

### LODGE ROOM NEWS OF GREATER OMAHA

**Two New Camps, Paderewski and Thomas, Are Organized by Woodmen of World.**

#### ENTERTAIN PAST MASTERS

Schiller camp No. 304 of the Woodmen of the World, through its officers, has called a meeting for Thursday evening at the German Home, 4464 South Thirteenth street. The club features of this famous home have given the membership of this camp a substantial boost.

German-American camp No. 104 will meet Tuesday evening at Woodmen of the World hall, Thirteenth and Dorcas streets.

The great Polish mission has been honored by the designation of Paderewski camp No. 522. Stanley Ulancki, who organized this camp, has promised a large membership before January 1, 1917. Its place of meeting is Twenty-seventh and L streets, South Side, and its first meeting is scheduled for Tuesday evening.

Thomas camp No. 523 is the name and number of a new camp just organized by Deputy J. E. Rounds, in a small settlement east of the village of Benson. It starts with a large membership and promises to be one of the live, active and progressive camps in the city. Its plan is to arrange for meetings of the residents of the neighborhood to discuss public questions, together with other lines of entertainment. It will meet on Tuesday evening, October 3, at Lyck's hall for initiation.

Columbus camp No. 69 will meet today at the Prague hotel, Thirteenth and William streets, for business session and conferring degrees.

Robin Hood camp No. 30 will hold its regular meeting for the month on Monday evening, October 2, at Woodmen of the World hall, Florence.

Hungarian Peto camp No. 473 is showing some signs of activity. Anton Adler, the clerk, with that old veteran Woodman, Joe Wolf, has taken the contract of reviving it.

Omaha Seymour camp No. 16 will celebrate its twenty-fifth anniversary on Tuesday evening, October 17, by initiating a large class of candidates.

#### A. O. U. W.

Omaha lodge No. 18, Ancient Order of United Workmen, entertained the former past master workman last Tuesday evening. Invitations had been sent to all members who have journeyed through the chairs to be present. A large number of past master workmen were in attendance, and about a half dozen of them made very interesting remarks, relating their early experiences in the order, some of them being active members thirty and forty years ago. At the close of lodge the entertainment committee announced an oyster stew in waiting. On Tuesday evening, October 17, there will be a joint meeting of all the Omaha lodges with No. 18.

#### Clan Gordon.

The ladies auxiliary to Clan Gordon No. 63 will meet at the home of Mrs. W. R. Adams, 3305 Burt street, Wednesday.

#### Miscellaneous Echoes.

The Loyal Mystic Legion of America, council No. 253, will give a card party and dance October 13, at the Ancient Order of United Workmen hall, Fourteenth and Dodge. Prizes and refreshments.

#### Loyal Order of Moose.

The regular meeting of Loyal Order of Moose, at their hall in the Labor temple, Wednesday evening, was the most interesting and enthusiastic meeting for some time past. National Director Malcolm Burns was present and outlined in detail his campaign for the upbuilding of Omaha lodge No. 90 in particular.

After the business of the evening was concluded and the lodge duly closed the members retired to the banquet hall where a bounteous repast was served.

On account of the electrical parade there will be no meeting Wednesday evening.

#### Sons of Veterans.

General Charles F. Manderson camp, No. 1, Sons of Veterans, will hold its regular meeting Thursday, September 28, 8 p. m. All members are urged to be present.

### Flexibility Now Demand of Buyer

"Motor flexibility is coming to greater prominence each year. There is a growing demand on the part of buyers for greater range of ability on high gear. In talking with salesmen I find that the question, 'How slow will the car run on high,' is getting as much attention as 'Will it climb this hill on high.'" says Don T. Hastings, consulting engineer of the Empire Automobile company. "There are plenty of good reasons for such requests from prospective buyers. In recent years the amount of traffic on streets in large cities has grown so enormously that the driver is forced to slow down almost continuously."

To ascertain the ability of the Empire Six in this regard we have made some tests that have brought really remarkable results. Taking cars off the assembly floor, new and stiff as they were and unlimbered except by road test, we have found that each has throttled down to less than four miles an hour, while, with cars that were thoroughly worked in we have gotten down to one mile and one-half an hour and in some instances have made the speedometer come down to the mile mark. No matter how slowly we trailed the car picked up smoothly and quickly to the maximum speed."

Endorsements in Cuming. West Point, Neb., Sept. 29.—(Special.)—The democratic county committee met this week and endorsed the nomination of Henry Schwinck as county treasurer. The name of Mr. Schwinck was written in on the primary ballots. The candidacy of Miss Emma R. Miller, the present incumbent and republican candidate for county superintendent, was endorsed by the committee.

### Must Marry Man With Less Than \$3,000 Income to Inherit Estate

Hilda Hammer, daughter of the late George L. Hammer of Omaha, must marry a man whose income is less than \$3,000 a year if she is to share in the cash estate of her father, according to the will of George L. Hammer, which has just been admitted to probate.

There are two daughters, both in Omaha. Hilda is unmarried. The other is Mrs. Ruth Pritchett.

The will provides for a cash bequest of \$10,000 for each of these two daughters, and provides that the remainder of the estate shall be divided equally between the two.

Hilda is given three years in which to marry, for the will provides that her \$10,000 shall be held in trust for three years, she to get the interest.

Then it provides that if she marries a man whose cash income amounts to more than \$1,000 annually she is never to get the \$10,000 at all, but it is to revert to the married daughter.

### Paige Car Climbs Side of Mountain

The Murphy-O'Brien Auto company has arranged a very attractive window display to catch the eye of Ak-Sar-Ben visitors.

The window is a representation of a recent achievement of a Paige car which climbed more or less comment in automobile circles.

On July 6 a Paige Fairfield stock car climbed six miles up the rugged side of Mount Hood near Portland, Ore. The highest point reached was three-quarters of a mile above the timber line.

### Campaign Manager Is Sued for Libel

Helena, Mont., Sept. 30.—Suit was filed here today against O. M. Harvey of Livingston, chairman of the republican state central committee, for \$300,000 damages by the Western Accident and Indemnity company because of publication in the Livingston Enterprise of alleged libelous campaign matter referring to indemnity bonds issued to state officials.

Jerome Locke, editor and publisher of the Enterprise, and the Enterprise Publishing company also are made defendants.

### Special Lighting For Ak-Sar-Ben Will Attract Attention

The lighting committee of the Knights of Ak-Sar-Ben, with the aid and co-operation of I. B. Zimman and George Keehler of the Omaha Electric Light and Power company, and City Electrician Curran, have put through the most comprehensive street lighting arrangement ever handled for an Ak-Sar-Ben season.

The city of light, which is now offered for the delectation of the thousands, comprises nearly 25,000 lamps, nearly half of which are within the public grounds.

In the suspension of the strings of lights and pictures of the governors of Nebraska 100,000 feet of rope were used. These men used 100,000 feet of wire, 1,000 pulleys, 600 pounds of tape, 2,000 feet of lead cable and other apparatus. There were 22,000 pounds of copper wire placed along the streets. The illuminated pictures of the governors weight 100 pounds each and it required considerable work to place them properly in positions. There are nineteen of these pictures. An illuminated picture of President Wilson will be placed on Farnam street, in front of the democratic headquarters.

The cost of this special street lighting will be \$5,000.

### Harley-Davidson Painted in Military Olive Drab Color

Military influence is seen in the 1917 model Harley-Davidson motorcycle, the first of which has arrived in Omaha and is now being demonstrated by Victor H. Roos, the local dealer.

For fifteen years the Harley-Davidson has been known as the silent gray fellow, but this year the machine appears in military olive drab like the machines doing service in Mexico. The change in color resulted from the large number of Harley-Davidsons sold to the United States government and to the armies of other countries. Military olive drab was specified in each instance because of the difficulty of that color being seen at a distance by the enemy.

Army demands for increased speed and power have also influenced the 1917 models.

The 1917 models are fitted with double brakes, the new brake being of the external contracting type, operating on the same brake drum as the internal expanding brake. The step-starter is provided with a larger pedal that folds neatly out of the way after the motor is started, the front drive chain is practically enclosed, the electric light model has a quick detachable battery box and all models are fitted with a front stand, which has been considerably improved.

### Pathfinder Official Pays a Visit to Omaha

W. E. Stalnaker, vice president and general manager of the Pathfinder Motor company, Indianapolis, Ind., spent three days with the Toozler-Gerspacher Motor company, western distributors of Pathfinder Twin Six motor cars. Mr. Stalnaker stated that the growth of Omaha seemed wonderful to him and he feels he will receive a record volume of business on Pathfinder Twin Six motor cars in this territory.

## The Proof Is In the Use

Thousands have willingly told of the benefits they have derived from the use of Peruna. Its helpfulness has been marked in many varieties of ailments. You may be helped as these people have been:

Mr. George Atkinson, 222 E. Eighth Ave., Topeka, Kan., writes: "I am pleased to recommend Peruna, as it was beneficial in restoring my health when I was run down from over work and nervous worry and was unable to take up my regular work."

Mrs. E. M. Harris, R. R. 2, Ashland, Wis., writes: "After following your advice and using Peruna, my health, I was cured of catarrh of the nose, throat and stomach, from which I had suffered for several years."

Miss Helen Leonard, 426 Water St., Omaha, Wis., writes: "Three years ago my system was in a terrible run-down condition and I was broken up all over my body by one my regular habit of health and strength to Peruna. I am glad to endorse it."

Miss Ivy Gray, Fairview, Kentucky, writes: "I have taken Peruna and would say that it is the best medicine for coughs and colds I ever used."

Mr. St. Van Buren, engineer, Grand Rapids and Indiana railway, 928 E. Division St., Grand Rapids, Mich., writes: "Peruna has positively done for me what many doctors failed to do. I consider myself entirely free from catarrh of the stomach, the trouble from which I suffered for so long before taking this remedy."

Mrs. A. J. Nettow, 31th Ave. and Central, N. E., Minneapolis, Minn., writes: "I have had catarrh of the lungs in the worst way, and went to different doctors, but without success. I gave Peruna a trial, took fifteen bottles and am entirely cured. Before I started to take Peruna, I weighed 95 pounds, now I weigh 125."

Mrs. E. Malmgren, of 123 Frederick St., West Manchester, N. H., writes: "For seven years I was troubled with catarrh in my throat and nose. Peruna greatly benefited me. I know it in the house for use in cases of colds, coughs or other catarrhal troubles."

Mrs. Charles Atkinson, Pine City, Minn., writes: "I have had catarrh of the throat and have been using different kinds of medicine, which did me no good. A friend advised me to take Peruna, and after taking two bottles I was cured."

Mrs. Pauline Winters Hansen, R. R. 3, Alta Ave., Napa, Cal., writes: "I was troubled for five years with eczema of the hands and a severe internal trouble, combined with nervousness. Four bottles of Peruna cured both my troubles entirely, so that no trace of them is left."

Stories like these from reputable people the country over might be told in quantity to fill this newspaper. It's evidence like this that

### Proves Peruna's Value

You needn't hesitate to try Peruna yourself for any catarrhal trouble, no matter how it manifests itself. No medicine can ever be guaranteed to cure, of course, but the evidence of what Peruna has done for others is the best guarantee of what it will do for you.

Peruna in liquid or tablet form can be had of all druggists.

Manalin—the ideal laxative and liver tonic—in either liquid or candy tablets, is a wonderful help to constipated people, working pleasantly, effectively and safely, without forming a habit. Try a 10 cent box.
