### Owed Landlady for Board, She Claims Body of Her Debtor

PHILADELPHIA, Aug. 7.-The coroner of Philadelphia today refused the request of a boarding house mistress that she had advanced the man.

The body was that of William Gutenmiller, who had committed suicide. His organs were not in their natural position. Physicians had discovered his strange physical make-up and worry over his peculiar construction, it is claimed, caused him to end his life. Gutenmiller owed the woman a board bill and had borrowed small sums from her from time to time, teiling her that when he died she could get money for his body from a medical

The coroner told the woman that under the law he could not give her the body. It is probable that it will be turned over to the state anatomical board if no one claims it for proper burial.

ALBANY, N. Y., Aug. 7 .- Conditions at the Blackwell's Island prison were severely criticised and blame for them placed directly on the New York City department of corrections, of which Katherin B. Davis is the head, in a majority report on an investigation of the institution made public by the State Comcommission and urge that the proposed mission on Prisons today. The report recommends the dismissal of Warden Patrick Hayes.

Among the findings of the commission

That the administration of the peni-

That over 1,000 prisoners are confined two in a cell with an air space of about 180 cubic feet, which is a grave menace to health.

That healthy prisoners are doubled up with prisoners affected with tuberculosis and other diseases.

That the cells are more or less infested with vermin.

That the cells are more or less intested with vermin.

That prison guards on various occasions have struck prisoners with clubs and their flats.

That on two occasions a hose of about seventy pounds pressure was played upon prisoners, who were making a disturbance in their cells.

#### VIENNA OVERJOYED TO **HEAR WARSAW TAKEN**

ZURICH, Switzerland (Via London) Aug. 7.—Dispatches from Vienna state that the public manifestations of Joy over the fall of Warsaw, which were intensified by the later news of the occupation of Ivangorod by the Teutons, far ex-ceeded any jubilation since the outbreak of the war. Public buildings and private houses were decorated with flags and great crowds promenaded the streets. The Ringstrasse in front of the ministry of war was blocked by people cheering the armies of the central allies. The demor strations continued until the early hours this morning.

According to private reports from Berlin the calling up of the untrained landstrum between the ages of 42 and 46, in various towns generally is meeting with vigorous opposition on the part of manufacturers the military authorities. Until now these classes have been called only from the the liquor may be sold is limited to five

## FORTS OF WARSAW ARE UNDAMAGED

Virtually Intact Into German Hands.

#### THOSE OF IVANGOROD RAZED

BERLIN (Via London), Aug. 7. The forts of Warsaw have fallen virtually undamaged into the hands of the Germans, according to information reaching here. The defenses of Ivangorod, however, were destroyed by the Russians before their retirement. The garrisons of the most ardent friends. He recently paid a two fortresses appear to have comvisit to Washington while Mr. Bryan was pleted the evacuation without mastill secretary and protested against too tarial loss and to have carried away a large part of the stores and munitions of war accumulated in Warsaw

Some disappointment is among the German people at the failure of the Teutonic forces to make an imposing capture of prisoners and gons in Warmaw, but military experts here do not share this feeling.

Significance of Capture. They point out as the real significance of the capture of the two fortresses that the Russians thereby have lost the fortified been of operations which gave them such immense advantage in the earlier movements in Poland and that this advantage now has been transferred to the Germans, who can utilize it either for defensive strategy or to facilitate a further offensive campaign against the Russian army.

a still a chance of making a considerable capture, the military writers say, for the Russians crowded within the long sallent running out to the fortress of No vogeorgievsk are in a precarious post-With German armies on three sides, the mouth of the sack from which they must escape in scarcely a desen miles wide and from the north General von Gallwitz's army has broken through the defensive lines and is pressing irresistibly down toward the Narew river.

Grand Duke's Plan. No indications of an evacuation of Novogeorgievsk by the Russians have been received here and Grand Duke Nicholas, commander-in-chief of the Russian armies, perhaps may intend to leave the garrison in this fortrees, which is really stronger and more important than Warsaw, to stand a stege.

The Russians still hold the eastern bank of the Vistula at Warsaw and command the crossing here, which is so important in facilitating the orderly retreat by the railroads which converge at this

No details of the capture of Warsaw beyond the meager official reports have been received here. A number of German war correspondents arrived in the vicinity of the Polish capital a few days ago, but have not yet been able to gend any dispatches,

#### TREATING MADE ILLEGAL BY A BRITISH LAW

LIVERPOOL, Aug. 7.-Treating has been made illegal in a new and drastic order regulating the sale of liquor in saloons and clubs here. Credit also has and a half hours per day.
