PREMONT, Neb., Feb. 17.—(Special.)-Joseph Roberts, the well known farmer dent of the State Board of Agriculture, thinks he has made something of a record for profitable bog raising. He purchased two sows at the state fair in 1914 that he had cleared \$555 on the deal.

Charley Peters Hurls a Defi to One Joe Rogers

Charley Peters anw the Joe Stecher foe Rogers wrestling match at Council Bluffs Tuesday night. Charley looked Mr. Rogers over carefully and decided Mr. Rogers would make good breakfast money for Mr. Peters.

So Charley stepped up to Rogers and challenged him to battle, "I can throw you," Peters quoth to the

husky, "You don't look had to me." After he had personally issued the The schedule calls for 154 challenge Peters informed his manager of his act and his manager has posted games. The season will open April 20, of his act and his manager has posted with Sioux City at Lincoln, Omaha at the sum of \$100 with the sporting editor.

Efforts are now being made to hold the contest at the Omaha Auditorium on February 28. Rogers and his manager, Emil Klank, are still in Omaha and Peters is trying to chase them down.

PHIL BALL SPENDS WAD AS FED ANGEL

Says Venture Cost Him \$182,000.

AMERICAN DATES ARRANGED

NEW YORK, Feb. 17 .- At the annual schedule meeting of the American league held here today, President B. B. Johnson represented the new owners of the Cleve-land club. After the playing dates for the coming season had been adopted, the league executive stated he would an-

periances as a club owner in the Federal league. He said that his first year in that venture cost him \$85,000, and during the second year he lost about \$94.000. The delegates requested President Johnson to ask the National commission

Rank Foolishness,

You occasionally see it stated that colds do not result from cold weather. That is rank foolishness. Were it true colds would be as prevalent in midsummer as in midwinter. The microbe that causes colds flourishes in damp, cold weather. To get rid of a cold take Chamberiain's Cough Remedy. It is effectual and is highly recommended by people who have used it for many years as occasion required, and know its real value.

Paper Mills Work to Capacity, but Are Not Making Money

NEW YORK, Feb. 17.-Paper mills in the United States are operating to capacity and many of them are turning away orders, but the increase in the price of raw materials and the high price of has reduced the profits of the HAIR-GROWS OR NO PAY American Paper and Pulp association attending the annual convention here. Frank L. Moore, president of the association, said the high price of paper did not indicate that the manufacturers were making money. He added that the increase in the selling price would vary

able to wait until that time. Full particu- ials for it into England after March 1, lars will be sent Omaha papers in regard except under a board of trade 'license, would not affect the American manufacoutside hunters that may wish to partici- turers. He said that he believed England made this order in reprirat against | 510 Barclay Block, Denver, Colo.

the action of Sweden in cutting off exports of wood pulp. "It will probably means that just so

such less will move from Sweden to England and therefore will increase our trade," said Mr. Hastings, "English fealers want all they can get here. We annot supply all they want. The country is facing the greatest general paper famine in its history. The stocks in the hands of our jobbers are very low, our mports are virtually cut off and our exports are greater tha never, I can see no relief in wight.

When your hair fails out, there is lack of nature's nourishment, which comes from the blood. The Modern Vacuum Cap draws the blood to the hair roots and gives it REDNEWED LIFE. This is forced circulation, which distants the small blood ressels removing all the clogged and singgish blood from around the hair roots and supplies fresh new blood. The hair takes an new life. Blakes your hair have a healthy glow. Stope it from falling out and renews the life in the dormans hair folloles so that they again grow a healthy bead of hair.
