger Amount of Taxes.

THIRTY-SEVEN COUNTIES IN

(From a Staff Correspondent.) LINCOLN, July 5.—(Special.)—The European war is responsible for increasing the assessed valuation of Nebraska \$7,000,000, if returns from remaining counties bear out the gains shown by the first thirty-seven counties. By raising the value of agricultural produce the war is exerting its influence.

The total increase for the thirty-seven counties heard from amounts to \$2,190,000. The combined valuation for purposes of assessment, which is one-fifth of the actual valuation, was just a little below \$40,000,000. The grand total in 1914 for the thirty-three counties in the state was but \$47,322,372. At the same ratio of increase, the valuation would show a gain of \$6,827,000.

Only five of the counties reporting have shown a decrease. They are Box Butte, Boyd, Cass, Chase and Dixon. Some of these will be raised by the State Board of Equalization if the assessors in these counties do not voluntarily increase them.

If the \$7,000,000 gain is realized, it will mean about \$300,000 additional in taxes for the state. The average rate of taxes paid last year amounted to 2 1/2 mills, and it is not expected there will be much change in the rate this year. The state levy last year was 7 1/2 mills, and it will remain unchanged.

Ravenna Farmer Kills Wife, Young Son and Himself

RAVENNA, Neb., July 5.—(Special Telegram.)—Ole Mohlfeld, farmer, aged 35 years, shot his wife and boy each two times through the body with a shotgun and shot himself through the body with the shotgun at his home, eight miles west of Ravenna. The crime, which probably was committed Saturday night, was discovered by neighbors Sunday night. One shot was fired through the door of the house.

No cause is known for the act. Mohlfeld left a letter that was scrawled so no one could read it. He was in good standing in the community and no one had noticed anything wrong. Appearances indicated that he was insane. The boy was 5 years old. There are no other children.

DE FRANCE WILL EXAMINE TWELVE TRUST COMPANIES

(From a Staff Correspondent.) LINCOLN, July 5.—(Special.)—State Auditor Smith will have the twelve trust companies doing business in Nebraska examined by State Accountant De France instead of employing a special examiner for that purpose. As Mr. De France draws a regular salary from the state, the fees collected from this examination will go into the state general fund.

Homecoming for Table Rock.

TABLE ROCK, Neb., July 5.—(Special.)—A chautauque will be held here from August 5 to 20, inclusive. August 7 has been fixed as Old Settlers' day and the date of the big homecoming for old-time residents and a special program arranged for that date. Several hundred postcards have been mailed out by the secretary, F. H. Taylor, to former residents inviting them to be with us August 7 and renew the associations of "Auld Lang Syne."

All Babies Destined to Great Achievement

To be born is to be great. For there are possibilities in every tiny human infant. And for this reason every one should remember that whatever is done to aid the mother, to relieve her of distresses during her trying months, will surely be of marked benefit to the child.

Among the sterling aids is a splendid external remedy known as "Mother's Friend." It is what is called an embrocation. It is applied to the abdominal muscles, gently rubbed in by your own hand guided by your own mind. It makes the muscles pliant, they expand quite naturally and the effect upon the nerves is such that they adjust themselves to the process of expansion so that pain from this source is almost eliminated. Women who use "Mother's Friend" refer to the absence of morning sickness, they are relieved of a great many minor distresses, all apprehensions disappear and those peculiar nervous "ridges" no longer disturb the nights. It is well named "Mother's Friend." Get a bottle today of any drug-gist. Then at once write for a most interesting and instructive book for all prospective mothers. Address Bradfield Regulator Co., 753 Lamar Bldg., Atlanta, Ga.

This book explains the physical action of "Mother's Friend," tells why it enforces strength to the muscles and relieves undue strain. It also contains letters of experience from happy mothers. It is just such a handy little book as every woman will at once recognize as just what she had always wished to read—plain facts about health. The book is mailed free to any address. Write for it today.

Nebraska PLEADS FOR FISH IN PLATTE RIVER

Ashland Citizen Declares Gas Company at Lincoln is Polluting Their Watery Home.

CONVICTS WILL HAVE HOLIDAY

(From a Staff Correspondent.) LINCOLN, July 4.—(Special.)—Citizens of Ashland, through Dr. G. W. Meredith, have asked permission to appear before the city council and show how the residents from the Lincoln Gas company has flooded down Salt creek and is killing the fish in the Platte river. Mayor Bryan has announced that the commission will gladly hear complaints.

Would See Liberty Bell.
Mayor Bryan has written the Post-office department asking that the Lincoln office be allowed to have an hour Friday, July 5, in order that the employees may see the Liberty bell, on its way to the exposition.

Roast Chicken for Convicts.
A special roast chicken dinner will be on the program for the convicts at the state penitentiary Monday, in celebration of the Fourth of July. There will be a moving picture show and a ball game in the morning, and the privilege of the yard granted the inmates in the afternoon.

Equality the Aim Of True Government

(From a Staff Correspondent.) LINCOLN, July 5.—(Special.)—Attorney General Willis E. Reed was the speaker at the Fourth of July program held by the Sons of Veterans at the Electric park here today. Two thousand veterans and their families attended the program. Speaking of the increase in number of persons having great wealth, Mr. Reed said:

"No human form of government is perfect, but in one such as ours it is the duty of each generation to consider the injustice and restore to it a sound condition. We should seek to establish a type of civilization where want is unknown, where the cry of hunger is not heard, and where oppression is a stranger. The laws should be so framed that no individual, company or corporation could rob another of the wealth which it has created."

Reavis Endorses Pension Measure

(From a Staff Correspondent.) LINCOLN, July 5.—(Special.)—Congressman C. F. Reavis endorsed the Hammill pension measure in speaking before the meeting of the Nebraska Carriers' association here today.

Congressman Reavis said he would oppose to two of the provisions of the bill, however, one of which would reduce a man at the end of thirty years' service and the other providing for pensions in the case of injured employes.

OMAHA IS THE HOST TO MANY THOUSANDS

Crush in the Streets, Hotels Filled and Everybody Happy on the Glorious Holiday.

BUT PLENTY TO EAT FOR ALL

Omaha was called upon yesterday to entertain a record breaking crowd, attracted by the big Fourth of July attractions, including the base ball game, the Speedway races, the wrestling match and the numerous other celebrations. The largest crowd was at the Merchants hotel, which was the headquarters for the wrestle. So great was the crowd that Dan Gaines, the proprietor, worked until after 2 o'clock in the morning telephoning to all available boarding houses and outlying hotels, trying to find places for the people to sleep, after all the regular hotels had all their rooms filled and every available cot taken.

The people commenced coming Sunday and by night there was a jam. However, the influx continued and by morning the crowd had reached the proportions of the Ash-Sar-Bon day parade jams, but still people kept coming. The high tide was reached at noon, at which time all along the downtown streets there was a congested mass of humanity.

The hotel capacity of Omaha has been increased by fully 1,500 rooms since last fall, but notwithstanding this, every place that applied lastings Sunday night was filled to overflowing, every train reaching the city being loaded to the platform.

Jam of Autos.
Yesterday new arrivals swelled the crowd until it had become a crush. Dealers on automobile row, who in the past have made it a part of their business to keep tab on crowds coming to the city in autos, assert that they have never seen anything like it. None of them will attempt to estimate the number of outside cars that have arrived in the city, though some of them say that it may have reached 5,000 to 8,000.

The automobiles have come from points out in the state, as far away as Hastings, Grand Island and Norfolk, while from Iowa, many have come from as far east as Marshalltown and Grinnell, with a large number from Des Moines and vicinity. In almost every instance these cars have brought not less than five people, while many hundreds of them have carried seven and some even more. At any rate, they have been loaded to capacity. Besides the Nebraska and Iowa cars, there are scores here from South Dakota, Kansas and Missouri. Those coming from a long distance will remain over until Tuesday, with many staying longer.

Plenty to Eat.
While some of the visitors to the city have found difficulty in finding sleeping quarters, they have all been able to get meals and those at the regular rates. The hotel and restaurant facilities of the city have been ample to supply food. The railroads have brought in more people than ever before in one day. The Burlington had in two special trains, one during the early morning and another at noon. Each train had exceeded 500 passengers. All other lines and

Troops of Villa Occupy Sattilo

LAREDO, Tex., July 5.—Important Villa troop movements near Monterey are reported today by incoming passengers from that city. They announced the Villa forces have occupied Sattilo which is about thirty miles southwest of Monterey and that there are heavy troop movements as if in preparation for a battle near Paredon, about thirty miles northwest of Monterey.

BRYAN MAKES A TALK ON MEANING OF FLAG

SAN FRANCISCO, July 5.—William Jennings Bryan, former secretary of state, stood bare-headed in a misty, biting wind today at the Panama-Pacific exposition and spoke to a great concourse on "The Meaning of the Flag."

He discussed the solving of domestic problems, the true measure of greatness and the methods we should employ in dealing with other nations.

Mr. Bryan was the only speaker who did not appear in the Independence day parade, which was largely a military pageant. He said that being travel tired and anticipating the fatigue of speaking, he had arranged to go directly to the exposition grounds.

GRETNA RUNS AWAY FROM GREENWOOD TEAM

GRETNA, Neb., July 5.—(Special Telegram.)—Gretna defeated Greenwood on the Gretna field yesterday by 16 to 4 in a game featured by the usual heavy hitting and errorless ball played by Gretna. Three Greenwood pitchers were batted out of the box, while Goch had them under his mitt. The only scores made by the visitors were on bunched hits in the third.

This makes the sixth consecutive game in favor of Gretna, Louisville losing 7 to 3, last Sunday. The Gretna team is now acknowledged the best in the section. Open dates will be given to Class A teams only.

Memphis plays Gretna next Sunday.

Score: H.H.E.
Greenwood...0 1 3 0 0 0 0 0—4 13
Gretna...3 5 1 0 2 4 0 1—16 15
Batteries: Kringling and Roberts, Goch and Mangold. Stolen bases: Hanna (2). Three-base hit: Adams. Four two-base hits by Gretna. Attendance, 300. Umpire, Zimmerman.

WEEPING ECZEMA ON BOY'S NECK

Shoulders, Around Waist and On Face. Like Ringworm. Could Hardly Sleep. Well in 2 Weeks.

HEALED BY CUTICURA SOAP AND OINTMENT

"My little boy was troubled with eczema when about one year old. It started something like ringworm on the back of his neck, then on his shoulders, around his waist and at last spread to his face. He had what was called weeping eczema. Clear water would come out in drops most all the time. The skin would get red and the water oozed out of it. His clothes rubbed the places on his back and they stuck tight to his clothes. He could hardly sleep at night; he would roll and scratch."

"So I sent for Cuticura Soap and Ointment and he was well within two weeks." (Signed) Mrs. H. A. Brown, Atwood, Kan., March 26, 1915.

Sample Each Free by Mail
With 23-p. Skin Book on request. Address post-card "Cuticura, Dept. T, Boston." Sold throughout the world.

More Business means more Employment, more Prosperity and Better Prices

The numbers of the unemployed dwindle when business is good, and everyone all around shares in the prosperity.

A huge sum of Omaha-Made money goes out of town every month which would stay here if all of us knew that its purchasing power was larger at home.

This is the point: Buy Omaha-Made products for your home or business--Omaha manufacturers are ready to prove to you that they can save money for you and give you just as good, and in most cases, better quality and service.

"I didn't know such things were made in Omaha"

People are making that same remark as they read this series of advertisements. Nine persons out of ten can't name a dozen Omaha-Made products.

Yet, almost every conceivable article needed about the home or in business is made in Omaha and what's more—verify it for yourself—it is better made and costs less than the shipped-in article.

The Harness and Saddle business for example: The J. H. HENNEY CO., 313-17 SO. 13TH STREET, considers this territory the best in the world for this line and they are able to meet its every requirement.

People are particular about their horses here. They should also be particular when it comes to harness and saddles and all the other little odds and ends needed by horse owners.

J. H. Henney & Co. invite you to be as particular as you like in dealing with their products and promise that you will get far better quality and much lower prices than is possible elsewhere.

After all, it's a matter of becoming acquainted. You will buy Omaha-Made products when you know them.

OMAHA MANUFACTURERS DESERVE OMAHA PATRONAGE
