

Nebraska KENNEDY WILL GO TO THIRD DISTRICT Republican Candidate for Senator Has Successful Meetings in West. WILL JOIN W. P. WARNER

Fremont, Neb., Oct. 17.—(Special.)—John L. Kennedy, republican candidate for United States senator, arrived in Fremont this morning from Superior and Harvard, where he addressed large crowds yesterday. He was met here by E. R. Gurney and W. P. Warner, republican candidate for congress from the Third district. Mr. Kennedy and Mr. Warner will spend a week in the Third district campaigning together.

Mr. Kennedy joined the Hughes party at Lincoln yesterday and accompanied Mr. Hughes as far as Harvard, where a special stop was made to allow him to alight. At Harvard Mr. Kennedy was met by Silas R. Barton, republican candidate for congress from the Fifth district; Harry Thomas of Harvard and Cliff Broughton of Grand Island, who conducted him by automobile to Superior, where he and Mr. Barton addressed a street meeting of 500 voters. At Nelson Robert Greenwood, county chairman, and a crowd of county candidates and voters riding in sixteen automobiles gaily decorated with flags and bunting joined in, and, headed by a brass band, led the way to Superior. Much enthusiasm was manifested all along the line and the effect of the presence in Nebraska of Charles E. Hughes was plainly felt in this part of the state.

From Superior the campaign party went to Harvard, where Mr. Kennedy was one of the speakers at the political revival being held there. C. J. Smyth of Omaha, democratic appointee to federal office, also spoke. Senator Hitchcock was scheduled to speak at this meeting, but he did not show up. Mr. Smyth spoke for him. It is remarkable that Senator Hitchcock has avoided all dates for speeches where he and Mr. Kennedy would be on the same program. The meeting at Harvard was held in the canvas tabernacle and was attended by about 500 voters.

Mr. Kennedy spoke today with Mr. Warner at Scribner, West Point, Oakland, Lyons and Bancroft and a night meeting was held at Pender.

Only Short Stop Made at Harvard

Harvard, Neb., Oct. 17.—(Special.)—The first day of Harvard's bipartisan political revival opened with bright skies and cool breezes, following showers. The Hughes' special, enroute to Hastings, was scheduled to make a short stop here at 9:30. It was so short that the large crowd at the depot barely had opportunity to see the candidate. It was not originally arranged that he should speak, but merely appear on the platform that he might be seen; but the train had passed the larger portion of the crowd before he got out. The school children, upwards of 300 strong, with their flags, marched to the depot and were given the prominent place on the platform. They made a pretty and inspiring sight. People came from a long distance to see, and, if possible, to hear the candidate. Hearty cheers were given the candidate as he made his appearance, to which he responded by raising his hat and waving his hand.

Arrangements for the revival are all completed and the "wets" and "drys" had the first inning this afternoon. J. L. Kennedy, candidate for United States senator, and S. R. Barton for representative in the Fifth district, will speak this evening.

EVERY FOOT ACHE HITS BRAIN A SEVERE JOLT

The nerves of the human body are so closely interrelated that a shock to any part of the body is echoed in the brain. This is particularly true, as every footache, pang of pain or discomfort shocks the whole nervous system and jolts the brain like a blow. That is why foot sufferers are so often unable to do themselves justice and why so many employers will not accept applicants for a place who is a foot sufferer. Foot troubles, however, are easily banished. A 25-cent package of Wa-Ne-Ta will relieve foot troubles and bring relief almost instantly. Two or three tablets dropped in a pan of hot water will furnish a foot bath that will wash away the pain andaches of tired, sweaty, burning, sore and tender feet. Excellent when used for general bathing, leaving skin soft and sanitary. If your druggist hasn't Wa-Ne-Ta, send us 10 cents and we will gladly mail you a sample package. L. C. Rankin Is Pleasing To Men in the Shops

(From a Staff Correspondent.)
Lincoln, Oct. 17.—(Special.)—"The best speech on the tariff I have heard this year," was the opinion given by a man who heard A. C. Rankin, the iron molder orator, who spoke to the railroad shophmen at Havelock last night. The meeting was a success in every particular and it is said that no man on the stump this year has the faculty of presenting the tariff subject so it can be readily understood as does Mr. Rankin.

—that PROTECTS your Car
The reliability and operating efficiency of Studebaker cars is so well established that, in the eyes of many, the maintenance of the DEFINITE Studebaker Service System seems unnecessary.
But it must be remembered that Studebaker's interest in its products does not end with its sale. As a matter of fact Studebaker considers that its real responsibility only begins at that point, and has therefore organized the famous Studebaker DEFINITE Service to the end that every owner shall get 100% operating efficiency and pleasure from his car.
More than likely, the tightening of a nut here, and a little oil there will be all that is necessary when the car is brought in for its regular inspection; but it is the regularity of the attention it gets—that double barreled PROTECTION this DEFINITE Service insures that is enabling the Studebaker car to show a much higher rate of operating efficiency than that found in the majority of cars in its class.
We'd be glad to have you come in and let us tell you more of the details concerning Studebaker DEFINITE Service.
