

Nebraska FIFTH REGIMENT MEN ARE IN CAMP

Thousand Soldiers of Nebraska National Guard at Crete for Annual Maneuvers.

TWO AVIATORS WILL TAKE PART

CRETE, Neb., Aug. 20.—(Special Telegram.)—Although the weather was anything but favorable for military maneuvers, the Fifth Regiment of the Nebraska National Guard has arrived, and has pitched tents preparatory to the week's encampment.

Despite the rain and mud the officers in command and their well-disciplined men proceeded with their work, and everything moved like clockwork. Within a few hours the soldiers had pitched their camp, had the ranges in operation, organization perfected and guard mount held at 4:15 p. m., all to the entire satisfaction of General P. L. Hall and Colonel P. J. Paul.

The tents were tied up today and the grounds dried at a rapid rate. With the promise of good weather, the next few days will be filled with active hours by about 1,800 soldiers, who are already in the field doing drill duty.

Aviators Have Call

The grounds were arranged for a place for Captain McMillen to alight with his aeroplane at 4 this evening. Captain McMillen has been making a few exhibition flights at Beaver Crossing and will fly from there here, while the mechanics will come by rail.

Captain Shaffer with his squad of a dozen skilled men is extremely busy working on his aeroplane, preparatory to a few student flights that will be made tomorrow. His aeroplane is on the ground and has been the attraction for hundreds of people from the city. To prevent any accidents, Captain Shaffer, during his aeroplane work, will use the large field just north of the camp grounds, and all pedestrians will be barred from the same. A line of guards will be placed on the public highway which separates the camp grounds and the aviation field.

Take Many Precautions

Captain Shaffer, although a young man 25 years, is an "old bird" man, having been instructor for the Curtis people for three years at San Diego, Cal., besides being in many other places and under numerous trying conditions, and it is for these reasons that he is extremely cautious that no accidents may happen either to the public, that may be sightseeing, or his men who are taking their first lessons in the military art of the clouds.

Company C of Beatrice was the first company on the grounds, and Company D, of Auburn, under the command of Captain Davis, reported in the afternoon with three officers and forty-six men.

Four of the regular army instructors are on the grounds holding classes in military work. The general opinion that the guards' life in camp is a good time, coupled with a week's loafing, will be dispelled when it is learned that the boys are called at 5:15 every morning and the day is spent in military activity, until evening. There are now on the grounds nine companies of infantry, the quartermaster's department, headquarters staff, the aviation corps, two aeroplanes and a band.

Wife of Wealthy Farmer Ends Life

FAIRBURY, Neb., Aug. 20.—(Special Telegram.)—Mrs. Tuma, wife of Albert Tuma, a wealthy farmer, living fourteen miles southwest of Fairbury, committed suicide today by drinking creosote dip.

WORK ON NEW STATE HOSPITAL IS DELAYED

KEARNEY, Neb., Aug. 20.—(Special.)—Members Gerdes and Kennedy of the State Board of Control were Kearney visitors on Wednesday afternoon and made a trip of inspection over the state institutions. At the state hospital the members expressed much interest in the new buildings being erected, although the work is much behind schedule time. In addition to the hospital ward room, which is now being built, a superintendent's cottage will also be erected for the family of Dr. Van Der Slicke. The rainy weather has greatly retarded the work and the board members were of the opinion that the work could not be completed this year unless the weather conditions changed. They stated that the same condition existed at the other state institutions where new buildings were being erected.

Notes from Seward

SEWARD, Neb., Aug. 20.—William Zehrens, a well known farmer of this county, fell from his threshing machine Thursday, while engaged in threshing, and was badly injured. He was brought to Seward by automobile to a local hospital. His condition is serious.

INDUSTRIAL SCHOOL BAND FOR AK-SAR-BEN

KEARNEY, Neb., Aug. 20.—Ak-Sar-Ben officials of Omaha have completed arrangements with the state for the services of the State Industrial School boys' band which will render concerts during the festival this fall. The boys' band of fifty pieces, has developed into an exceedingly popular musical organization and it understood that other state institutions will also be visited by the boys while away, concerts being given for the other state wards.

Twelve Stitches in Man's Tongue

TECUMSEH, Neb., Aug. 20.—(Special.)—Rollie Curtis of this city is suffering the effects of a decidedly painful injury. He was raising a cake of ice on a pulley, when the tongue slipped from the ice, flew through the air and struck him under the chin. His tongue was between his teeth and the big caused him to bite his tongue nearly off. Dr. C. H. Davison gave the needed surgical care, being obliged to take twelve stitches in the tongue to draw the member together.

CHILD'S BODY FOUND FLOATING IN MISSOURI

FALLS CITY, Neb., Aug. 20.—(Special Telegram.)—The body of a child 6 or 8 years of age, barefooted and dressed in a light colored summer suit, was found floating down the Missouri river near the landing on the Collier farm about fifteen miles northeast of Falls City.

OFFICERS ARE OF THE OPINION THAT THE BODY HAD BEEN IN THE WATER EIGHT OR TEN DAYS. THERE WERE NO MARKS UPON IT TO ASSIST IN IDENTIFICATION.

GERMAN MILITARY ATACHE NAMED IN "EXPOSE"—Capt. Franz von Papen, military attaché of the German embassy at Washington, named in the "expose" of questionable German tactics in this country.

CAPT. FRANZ VON PAPEN.

RULES ARE ISSUED FOR CROSSING WIRES

State Railway Commission Specifies Just How High Power Lines Are to Be Strung.

ADVISES MUTUAL AGREEMENTS

(From a Staff Correspondent.) LINCOLN, Aug. 20.—(Special.)—The state railway commission today issued a long 22-page order covering the crossing of railroad tracks by electric and telephone wire and also the crossing of wires of different companies.

More Rock Island Trouble

The Rock Island railroad, with all its troubles, is up against another proposition. Secretary of State Pool is insisting that it pay its corporation tax to the state on the full valuation of the road, while the road claims it only has to pay on that part operating in Nebraska.

Smith Confers on Briefs

Attorney Ed P. Smith of Omaha, special attorney for the railway commission, in its suits against the railroads in the rate cases involved in the No. 19 order, was at the state house today conferring with the board regarding the briefs to be filed in connection with the case.

New Bank Chartered

The First State bank of Woodlake, Cherry county, has been given a charter by the state banking board. The bank has a capital of \$10,000 and its officers are: A. G. Holt, president; J. W. Graves, vice president, and L. R. Applegate, cashier.

Omaha Licensed to Wed

William H. Karnett of Omaha, age 25, and Ellen C. Peterson, age 25, also of Omaha, were given a license to marry at the court house yesterday.

Nebraska APPLY SWORD EDGE OF LAW TO SINNER

Lutherans at Deshler Haer Discourse Upon Doctrinal Matters Durin the Session.

FINANCIAL OUTLOOK IS BRIGHT

DESHLER, Neb., Aug. 20.—(Special Telegram.)—A rising vote of thanks was tendered Rev. C. H. Becker, for his fifteen years of conscientious and efficient labors as president of the Nebraska district of Lutheran Missouri Synod, by the delegates of thirty thousand communicant members of this state in convention here.

In the same way the assembly's gratitude was expressed to Mr. O. E. Bernecker, who has served as treasurer the same number of years, without any material reward.

During this time, the annual budgets for missions, church extension and charitable purposes were from \$11,000 to \$15,000, raised in this state and all passing through his hands. The amounts raised and expended by the hospital associations at York and Beatrice, are not included.

New Officers Named

Rev. C. F. Brommer was elected president for the next three years, and Professor August Schulte is nominated to succeed Mr. Bernecker as treasurer. The latter's business in Seward and work at Lincoln engage his time.

In the doctrinal paper, read by Rev. W. Mahler, the correct application of the divine law and the gospel was discussed. The speaker said that it should be the purpose and aim of the church janitor, of the elders, of the organist, choir, teachers, as well as that of the preacher to help by their services to apply the sword edge of the law to the hardened heart, and the gospel of forgiveness and peace and God's pardon to the penitent. He also hailed it as a hopeful sign, that enlightened congregations are beginning to see that the older pastors, tested in the furnace of trials and sorrow, and experienced in the art of applying law and gospel correctly, are a more desirable and valuable asset to the church than more versatile and brilliant, younger inexperienced men. He quoted the word of Luther:

New Vice Presidents

Rev. W. Harms of Bancroft, Neb., and Rev. Choler of Deshler, Neb., were elected vice presidents.

WHY NOT HAVE A CLEAR SKIN

Electric wires carrying over 700 volts when crossing under a track shall be in pipes and conduits and four feet below. If under 700 volts, two feet.

Alternate currents over 700 volts the minimum clearance above or below other wires shall be eight feet, direct currents two feet insulated and four feet bare wires.

Trolley wire must be less than 22 feet above a track at each crossing.

In many instances the commission recommends that opposing forces get together, in an agreement as to crossings.

More Rock Island Trouble

The Rock Island railroad, with all its troubles, is up against another proposition. Secretary of State Pool is insisting that it pay its corporation tax to the state on the full valuation of the road, while the road claims it only has to pay on that part operating in Nebraska.

Nebraska different branches of home and foreign missions.

Rev. T. H. Gullanecht, missionary, from South India, stated in a lecture that on the southern field in India more healthen apply for Christian instruction than the Lutheran missionaries can take care of. He described India, the home of 300,000,000 people, as the most valuable jewel in the crown of the British possessions, as a confederacy of fourteen provinces, governed by British governors, and 494 states ruled by native kings, rajahs and princes, with a population of 147 different languages. All missions in the southern points of India's wedge were first founded by Lutheran societies. The average course of instruction prior to baptism takes two years.

A base ball game between pastors is scheduled for tomorrow afternoon. A mass meeting and mission festival in the county fair grounds will be held all day Sunday.

VETERINARIANS EXAMINE HORSES FOR DURINE

(From a Staff Correspondent.) LINCOLN, Aug. 20.—(Special.)—Sixteen hundred and two examinations have been made by special veterinarians, who, with the state veterinarian of Nebraska, have been looking after the horses quarantined in the counties of Cherry, Blaine, Grant, Thomas and Hooker. Durine, the disease which has caused the quarantine, has shown itself in twenty-eight cases where there is no question as to appear-

Nebraska ance, while three more cases examined are suspicious. There are yet about 400 more horses to be examined of the number reported above. A question which will involve the damages which will be due the owner of the horses which will be killed is whether the money will go to the owner of the horse or the holder of the mortgage on the horse.

Show Employee Drowned

BEATRICE, Neb., Aug. 20.—(Special Telegram.)—Robert T. Meyers, a member of the Brundage shows, appearing here this week, was drowned in the Blue river at the Queen City park this afternoon at 2 o'clock, while bathing with some of the members of the company. He was 39 years of age, and his home was at Hager town, Md. A letter addressed to Miss Irene Hicks, 2501 Paron avenue, St. Joseph, Mo., was the only thing found in his belongings, which would in any way identify him. He joined the shows here last Sunday, coming from Diller, Neb., near which place he worked for William Fanders, a farmer.

Teachers' Institute at Aurora

AURORA, Neb., Aug. 20.—(Special.)—The Hamilton County institute is in session here this week with 107 teachers enrolled. The instructors are Miss Emma Watson of Elgin, in charge of the primary section; Mr. John Woodard of Seward, Mr. O. W. Neal of the Kearney State normal. Prof. Neal has on exhibit 300 pictures from the Turner Art Institute in Boston and gives a talk on art every morning at 10 o'clock.

How Heat Affects the Vital Organs

Hot Weather Conduces to Chronic Constipation and Diarrhea

A disposition to confine one's diet to cold food and to indulge freely in iced drinks, is one reason why constipation and diarrhea is so prevalent in summer, and there is no season when bowel disturbances should be more carefully avoided, as such serious disease is directly traceable to these conditions.

To regulate the bowels and quickly relieve even an aggravated case of constipation, the combination of simple laxative herbs with pepsin, sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin, is highly recommended by many physicians and all those who have used it. Unlike cathartics and violent purgatives, Dr. Caldwell's Syrup Pepsin acts gently on stomach, liver and bowels, without griping or other discomfort and brings relief in an easy, natural manner. Mild, pleasant to the taste, and inexpensive, it is the ideal family laxative, by cleansing the bowel tract and eliminating

the foreign matter and poisons that irritate and inflame, it will quickly check an attack of diarrhea and restore normal conditions.

Dr. Caldwell's Syrup Pepsin has been the standard remedy in countless homes for more than thirty years, and is sold in drug stores everywhere for fifty cents a bottle. A free trial can be obtained by writing to Dr. W. B. Caldwell, 63 Washington St., Monticello, Ill.

SUCCESS—

"That 'Nothing succeeds like success' is demonstrated by a glance into our dining rooms of a Sunday evening.

The Dinners de Luxe inaugurated on the first Sunday after the opening of the hotel have indeed proved a success. The cool, airy dining-room is as popular in the hot days of Mid-August as in Mid-Winter. The reason for this success is plain—The best of food properly prepared and served in a manner enticing amid surroundings befitting.

Usual Sunday night Dinner de Luxe from Six to Nine at One Fifty per person. Music by Christman and his Fontenelle Orchestra. Reservations may be made by phone, Douglas 1511.

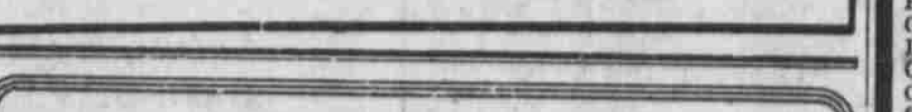

"BUILT FOR YOU TO ENJOY" HOTEL FRONTENELLE

The sweetness of the choice barley malt, combined with the fine flavor of imported hops, makes its taste most delicious.
