

Cocoon Oil Makes A Splendid Shampoo

If you want to keep your hair in good condition, the less soap you use the better. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulsified cocoon oil (which is pure and entirely greaseless) is much better than soap or anything else you can use for shampooing, as this can't possibly injure the hair. Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage. You can get mulsified cocoon oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.—Advertisement.

"How's the Health?"

Can you say: "I am feeling fine?" If you are run down and have that "don't care" feeling, you need Duffy's Pure Malt Whiskey because it imparts and stimulates the mental alertness and physical energy which attends perfect health. A tablespoonful in milk or water before meals and retiring corrects stomach and bowel disturbances, aiding digestion and helping build new tissues by purifying, enriching and revitalizing the blood, thus restoring functional activity to the entire system.

"Get Duffy's and Keep Well"

At most drug stores, \$1.00. If they can't supply you, write to Medical Booklet Free. The Duffy Malt Whiskey Co., Rochester, N.Y.

HEADACHES

Thousands of men and women suffer from headaches every day, other thousands have headaches every week or every month, and still others have headaches occasionally, but not as regular intervals. The cause of many of these headaches, and in most other cases, knowing the cause, does not know what will remove it so as to give a permanent cure. All he can do is to prescribe the usual pain relievers, which give temporary relief, but the headache returns as usual, and treatment is again necessary. If you suffer from headaches, no matter what their nature, take Anti-lemnia Tablets, and the results will be satisfactory in the highest degree. You can obtain them at all drug stores in any quantity, 10c worth, 50c worth or more. Ask for A-K Tablets.

SICK HEADACHES

Sick-headache, the most miserable of all sicknesses, loses its terrors when A-K Tablets are taken. When you feel an attack coming on, take two tablets, and in many cases, the attack will be wiped off. During an attack, take one A-K Tablet every two hours. The rest and comfort which follow, can be obtained in no other way. Genuine A-K Tablets bear the K manogram. At all druggists.

TODAY'S BEAUTY HELPS

Nothing excites more criticism than a woman with her face all daubed with face powder in her desire to hide a faulty or an aging skin. Instead of using powder, which clogs and enlarges the pores, it is far better to use a good face lotion that will improve and permanently benefit the skin. By dissolving four ounces of spumax in a half pint of hot water you can make an inexpensive lotion that will wipe away all the dirt, whiten and complexion beautifier. It removes all shininess, sallowness and roughness, and gives the skin a smooth velvety tone, while it does not rub off easily like powder, nor does it show on the skin. By washing the hair with a teaspoonful of canthox dissolved in a cup of hot water, afterward rinsing thoroughly with clear water, one finds that it dries quickly and evenly, is unstreaked, bright, soft and very fluffy, so fluffy, in fact, that it looks more abundant than it is and so soft that arranging it becomes a pleasure. This simple, inexpensive shampoo cleanses the hair and scalp thoroughly of all dandruff and dirt, and leaves a clean, wholesome feeling. All scalp irritation will disappear, and the hair will be brighter and glossier than ever before.—Advertisement.

SQUEAKING KIDNEYS!

Do not hesitate to promptly heed the warning your kidneys give you when they begin to lag in their work. When you feel those little "stinging" pains in the "small of the back," loss of appetite, highly colored urine, weariness you cannot account for, it means that your kidneys are not doing their work properly. The result may be fatal if neglected. The remedy is a simple matter if you act promptly. Go to your druggist and get a box of genuine GOLD MEDAL Haaslem Oil Capsules. Haaslem Oil has been a standard remedy for all kidney and bladder troubles since 1888. It is imported direct from the ancient laboratories at Haaslem, Holland. Be sure you get the genuine GOLD MEDAL Haaslem Oil Capsules. No substitute will give the proper result. Price, 50c, 50c and \$1.00. Your money positively refunded if you do not get prompt relief, and soon feel the old-time "zing" of youth.

Right around the corner at Seventeenth and Howard streets came a highwayman Tuesday night that met the Arkansawyer and relieved him of the 15 cents and the said watch. "After this heavy loss of 15 cents," remarked the thief, "you will, of course, want some money to get along in this town." He handed the stamped envelope back. "Here," he said, "you will want this to write home for more money."
