Unfavorable Foreign Developments Chiefly Responsible for Unset-

tled Conditions. LONDON LIQUIDATION BY

NEW YORK, Nov. 3.—Unfavorable foreign developments over the holiday were chiefly responsible for today's nervous and unsettled market. The frank utterances of the British premier, including virtual admission of the failure of the allies in the Dardanelles, and the continued success of the Teutonic forces in the Haikans, caused additional liquidation by London. The feeling of pessimism was beightened by Britain's further seizure of ships of American registry. Efforts to associate today's heavy trend with yesterday's elections were not sericusly taken. All the Issues connected with those returns were regarded by Wall street as having little if any relations to, or bearing upon national afonts.
