\$1,000,000 WORTH OF BALL CLOTHES FRIDAY

Dreshers Under "Last-Minute" Pressure Fixing Up Prettiest Clothes Ever Donned by Omahans.

Young Fortune in Ladies' and Gentlemen's Ak-Sar-Ben Ball Clothes Now Being Cleaned, Pressed and Altered at Dresher Plant.

"My, isn't that gorgeous!" "Look at that dress of a gown!" "There's a dress suit that must have cost a hundred!"
Even the employees of Dresher Brothers' \$57,000 Cleaning Plant at 2211-2213 Farnam St., familiar as they are with gorgeous garments, coming in contact with such articles, are amazed at the wealth and splendor of the gowns, wraps, clothes, hats, dress suits, etc., brought into Dreshers to be specially cleaned and gotten in shape for the forthcoming "Ak-Sar-Ben" Ball, Omaha on Friday next, is going to have the largest and "swellest" social affair it has ever experienced. Dresher Brothers can readily tell that by the number and appearance of garments already sent to the plant, to be completely gone over and rejuvenated so that their owners may have them in time for the "Ball."
Of course it is understood that the more particular ones of Omaha would not entrust their precious finery to any cleaner other than Dreshers. A filmy, lacy treasure of a lady's ball gown, for instance, sent here for a cleaning, is handled with that loving care that denotes a regard for beauty. Dreshers and all of Dreshers' employees know how important it is that Ak-Sar-Ben Ball clothes set a standard, and with that end in view every one in or about this establishment is experiencing the busiest week he or she has ever had.

Now, Dreshers can clean, press and even alter your garments in plenty of time for the "Ball." But, for goodness' sake have the kindness to send in your clothes early in the week. Dreshers are well aware that patrons will call in at the eleventh hour and say: "I must have this silk hat ironed out for tonight!" "I must have this ball gown cleaned and it's only a day to the ball." "I must get this dress suit pressed." "I must have this pair of gloves cleaned." "Here is a white vest I forgot all about," etc., etc.
Dreshers will go the limit however, to please patrons. Chances are they will be late for the ball themselves because of work, but their customers' work will be gotten out if effort will accomplish it.
The four Dresher boys, by the way, have attended all of the Ak-Sar-Ben Balls for the past seventeen years; they know what's wanted, but give them a chance to go to the ball, too; send in your clothes early; don't wait until 4 p. m. of the day of the ball.
Leaves work at the plant, 2211-2213 Farnam St., at the Dresher branches in the Broadway and Burgess-Nash Co. stores, or at the Dresher Tailor establishment at 1515 Farnam St. If you live out of town send in your work by Parcel Post or Express and Dreshers will pay return charges.
But the quickest way of all would be to phone Tyler 345 for a Dresher wagon.
Remember—Friday Night—THIS Ball—and YOUR clothes should look FIT.—Advertisement.

South Side Highs Defeat Alumni in Fast Foot Ball Play

A forward pass, Bott to Graham, after a series of fumbles on the part of the Alumni in the third quarter, enabled the fast South Side High school right end to pass over the goal of the Alumni eleven and win the game Friday afternoon at Lusk park. A minute later, Nixon, tackle on Patton's team, booted the ball far over the goal points for an added point. The score remained unchanged to the last whistle, 7 to 0.

The game was a close one from the first and at only one other time did the High school men come within striking distance of goal. At the end of the first half the ball rested twenty yards from goal in their possession.
For three quarters, the Alumni allowed the High schoolers to drive through their line at will and when they gained the ball little could be done in the way of gaining. Forward pass after forward pass, Nixon, quarterback of 1914, heaved to his end, but neither Bapp nor Lowry was able to gather them in.

The last half was most exciting. After a series of brilliant maneuvers when the school team had advanced the ball to their opponents' fifty-yard line, the alumni recovered it and swept down the field gaining on line smashes at every opportunity. The Alumni drove from goal with only fifteen seconds to play, the graduates failed to make good on a forward pass. Nixon to Lowry, that would have made a touchdown and possibly tied the score. Lowry, Lyman, Nixon and Foley played a stellar game for the Alumni, while Arthurson, Nixon, Pitt, Brown and Graham played a good game for the students.
In the last half the Alumni played with signals. The lineup:
S. O. SCHOOL. ALUMNI.
Graham R. E. L. E. Lowry
Lattin R. G. L. G. Conolly
Cinek R. G. L. G. Miller
Capite C. C. Beck
C. G. R. G. Sullivan
Nixon L. T. R. T. Kaner
Nort L. E. R. E. Kapp
Arthurson R. H. B. B. H. H. Nixon
Pitt L. H. B. B. H. H. Nixon
Brown F. R. B. B. Lyman
Substitutes: Alumni, Pitt for Beck, Graham for Nixon, and Pitt for Nixon. South Side High, 7; Alumni, 0.

Two Soccer Games To Be Played Sunday
Two games of soccer foot ball are scheduled for Sunday, both commencing at 3 o'clock. At Miller Park the champions, Omaha City, lock horns with the Caledonians for the first time this season, and Captain Lowden of the Scots promises that he will have his best team of the season on view for this tussle. The City team has secured several new men who will be out for the first time, and Captain Cockayne has no fear as to the ultimate result. A victory will probably place them in second place, and they will strive might and main to celebrate the home-coming of their president, George Peacock, who has been to the exhibitions and has not seen his team in action this year.
At Carter lake, near the municipal bench, the Townsends will meet the Bohemian eleven.

Nearly Three-Fourths of Allies Half Billion Bond Issue Taken

NEW YORK, Oct. 2.—Subscriptions amounting to approximately \$26,000,000 appeared to be in sight Thursday night toward the \$30,000,000 issue of joint Anglo-French bonds, according to a declaration made today by the president of one of the largest national banks in the city. This would leave \$4,000,000 to be taken and it was his opinion that today and tomorrow would see the entire amount placed.

The \$26,000,000, it is assumed, represents the total pledges tabulated up to Thursday night and includes the chief large bank subscription and those of wealthy individuals entering the list of underwriters.
All Sections Included.
It also was thought that this total covered subscriptions from every section of the country, although this was not stated. Middle western and western banks are yet to be heard from and the wants of some of these remain to be ascertained.

Punch in the Mouth Stops Proceedings

When one delegate soaked another delegate with a stiff punch on the mouth, the regular meeting of the Omaha Central Labor union adjourned last night. The hour was nearly midnight, and it was time to adjourn, anyhow. The trouble arose over a referendum vote that had been ordered as to the question of endorsing a newly established paper as the official organ of the union. When the argument ad slam on the beater took the place of the usual points of order and motions to amend, and to refer, and other parliamentary tactics, the body knocked off for the night without deciding the question.
The Musicians' union asks that the city commission, the parks and the Auditorium be placed on the unfair list. The Central body appointed a committee to investigate the grounds of this request.
A communication from Commissioner Jardine was put on the table without being read by a unanimous vote. Cornelius Lehane, Irish socialist of Cork, spoke briefly on the labor movement in Ireland, and in relation to the future of the labor movement as a whole and his in-

formation was listened to with much interest.
