BOARD HOLDS M. P. IS MAKING MONEY

Declaration that Passenger Business of This Line Nets \$96,000 Year in State.

CONTENTION MADE IN ANSWER

(From a Staff Correspondent.) LINCOLN, Oct. 8.—(Special.)—That the Missouri Pacific railroad is making \$96,000 a year from its passenger business in Nebraska will be the contention of the Nebraska commission in an answer soon to be filed to the suit brought by the company in the federal court here to have the 2-cent passenger fare abolished.

As a representative of the Nebraska railroads the Missouri Pacific filed a suit in the federal court to require the abolition of the present fare on the ground that it was not sufficient to maintain the expenses of the road. The Missouri Pacific has claimed to be losing \$78,000 annually on its Nebraska business.

Railroads in Nebraska have endeavored to obtain a retraction of the 2-cent fare ever since the commission had put it into effect. The matter was thrashed out through all the courts and finally in the supreme court, where the commission's stand was sustained.

Lighting Bonds Registered. State Auditor Smith has received \$17,000 in DuBois lighting bonds for registration and approval and \$30 in school bonds from district No. 17 in Logan county.

Cement Firm to Appeal. The Nebraska Portland Cement company of Superior has notified the Nebraska Railway commission of its intention to appeal to the supreme court from a decision of the commission affecting cement rates in eastern Nebraska, which it claims discriminates in favor of Iowa, Missouri and Kansas cement manufacturers.

Dr. Waggoner Gets Place. Dr. J. A. Waggoner of Humboldt, Neb., a practicing physician there thirty-seven years, has been appointed by the Board of Control a head physician at the Soldiers' home in Grand Island, at a salary of \$1,500. He will begin his duties October 15. Dr. Waggoner succeeds Dr. C. P. Fordage, who resigned to take up private practice.

Treasurer Defends Self from Charge

(From a Staff Correspondent.) LINCOLN, Oct. 8.—(Special.)—That he could find no legal way to pay money to commissioners of the state, which had not been specifically appropriated by the legislature, was the declaration of State Treasurer George E. Hall, speaking at the East Lincoln league.

He said he believed it was a mistake for the legislature to appropriate money from the fees of a department, and then turn the head of the department loose to help himself. His method of collecting monthly state funds from county treasurers, he says, will save the state \$70,000 annually. Addison E. Sheldon, director of the Nebraska Legislative Reference bureau, declared at the same meeting that unless the rate of interest dropped agricultural lands would be depopulated, since industries now offered a bigger inducement than the farm. The farms, he said, were now twice as large as five years ago. Big mortgage holders are getting the property through foreclosure from small owners.

DR. CUTLER MADE DEAN TO SUCCEED DR. BRIDGES

(From a Staff Correspondent.) LINCOLN, Oct. 8.—(Special.)—The university board of regents at its meeting last night made Dr. Irving S. Cutler, secretary of the Omaha branch of the state university medical college, a dean to succeed Dr. Bridges of Omaha, resigned. Secretary J. S. Dales of the university was also made a dean in recognition of his long and faithful services to the university. Mr. Dales, however, will continue as secretary and financial manager of the institution.

Quite a number of resignations and appointments in the faculty were approved and the board also took action relative to publicity matter from the university. All news matter and pictures, connected with the extension of the university, will be given out subject to Sunday release.

TREASURERS URE AND HALL ARE STILL AT LOGGERHEADS

(From a Staff Correspondent.) LINCOLN, Oct. 8.—(Special.)—County Treasurer Ure of Douglas county has deposited with State Treasurer Hall \$31,650, the state funds due from Douglas county, collected during June, July, August and September. Treasurer Ure is still at loggerheads with State Treasurer Hall, refusing to make monthly payments, as required by an order issued by the state treasurer early in the year.

A mandamus suit brought by Treasurer Hall is still pending in the supreme court, having been reopened by the Douglas county treasurer after the case had been submitted. His answer as to why he has not made monthly payments has not yet been filed, however.

Three Denied Citizenship

HEATRICE, Neb., Oct. 8.—(Special.)—The October term of the district court opened here Thursday. The applications of eleven Gage county residents for naturalization were taken up for disposal, and examination was made by J. M. Gurnett, naturalization attorney under the St. Louis jurisdiction. Eight of these were granted, but three were denied citizenship at present for the reason that they did not appear to have sufficient knowledge of the English language, and some of the other points appeared to be not well understood.

Two Children Had Croup

The two children of J. W. Nix, merchant, Cleveland, Ga., had croup last winter. One was a boy of 4, the other a girl of 3 years. Mr. Nix writes: "Both got so choked up they could hardly breathe and couldn't talk. I gave them Foley's Honey and Tar and nothing else and it entirely cured them." This reliable medicine should be in every home, for it gives immediate relief from colds, coughs and croup, breaks raw inflamed throat and loosens phlegm. Sold everywhere.—Advertisement.

NEW ORLEANS WATER FRONT AFTER GREAT STORM—Note the great mass of timber on the left, which marks the remains of an old river steamer pounded to kindling by the raging wind and water, its paddle wheel alone remaining to identify it.

AFTER THE STORM IN NEW ORLEANS

Rail Commissioner Hall Finds Backing

(From a Staff Correspondent.) LINCOLN, Oct. 8.—(Special Telegram.)—Railway Commissioner Tom Hall has found a substantial backing of his stand several months ago to the effect that the Nebraska Railway commission had jurisdiction over jitney lines.

Commissioner Hall has just discovered a holding of the railway commission of West Virginia wherein jitney buses are classed as common carriers, and the amendment to the Nebraska constitution puts the railway commission in charge of all common carriers of the state. That jitney lines running hither-and-thither about such a city as Omaha, endangering traffic and lives of persons, and splitting fares in competition with car lines, are in need of regulation is the opinion of Mr. Hall. He declares, however, that jitney buses cost at least 7 cents a mile to operate in the long run, and that the days of the jitney, therefore, are numbered, with the present 5-cent fare.

NOTES FROM FALLS CITY AND RICHARDSON COUNTY

FALLS CITY, Neb., Oct. 7.—(Special.)—The Richardson County Odd Fellows association met at the Independent Order of Odd Fellows' hall at 10 o'clock on Wednesday with an attendance of 150. A program was given during the afternoon as follows: Address by J. A. Hinkle, music, vocal selection, Mrs. Cunningham and Mrs. Henderson; address by Dr. A. R. Des Jardien of Lincoln and the Rev. O. E. Ticknor; other musical selections by Rulo artists were followed by short talks by representatives from lodge members over the county. Election of officers resulted in the reelection of the officers of last year: C. A. Jern of Verdon, president; Charles Huber of Rulo, vice president; George Smith of Dawson, treasurer, and W. K. Knight, secretary.

Mrs. Will Strauss died at her home four miles north of Falls City. She was born in Pennsylvania April 5, 1861, and but recently moved to the place with her husband. The funeral will take place from the family residence Saturday at 1 o'clock and from St. Mark's Lutheran church at 2 p. m. Samuel Burget, one of the pioneers of Nebraska, was buried today in the Middleburg cemetery near his farm. He was about 80 years old and has a large relationship over the county. Mrs. James Atwood, 80 years of age and a pioneer of Richardson county, died at her home northwest of Dawson and was laid to rest in the Prospect cemetery near Dawson on Thursday.

TWELVE COUNTS AGAINST COOK SALOON KEEPER

TECUMSEH, Neb., Oct. 8.—(Special.)—One of the three indictments brought in by the grand jury in the district court here last day it was in session was made public today. It was against H. C. Thomas, who is in the saloon business at Cook, in the northern part of the county. There are twelve counts in the indictment charging sales of liquor to minors. Mr. Thomas and his attorney appeared in the court and bond was given in the sum of \$400. Judge J. F. Raper adjourned the district court yesterday until late in the month. At that time some of the cases brought by the grand jury will be tried, if the parties to suit are ready.

When Baby Comes.

Before baby comes there is a period when experienced mothers are glad to aid the expectant mothers. They urge the use of Mother's Friend, obtained at any drug store, because this safe, harmless external remedy is positively necessary since it brings relief in easing the muscles, cords, tendons and ligaments involved, and unnecessary pain is avoided; thus it serves to ease the mind and has a beneficial effect on the nervous system. In many cases nausea, morning sickness and other distresses are avoided.

Save The Baby Use the reliable HORLICK'S ORIGINAL Malted Milk

Upholds every part of the body efficiently. Endorsed by thousands of Physicians, Mothers and Nurses the world over for more than a quarter of a century. Convenient, no cooking nor additional milk required. Simply dissolve in water. Agree when other foods often fail. Sample free, HORLICK'S, Racine, Wis. No Substitute is "Just as Good" as HORLICK'S, the Original

Dr. McAlpin Here To Inspect Bellevue

Rev. Edwin A. McAlpin, president of the college board of the Presbyterian church, U. S. A., spent Thursday morning inspecting Bellevue college. Rev. Mr. McAlpin expressed himself as much pleased with Bellevue spirit, and Dr. Jenks threw several bouquets at the college students for the pep and originality of their demonstration at the Sunday meeting last night.

Jenkins Holds Keys.

FREMONT, Neb., Oct. 1.—(Special.)—When asked by Mayor Murrell for the keys to the municipal light and water plant L. N. Jenkins, whose resignation

had been demanded by the board of public works through Mayor Murrell, he refused to give them up. His resignation was asked for three days ago. The board of public works will take legal action to remove the commissioner.

RUSSIA BUYS BIG ORDER OF ARMY BOOTS IN KOREA

(Correspondence of the Associated Press.) SEOUL, Korea, Sept. 29.—Russia has placed an order for 50,000 pairs of army boots with the Chosen Tanning company, which is operating day and night. Advice here indicate that Russian army officers are purchasing all available cattle and sheep in Mongolia. The figures are estimated at millions of head. The live stock will be for the most part butchered in Mongolia in special abattoirs and then forwarded to the Russian armies.

President Wilson and Fiancee Go to New York for a Theater Party

WASHINGTON, Oct. 8.—President Wilson, accompanied by his fiancée, Mrs. Norman Galt, and members of his family, left for New York today, where the party will be entertained by Colonel E. M. House, the president's close friend, tonight at a theater party, in honor of the announcement of the president's engagement.

An unusually large crowd awaited the president's arrival at the Union station, where the party boarded the presidential car. Many women were in the throng, eager to catch a glimpse of the engaged pair. The president reached the station first, riding from the White House in an automobile with his cousin, Miss Bones. Along the streets people turned to look after the car as it passed.

Mr. Wilson went to the president's reception room to await the arrival of Mrs. Galt, the crowd gathering about the doors. Mrs. Galt and her mother, appeared soon and after a smiling greeting the president escorted his bride-to-be down the long platform to the private car, raising his hat in response to the ripple of handclapping from the crowd as he passed.

Following their arrival in New York late today, the time before dinner probably will be spent by the president in purchasing a diamond ring for Miss Galt and an automobile ride with her. Returning to Washington Saturday, the party will stop off at Philadelphia to witness the second game in the world's base ball championship series. The president will throw out the first ball. Following the game, the party will return here on a special train.

The engagement continued to be the all-absorbing topic of conversation here today. Congratulations continued to pour in at the White House today from all parts of the United States and from abroad.

Blue River Power Is Aim of Company in the Capital City

(From a Staff Correspondent.) LINCOLN, Oct. 8.—(Special.)—The development of power from the Blue river, with transmission to Lincoln, has bobbed up again with rumors that the old Commonwealth Power company is securing holdings on the Big Blue river between Beatrice and Manhattan, Kan.

President W. E. Sharp of the Lincoln Traction company today admitted the company had been investigating the project and might undertake the work. Mr. Sharp, who was also head of the old Commonwealth syndicate, said a ready market could be secured for the current if the initial cost of the project was not too great. The traction company will find it necessary to build additions to its power plant unless power is obtained from a different source. The traction company will provide a ready market for the current.

Engineers have been making surveys and Mr. Sharp said he expected some definite action would be taken within the next few months. The project would mean the reduction of the cost of electric current to Lincoln patrons of from 5 to 4 cents per kilowatt

hour and possibly even a greater cut could be made.

MEMORIAL OBSERVATORY TO BE BUILT IN TOKIO

(Correspondence of the Associated Press.) TOKIO, Sept. 29.—One of the enterprises to commemorate the coronation of Emperor Yoshihito will be the building of a new astronomical observatory in the suburbs of Tokio. The site of the structure will be equal to that occupied by the Imperial university, and in size and completeness the observatory is to rival the best in Europe of the United States. The present observatory in Tokio has long been inadequate.

Throat and Lung Troubles.

Quickly helped by Dr. King's New Discovery. In use over forty years. Every home should keep a bottle for emergencies. All druggists.—Advertisement.

Speaks for Nebraska Farmers.

ST. LOUIS, Mo., Oct. 7.—Practical farmers from Northern, Central and Southern states appeared before 30 bankers from all sections of the country here today and told them the farmer wants a loan in matters of rural credit. Peter Jansen spoke for the Nebraska farmer.

Wichita Sells Hoop.

Frans Hoop will again be seen in a uniform of a Coast league team. Pa Patterson, former Tiger, and now manager of the Wichita club in the Western league, has sold Hoop to Oakland.

Rev. C. B. Harmon Elected President Of Lutheran Synod

LINCOLN, Neb., Oct. 8.—(Special.)—At the forty-third annual convention of the Evangelical Lutheran synod of Nebraska, which convened yesterday morning in Grace Lutheran church, elected as officers of the synod for the coming year: President, Rev. C. B. Harmon, North Platte; secretary, Rev. J. H. Richard, Hardy; treasurer, Joseph H. Miller, M. D. Surprise; statistical secretary, Rev. G. W. Livers, Allen; historian, Rev. E. A. White, Wellbuck.

After the roll call and reception of delegates President Powell read his annual report. This report showed growth, both as to the number of pastors and congregations during the year. Two new churches, one at Hooper and one at Oakland, have made application for membership. Progress was also indicated by numerous reports of improvements to church property and increases in pastors' salaries. The synod suffered the loss of two faithful pastors during the year in the death of Dr. L. P. Ludden of Lincoln and Rev. F. E. Blessing of Wayne.

At the close of the president's report, the reports of the treasurer, J. H. Miller of Surprise, and the statistical secretary, Rev. G. W. Livers, of Allen, were read and adopted.

The synod was addressed by Dr. H. L. Yarger of Atchison, Kan., formerly president of the general synod, relative to the work of the new board provided for by the general synod at its meeting at Akron, O., last May. Hereafter the work of the two boards, the Board of Home Missions and the Board of Church Extension, will be done by the one newly organized board, although the two above named boards will still exist nominally.

Stella Will Have New Bank.

STELLA, Neb., Oct. 8.—(Special.)—Articles of incorporation were filed for a new bank at Stella this week. A meeting of the prospective stockholders will be held Saturday afternoon for the purpose of perfecting an organization. The bank will be capitalized at \$15,000. J. M. Wright of Auburn will be at the head of the new bank and the stockholders will be farmers in the vicinity of Stella.
