## ARMOURS SHUT OUT BY THE ROURKES

Packing House Men Play Good Ball, but They Are Unable to Do a Thing with Omaha Players.

### FORSYTHE PLAYS STAR PART

The Pa Rourke's team defeated Armour Packers yesterday afternoon at Burke park. Forsythe's batting turned the trick, he getting a single, two-bagger, home run and sacrifice hit in four trips to the plate. The others could do little with Sullivan, except Claire, who drove in one run with a single.

Brown and Sullivan both pitched good ball and their support was perfect. Sullivan's work was particularly brilliant as in pinches he was almost unhittable, ten of the Omahas being left on bases. He was backed up in good style by "Her-man the Great" Yost, who did not allow a stolen base.

The Armours played a scrappy game all the way, but the odds were against them. Lehner made a great catch off Miller's bat in the first, preventing a score. Rupp, Graves, Corcoran and McGrath played great ball.

The Omahas played a snappy game. Smith's two assists from left field and Claire's play at third being very noticeable. The sacrifice hitting of Omaha was good, they getting five.

The Omahas scored one run in the third on Smith's two bagger and Forsythe's single; another in the sixth on Sculler's base on balls, Kilfisky's sacrifice and Claire's single. Their last run was scored by Forsythe on his home run drive over right field fence.

Armours Try Hard to Score.

The Armours made desperate attempts to score, but were unlucky in their hitting, no less than five drives being caught in the outfield. There one chance to score was lost to them in the fifth, when Graves, who opened the inning with a two-bagger, was caught at third by Smith's return of McGrath's single, which he took on the bound and threw sharply to Claire. Again in the seventh Graves, who had singled, attempted to stretch it into a double and Smith again threw him out, this time at second base.

The Armours are elated over their good showing, as they have had no practice this season, owing to their new park not having been completed until last Sunday.
