

BRIEF CITY NEWS

Have Not Print It—Now Beacon Press. Electric Fans, \$7.50. Burgess-Graden. F. E. Nowell, recent United States attorney, located offices at 708-B Grandis Theater Bldg., entrance 17th or 18th St. Butler is Mayor—City Commissioner Butler is acting mayor this week, during the absence of Mayor Dahlman, who is having a rest at Lake Seymour. Underage Operation—G. W. Wington, train dispatcher for the Union Pacific at Grand Island, has been brought to the Clarkson hospital for an operation. "Today's Complete Movie Program" classified section today, and appears in The Bee EXCLUSIVELY. Find out what the various moving picture theaters offer. Steals Garden Hose—Barney McCormick, a transient, was sentenced to thirty days in the county jail for the alleged theft of garden hose from the emergency hospital. Fund for Auditorium—By adoption of a resolution offered by Commissioner Butler the city council set aside a fund of \$500 for immediate expenses at the Auditorium. Charities Lose Out—The city council decided to discontinue the \$50 monthly allowance given to the Associated Charities by the former South Omaha city government. Durst Bound Over—Horace Durst, 2211 Seward street, arrested Monday night, charged with carrying concealed weapons, was bound over to the district court, with bonds fixed at \$500. For Safety First in Life Insurance see W. H. Indoe, general agent State Mutual Life Assurance Co. of Worcester, Mass., one of the oldest, 71 years, and best companies on earth. Hayes' Salary Raised—Dean Hayes, superintendent of the street repair work in the department of street cleaning and maintenance, has been granted an increase of salary to \$165 a month by action of the city council. Mrs. Stone Fined—Mrs. N. Stone, 1718 Cuming street, charged with keeping an ill-governed house, was fined \$25 and costs in police court. John Chausen, 513 South Thirtieth street, was given thirty days suspended sentence on a similar charge. Fine is Suspended—A report published in The Bee Sunday said the city council ordered the structure condemned and torn down. Several other buildings were condemned. Says City Not Liable—City Attorney Rine advised the city council that the city cannot be held liable for the death of Otto Glick, who was killed during an automobile accident at Forty-sixth and Cuming streets, three weeks ago. Essie Glick, the widow, filed a claim, maintaining that cinders in a rut of the street rendered the thoroughfare dangerous. Sues City for Water Damage—Charles D. Alexander filed suit against the city of Florence, asking \$5,000 damages because water flowed on his property on Locust street, during several years, flooding his cellar and devastating his garden. He says he repeatedly called the notice of city officials to the need of grading the street so as to obviate the flowing of water upon his premises. SECTION HAND SUES ROAD FOR DAMAGES FOR INJURY Millard Baugh, a section hand on the Union Pacific railroad, filed suit against that corporation for \$25,000 for injuries received while he was working on the line near Hastings, January 18. He relates that he was ordered to accompany the foreman, Arthur Lech, on a hand car to Hastings and while the car was moving rapidly he was ordered to move from the rear to the front of the car. While doing so the momentum of the vehicle was suddenly decreased and he fell in front of it. He says he has been confined to bed for nineteen weeks. His shattered leg, he says, was mended by screwing an iron plate to the bone, but is still shorter than it was and he is compelled to walk with crutches. PLANS FOR FORD PLANT AT BUILDERS' EXCHANGE Plans and specifications for the new Ford assembling plant at Sixteenth and Cuming streets have arrived in Omaha and are on file at the Omaha Builders' Exchange. The specifications call for a five-story building, 284x120 feet in dimensions. H. S. Morgan of Detroit is the man to whom communications are to be addressed. Bids are to be in by September 1. The contracts that lie outside of the general contract are for plumbing, electric work, elevators, hot water heating plant and other details. AN AMENDED ORDINANCE INTRODUCED ON CAR STOPS An amended ordinance has been introduced to cover the stopping of street cars on either side of intersections on unpaved streets. The street car company, however, has taken cognizance of the situation by offering to consider crosswalk accommodations in unpaved districts. THIEF STEALS REVOLVER FROM GARRETT LAUNDRY Sam Santo, 514 Capitol avenue, reports to the police that Monday evening a thief gained entrance to his room and took \$5 from his trousers. The Garrett laundry, 1158 North Sixteenth street, was also visited and a revolver stolen. Traveling Man's Experience. "In the summer of 1881 I had a very severe attack of cholera morbus. Two physicians worked over me from 4 a. m. to 6 p. m. without giving me any relief and then told me they did not expect me to live; that I had best telegraph for my family. Instead of doing so, I gave the hotel porter 50 cents and told him to buy me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and take no substitute. I took a double dose according to the directions and went to sleep after the second dose. At 5 o'clock the next morning I was called by my order and took a train for my next stopping point, a well man, but feeling rather shaky from the severity of the attack," writes H. W. Ireland, Louisville, Ky. Obtainable everywhere.—Advertisement.

Six Hundred Boosters From Twelve Cities in County Are Given Taste of Pep. O'BRIEN'S GOOD-BYE TO KNIGHTS Pep has been injected into 600 Saunders county boosters from a dozen towns of that county. The same pep was dealt out by Doc Cayenne of Ak-Sar-Ben, at Samson's big Den last night. It was Saunders county night, and well and ably did the Saunders county crowd turn out for the occasion. Elgin boosters were to have come 100 strong in twenty automobiles, but the mud, the same old drawback that has put many a good party to flight this summer, prevented. The Elgin bunch, though they rose at 5 o'clock in the morning to make the drive, found it impossible to do so, and only a baker's dozen came on the Northwestern railway. O'Brien Given Gift. Dave O'Brien, for many years governor of Ak-Sar-Ben, was presented by the working crew of the Den with a handsome and rare set of pearl cuff buttons, in recognition of his long years of booster service in Omaha, now that he is leaving for Connecticut, where he is to make his future home. Chief of Police Dunn made the presentation speech. O'Brien declared that while he had been a member of Ak-Sar-Ben for twenty-one years, his only wish was that he could be a member twenty-one years longer. Judge Ben Baker was chairman of the speaking feature of the evening. A. E. Ramsey of Kansas City, vice chairman of the Federal Reserve banking system, spoke briefly, but had nothing to say of the banking system. He was busy telling how he had been smothered with courtesies since he had come to Omaha. Wahoo Men Talk. R. H. Park of Yutan and Judge Slama of Wahoo also spoke briefly, thanking the organization for the entertainment of the Saunders county crowd, and pledging eternal loyalty to King Ak-Sar-Ben. The organization now has a membership of 215. A total of 7,500 guests has been entertained thus far this season at the Den, as against 4,200 at the same time last year. A special show is to be staged at the Den next Saturday night for the Squeal and Grunt club of Kansas City. This is an organization of hog salesmen of Kansas City that is to spend the day in Omaha, entertained by the Union Stock yards and the hog salesmen of Omaha. Other hog men from Sioux City and St. Joe are to be here also for the occasion. This evening the Board of Governors is to be entertained at the big Pain fireworks celebration at the Douglas county fair grounds near Krug park. Many Disorders Come from the Liver Constipation, Headache, Bilious spells, indicate a sluggish liver. The tried remedy is Dr. King's New Life Pills. Only 25c. All drug stores.—Advertisement. LABBE PRAISES OMAHA FOR ITS ACCOMPLISHMENTS Victor E. Labbe, traveling passenger agent of the Illinois Central, is in Omaha on his vacation. For three years he has had the south for his territory, with headquarters at Dallas, Tex. Prior to that and for a number of years he worked out of Omaha. It has been three years since he was here and relative to Omaha he says: "I hardly knew the town when I arrived. It has grown beyond all my expectations. It is simply wonderful and I have no hesitancy in saying that right now Omaha is the busiest and best city in the United States and I have seen most of them during the last year." Enroute back to his territory Mr. Labbe will go by way of San Francisco, where he will stay a couple of weeks. He left Texas before the hurricane visited Galveston and the coast country.

Affairs at South Omaha Armour & Co. Decide to Spend a Quarter Million on New Sheep Department. OFFICES AND CAR SHOPS ALSO An expenditure of between \$250,000 and \$300,000 for building purposes has been announced as the financial policy of Armour & Co. during the next year. General Manager E. C. Howe of the Omaha plant stated that bids are now open to the officials of the company for the construction of a new sheep department, office building and car shops. The Armour heads have long contemplated erecting these buildings. Private announcement was made some months ago, but not until last week came definite word from the Chicago officials that the proposed expenditure was authorized. Coupled with the enormous sums the Union Stock Yards company has been spending in improvements at the yards in the hog and sheep divisions, the Armour proposition indicates that the Omaha market is growing fast. The new office building will be erected just east of the Armour cottages, on the vacant ground west of the ice plant and owned by the company. Space is limited, which indicates that the buildings will be high structures, probably seven or eight stories. An engine room will be made of the present office site at Twenty-eighth and G streets. "Squeal and Grunt" Reception. The local stock yards officials will be hosts to the Kansas City Hog Men's association and also hog men from the Sioux City and St. Joseph stock yards next Saturday afternoon at the local exchange building. It is expected that more than 125 hog men from the three yards will make the trip. The Kansas City association is known as the "Squeal and Grunt" club. Charlie Cannon, Cudahy buyer, who returned recently from a trip to Kansas City and St. Joseph, said that all expectations of local men will be gratified. The hog men of the three representative yards are taking a marked interest in the complete list of expected guests. Local officials will spare no effort to make the reception as fine as possible. The visitors will come in a special car, making the rounds of the three stock yards cities before starting on the trip to Omaha. Maple City Gossip. The "Girls" and party picnicked at Elkhorn Sunday. George Jacobson is reported as seriously ill at his home. John Dohse of Howells was visiting with friends here in the city yesterday. John Van Wyl has returned from a week's visit with friends at Clark, Neb. The West L Street Base Ball club will give a dance at Rushing hall Wednesday evening. It will be ladies' day at the municipal swimming pool at Spring Lake park tomorrow afternoon. Charlie Cannon, buyer for the Cudahy Packing company, has returned from a trip to Kansas City and St. Joseph. Mrs. Jess Tremell and daughter, Florence, of Montrose, Colo., are guests for the week of Mr. and Mrs. Martin, 2715 T street. J. M. Trelly of Kimball, Neb., was represented on the local market yesterday with a load of cattle. He also stopped over until today and visited with friends. The Ladies' Aid society of the First Presbyterian church will meet at the home of Mrs. C. M. Schindler, 928 North Twenty-second street, South Side, Wednesday afternoon. Mrs. J. E. Phillips, 2113 J Street, and mother, Mrs. A. J. Bluebush, 530 North Nineteenth street, left yesterday for Detroit, Wis., where they will visit with Mrs. Phillips' sister, Mrs. Henry Winters of that town. They will spend a month at the Winters home. A "For Sale" ad will turn second-hand furniture into cash. DR. HERMAN SUGARMAN ON SANTA FE MEDICAL STAFF Dr. Herman Sugarman, son of Mr. and Mrs. S. Sugarman, formerly of Omaha and now practicing in Los Angeles, Cal., has just been appointed to the Medical Staff of the Santa Fe Railroad for Southern California, according to a letter received by his brother Martin I. Sugarman of Omaha. Dr. Sugarman was born in Omaha, received his medical education at Creighton college and served as interne at St. Joseph hospital in 1910.

RODGERS, OFFICER OF TRAFFIC SQUAD, DIES OF STOMACH ATTACK

Traffic Officer Bert A. Rodgers, stationed at Fourteenth and Farnam streets, died at 2:30 o'clock yesterday as the result of a sudden attack of indigestion. Rodgers had been in his usual health until early in the morning, when he was taken ill. He went to the police station for medical attention, but later became worse and went to his home at 210 1/2 Cuming street. His condition soon became serious and death followed. The dead man was appointed to the police force in September, 1912. He had been on the traffic squad about two years. On January 21, 1914, H. D. Corneau, formerly stationed at Fourteenth and Farnam streets, was seized with a stroke of apoplexy and died a few hours afterward at Wise Memorial hospital. The intersection has been given the name "hoodoo corner" at the police station. Rodgers was 32 years old. FILE CLAIMS AGAINST MISSOURI PACIFIC HERE The claims of the Commonwealth Steel company in the Missouri Pacific bankruptcy case have been filed in the office of the clerk of the federal court here. The case will be conducted by Circuit Judge Elmer B. Adams of St. Louis, and the claims filed were against the Missouri Pacific holdings in Nebraska. MUST REMOVE TABERNACLE AFTER SUNDAY CAMPAIGN

The Omaha Evangelical association will be required to remove the tabernacle erected for the use of Billy Sunday within a reasonable time after the campaign here. Fear that the structure might burn and create a fire hazard prompted the city council to add this requirement in issuing the formal building permit for the tabernacle.
