Nobody sleeps on the ground at the Farm Tractor show at Fremont. August 7 to 11, of this year, even though the crowd should be 150,000, as Manager A. E. Hildebrand believes it will.

"The plan is to lease some fields of late corn at Fremont, so that these tractors may demonstrate the work of cultivating and laving by corn during the show. They are wonderful little machines and cost between \$150 and \$300 each, just about the cost of a team of horses.
