## A PROMISE MADE GOOD

☐ One year ago today we promised the people of Omaha that during 1915 we would give them the best cleaning and dyeing service they had ever received.

☐ At that time we were making promises, but today we can point to achievement and the fact that we "Made Good" our promise.

☐ During the past year we have developed our plant in all its departments to the highest in equipment and efficiency. Today we ARE giving Omaha THE BEST SERVICE possible with modern methods.

☐ Our Equipment is superb and includes a wonderful carpet cleaning system. We have everything necessary to do the work right.

☐ Our cleaners and finishers are the best in the city. We have been established eighteen years so why shouldn't we do the finest work?

☐ Along with high class work in our plant we include SERVICE. With an exceptional plant inside, we have "Auto" delivery outside that calls for your work and delivers it quickly and in the best condition.

☐ We owe our success to the people of Omaha and vicinity and to them we extend
