Quickest, Surest Cough Remedy is Home-Made

Readily Prepared in a Few Minutes. Cheap but Unequaled.

Some people are constantly annoyed from one year's end to the other with persistent bronchial cough, which is wholly unnecessary. Here is a home-made remedy that gets right at the cause and will make you wonder what became of it. Get 2 1/2 ounces Pinex (50 cents bottle) from any druggist, pour into a pint bottle and fill the bottle with plain granulated sugar syrup. Start taking it at once. Gradually but surely you will notice the phlegm thin out and then disappear altogether, thus ending a cough that you never thought would end. It also loosens the dry, hoarse or tight cough and heals the inflammation in a painful cough with remarkable rapidity. Ordinary coughs are conquered by it in 24 hours or less. Nothing better for bronchitis, winter coughs and bronchial asthma. This Pinex and Sugar Syrup mixture makes a full pint—enough to last a family a long time—at a cost of only 64 cents. Keeps perfectly and tastes pleasant. Easily prepared. Full directions with Pinex. Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in gualonic, and is famous the world over for its ease, certainty and promptness in overcoming bad coughs, chest and throat colds. Get the genuine. Ask your druggist for "24 ounces Pinex," and do not accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. BROWNELL HALL TO MOVE TO FAIRACRES

Omaha School for Girls is Given Site West of Omaha by C. C. and J. E. George.

TO ERECT \$200,000 BUILDING

Brownell Hall, the Episcopal school for women, which was established over a half century ago in Omaha, is to move to Fairacres.

The board of trustees of the institution at a special meeting Wednesday definitely decided upon this, and decided to start a campaign soon to raise the necessary \$200,000 to build and equip the new building on the site presented to them in Fairacres by C. C. and J. E. George.

The new site comprises ten acres of ground, with hard brick pavement connection with the heart of Omaha. Something over a year ago, George & Co. offered to give this site for Brownell Hall on condition that the school would raise \$200,000 for the building and equipment before July 1, 1916. The building according to the stipulation, must be completed and ready for occupancy by September, 1917.

Last Tuesday the trustees of the institution spent a good part of a half day on the ground inspecting it and talking over the proposition. The meeting of yesterday in the office of George & Co. was the result, and all the terms were accepted.

The Fairacres road, extending north and south through Fairacres, is now being paved with brick, making a hard paved road connecting the new school site with the heart of Omaha. The board of trustees of Brownell Hall is made up of the following personnel: Bishop Williams, president. Right Rev. J. A. Tancock, Rev. S. Mills Hayes, Abraham L. Reed, Hon. L. D. Richards, Arthur C. Smith, C. W. Lyman, C. T. Kountze, F. H. Davis, Judge W. A. Redick, Barton Millard, Ward M. Burgess, C. S. Montgomery, Clement Chase, W. H. Buchholz, John W. Towle, Charles C. George, Gordon W. Wattles.

To the Public. "I feel that I owe the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy a word of gratitude," writes Mrs. T. N. Withall, Gowanda, N. Y. "When I began taking this medicine I was in great pain and feeling terribly sick, due to an attack of summer complaint. After taking a dose of it I had not long to wait for relief as it benefited me almost immediately." Obtainable everywhere. All druggists. Advertisement.

IF YOU CAN'T PICK WINNERS CALL ON BURLY AND BILL

OMAHA MAY ESTABLISH A "DRESS-UP WEEK" HERE

There is an old saying to the effect that there is nothing new under the sun. However, it has been questioned, and now comes forth a local business concern to prove that it is untrue. The King-Peck company, dealers in polite clothing for men, have an idea which is entirely new. This concern is advocating "Dress-Up Week." The object of the "week" is to prevail upon men to dress better and with more neatness, and to impress upon them the importance of good clothes. It is the desire of the King-Peck company to make "Dress-Up Week" an annual affair, coming in October, and of equal importance with the fall openings, Thanksgiving, and Christmas.

Friday Your Lucky Day!! At KILPATRICK'S

There used to be considerable superstition connected with Friday, and it is particularly strange that there should be such feeling in this land of the free and home of the brave. Columbus set sail from Palos, Spain, on his voyage of discovery on a Friday; discovered land on a Friday; set sail on return voyage on a Friday; arrived on a Friday; discovered mainland on a Friday. Henry VIII gave Cabot commission through which North America was discovered on a Friday. Oldest town in America founded in Florida on a Friday. On that day the Pilgrim Fathers reached harbor on the Mayflower; same day they landed at Plymouth Rock. The Father of our country was born on Friday. Burgoyne surrendered; Cornwallis surrendered; Arnold's treason discovered on a Friday, and on that day Adams' motion was made declaring that "these United States are, and ought to be, independent." **AMERICA'S LUCKY DAY, YOU'LL SAY.** But that's all past history. This **FRIDAY, OCTOBER 16th**, in this year of grace, 1915, and the 21st of the Royal House of Quivera, you are going to have
