There are places in Indiana where vast stretches of the highway are paved with concrete laid forty years ago and still in excellent condition. These places will be pointed out on the map, and probably referred to by J. B. Macculum of Kansas City, who is to speak on 'Paving the Lincoln Highway.'

The Midwest Cement show is to open in the Auditorium Tuesday. The convention of the association starts a day later. Over 100 cement and concrete companies, machinery companies and cement mills will exhibit their products at the show.

Addresses on the cost of producing cement and concrete work, on permanent farm building construction in concrete, on the fireproof feature of concrete construction and its consequent effect on insurance rates, on concrete culverts and bridges on roads and highways, and in fact every subject related to the use of cement and concrete are to be heard during the convention.

G. F. Lillie, Fremont, is president of the association and Frank Whipperman, Omaha, secretary.

Mr. Lillie was last week elected president of the American Concrete Pipe association at the Cement show and convention in Chicago.

Police Say Woman Carries Morphine In Cold Cream Box

A man and woman giving their names as Claud Stoley and Bertha Stoley, said to be husband and wife, were arrested by Detectives Murphy and Rooney late last night on the charge of violating the Harrison drug law.

The pair were arrested as they were about to cross the Douglas street bridge into Council Bluffs. The detectives say a quantity of morphine was found on the woman. She carried the stuff, according to the officers, in a cold cream box with cream over and under it.

The Stoleys are said to be from Lincoln and are believed by the local police, the latter assert, to be members of an alleged 'dope' gang working out of Kansas City.

SCHOOLS AND COLLEGES

Nebraska Wesleyan University.
Miss Emma Witholmson, assistant professor of education, was called to her home at St. Paul, Neb., by the illness and death of her mother.

EXTREME WEAKNESS AND SUFFERING

Read How Mrs. Goodling got Relief and Strength.

York, Pa.—'I have used Lydia E. Pinkham's Vegetable Compound and found it to be all you say it is. I was so sick that I could not stand at my sink to wash dishes and I could not sit without a pillow under me. I had the doctor every few days but since I have taken the Compound I don't have to send for him. I have had three children and could not raise any of them, but since I have taken the Compound I have a bright baby boy. I advise every suffering woman to try it and get relief. It has done wonders for me.'—Mrs. CATHERINE GOODLING, 138 E. King Street, York, Pa.

When a medicine has been successful in bringing health to so many, no woman has a right to say without trying it, 'I do not believe it will help me.' There must be more than a hundred thousand women in this country who, like Mrs. Goodling, have proven what wonders Lydia E. Pinkham's Vegetable Compound can do for weak and ailing women. Try it and see for yourself.

If there are any complications you don't understand, write Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

Today And A Generation Hence
The flight of time makes us think of the future. The baby today reflects what greatness may be acquired when he grows up. And any influence that brings relief to the expectant mother is the first and greatest of obligations.
