Requisition Papers for Hauser's Return Received in Omaha

Chief of Detectives Steve Maloney has received requisition papers from Governor Morehead for the return from Wichita of Arthur Hauser, charged with the murder of W. H. Smith. The papers were decorated with an orange ribbon, which fact did not entirely please the artistic Celtic eye of the chief. Nevertheless he was glad to get the papers. He is undecided as to his next move, as no additional reward money has been forthcoming. A motion to raise the reward of \$200 offered by the city for the murderer of W. H. Smith to \$500 was overlooked by the council. Sovereign Clerk John T. Yates of the Woodmen of the World was present to consult with the commissioners, but the subject was not mentioned during the session. Maloney will not leave for Topeka until the reward question is settled.

Mr. Rose is an expert who makes a first hand study of industrial conditions by interviewing individual manufacturers all over the United States. He is thus a sort of diagnostician of the ills of business. At the same luncheon James T. Wachob of Omaha is to speak on "Industrial Conditions During and After the War."

The Yankton men met John L. McCague, president of the Commercial club; J. A. Sunderland, chairman of the executive committee, and George H. Kelly, who was chairman of a committee of Omaha businessmen that some months ago attended a booster meeting in Yankton to boost for the bridge bonds on account of the possibilities such a bridge would bring to Omaha in direct trade communication with the northwest. President McCague and Executive Chairman Sunderland said nothing would as yet be said about this conference.

Just One Application and the Hairs Vanish

(Toilet Talk.) Any woman can keep her skin free from unsightly hair or fuzz if she will follow these simple instructions: When hairy growths appear, apply a simple paste, made by mixing some water with powdered delatone. Apply this to hairy surface and after 2 or 3 minutes rub off. Wash the skin and the hairs are gone. This is a harmless treatment, but be sure you get the real delatone.—Advertisement.

CONTEMPT CHARGES AGAINST UNIONISTS

Movie Operators Cited to Explain Alleged Violations of Court's Peaceful Picketing Order.

PRINCESS THEATER COMPLAINS

Members of the local union of movie machine operators have been cited into district court by Judge W. A. Redick to answer at 9:30 o'clock this morning charges of contempt of court by violation of the court's "peaceful picketing order" in the Princess theater case. "Pickets" named in affidavits "Boob," "Bad Eye," "Pipe," "Howard," "Curly," "Fish," "Gregory," "Shorty," are among the men cited to appear in court. The others are the defendants in the injunction suit brought by the Princess theater in which it sought to restrain picketing of its place of business during a dispute concerning employment of non-union operators. These defendants are: Wallace Denny, August Herman, Ed Miller, Paul Blackwood, Carl Crumroy, Robert Brower, Jimmie Baird, Ora Farnsworth, Lou Kenney, Frank Lewis, Emma Crumm, — Craig, — Daly, — Maxwell, and — Rudge. Affidavits, signed by Hazel Kahler and Grace Hayden, cashiers at the theater, and filed in behalf of the management, relate instances of alleged violations of the "peaceful picketing order."

"Bad Eye" Smokes Cigarettes. "About 9:30 p. m. 'Bad Eye' started walking with Lou Kenney and yelling, and was also smoking cigarettes and blowing smoke in women's faces," according to the affidavits. "Boob," "Pipe," "Curly," "Fish" and "Shorty" and other defendants cited into court, used language, it is alleged, and performed acts which exceeded the "permission of the patron's will," which was held legal by Judge Redick. Acts or language which has the effect of coercion or intimidation were forbidden by the restraining order.

Grain Prices Rise on Light Receipts

With light receipts, the Omaha grain market was strong, wheat being up one cent and corn one-fourth to one cent. Wheat receipts for the day were forty cars; corn, seventeen cars, and oats, fifteen cars. There was one load of new corn and it sold at 40 cents per bushel. The quality was good, but it contained a little too much moisture to grade up with the crop of last year. Omaha prices of wheat were 90 to 91 cents per bushel; corn, 61 to 62 cents, and oats, 34 to 35 cents per bushel.

The project consists of a twelve-foot sewer from Forty-eighth and Leavenworth to Fifty-fourth and Lincoln avenue.

ABOUT 300,000 BABIES DIE BEFORE ONE YEAR

The Census Bureau estimates that 300,000 babies died in this country last year before the age of one year, and it is stated that one-half of these deaths were needless if all mothers were strong and infants were breast-fed. Expectant mothers should strive to increase their strength with the strength-building fats in Scott's Emulsion which improves the blood, suppresses nervousness, aids the quality of milk, and feeds the very life cells. Physicians prescribe Scott's Emulsion; it is doubly important during nursing. No alcohol. Every drug store has it. Insist on Scott's—the white-food medicine. No advanced prices. This was decided upon at the first conference of the league, which, after effecting permanent organization, adopted resolutions urging President Wilson and other government officers to support adequate national defense legislation and calling for the annual observance of a "national defense day" on the opening day of congress with meetings and rallies throughout the country under the organization's auspices. Parents Should Know this Splendid Remedy. Simple Laxative Compound Helps to Correct Constipation in Children. With all children there are times when the bowels fail to act naturally and it becomes necessary for the parents to administer a remedy. Cathartics and purgatives should never be used as these agents afford only temporary relief while their violent action shocks the system unduly. Mrs. Eva F. Gaff, of 10th St., Washington, D. C., says that her little girl, Marie, had been subject to constipation, and that she found Dr. Caldwell's Syrup Pepsin the best remedy because of its mildness, and now always keeps a bottle of it in the house. Dr. Caldwell's Syrup Pepsin is a compound of simple laxative herbs, free from opiates or narcotic drugs of any kind, and is an ideal remedy for children because of its mild action and positive effect. It is important that parents should know of a dependable remedy with no unpleasant after effects, griping or strain.

MARIE GAFF. Dr. Caldwell's Syrup Pepsin costs only fifty cents a bottle and can be procured at any drug store. To obtain a trial bottle, free of charge, write to Dr. W. B. Caldwell, 64 Washington St., Monticello, Ill.

Why Not Say "Good-bye, Sir?" THE telephone "Hello" has fallen into disfavor because it is not only useless and meaningless, but is a rather ungraceful and rude little word. It is fast becoming obsolete. The telephone "Good-bye," however, is well worth preserving, even in these days of economy and efficiency. It gives that personal, friendly touch to business or social conversation which makes for better relations. The cheery "Good-bye" over the telephone is just as potent as the cordial "Good-morning" with which you greet a friend on the street. Over the telephone it averts the feeling one sometimes has of being cut off abruptly. Say "Good-bye" over the telephone as if it were really a part of your conversation and not merely a regrettable habit of speech. Remember—"The Voice With the Smile Wins." NEBRASKA TELEPHONE COMPANY
