

Nebraska LANGHORST GETS NOTHING FOR TOIL

Democratic State Chairman
About to Suffer for His
Dry Proclivities.

GOES TO SEE GOVERNOR

(From a Staff Correspondent.)
Lincoln, Dec. 13.—(Special.)—The
sting of ingratitude which has at
times been in evidence after political
campaigns, appears to have struck the
democratic party and worst of all it
has come just when everybody should
be happy with Christmas cheer.

Chairman Louie Langhorst has
been stung, according to his friends,
who are saying things about Gov-
ernor-elect Neville.
When it was known that Clarence
E. Harman would not be a candidate
for reappointment as food commis-
sioner, all eyes were turned in the
direction of Chairman Langhorst of the
democratic state committee. But
now all is changed. Mr. Langhorst
visited the state house today and was
closeted with Governor Morehead for
more than an hour. Neither one
would admit that the visit had any-
thing to do with the appointment of
a food commissioner. After Mr. Lang-
horst had left the state house he was
approached on the matter of the ap-
pointment, but said there was nothing
to say at this time.

Still for Prohibition.
"I will still be found fighting in the
trenches," said the chairman, "and for
the enactment of a legislative law
which will make Nebraska strictly
prohibition."

This has led some to believe there is
a difference of opinion between the
new governor and the democratic
chairman over carrying of the pro-
hibition amendment.

Mr. Langhorst was very emphatic
in saying:

"I have nothing to say now, but I
will have a little later on, but I am
still for the prohibition amendment."
It was pretty well known at the
time of the selection of Mr. Langhorst
as chairman of the state committee
that it was done to appease the
Bryan element in the democratic
party and to give a prohibition hue
to the democratic state committee,
although the real leaders of the party
were strongly against the dry propo-
sition. Now there is no more use
for Mr. Langhorst and he can go back
to his little store at Elmwood and sell
eggs, calves and New Orleans
molasses, while another who has been
on the state pay roll for some time
steps into the fattest job in the gift
of the new governor.

It is said that Otto Murschell of
Ord, who has been an inspector in the
office of the state fire commissioner,
is to receive the appointment.

Indian Frozen to Death Near Rulo

Falls City, Neb., Dec. 13.—(Special.)—
Charles Roubideau, a quarter-
blood Indian of the Sac and Fox
tribe, was found frozen to death on
the roadside three miles south of
Rulo by the rural mail carrier,
Coroner G. W. Rencor held an in-
quest. It developed from the testi-
mony that Roubideau, who was 76
years old, was last seen in Rulo Fri-
day night. The body was found in
the weeds near the road and the sur-
roundings indicated that he had got-
ten up and fallen several times. An
empty whisky flask was found near
the body. Roubideau owned a farm
on the reservation and had a wife and
family.

port the amount of property taxable

tions is \$76,587.22, the tax on the

Adams County Jail Full of Men Sent Up for Drinking

Hastings, Neb., Dec. 13.—(Special
Telegram.)—Both nominal and mod-
erate fines having failed to produce
reform, Police Judge Karl Beghtol
has adopted the policy of imposing
unusually severe fines for drunken-
ness. On this charge within a few
days he has fined eight men \$30 and
costs each and remanded them to the
county jail.

This week he fined two others
\$100 and costs on a like charge and
today assessed a charge of \$30 and
costs against a man who was fined
\$10 yesterday and repeated the of-
fense.

The county jail is full nearly to
capacity with these prisoners, and,
hearing that they were not dis-
pleased with their treatment there,
Judge Beghtol has decided hereafter
to commit the men to the publicly
condemned city jail.

It takes fifty-eight days to serve
out a \$100 fine and if such fines and
commitments continue Hastings will
soon need a few more jails.

COUNTY OFFICERS WANT GOOD ROADS

Inter-County System Favored
by Commissioners in Ses-
sion at Alliance.

TAXATION IS BIG SUBJECT

Alliance, Neb., Dec. 13.—(Special
Telegram.)—The morning session of
the State Association of Commis-
sioners, Clerks and Supervisors was
taken up with discussion of proposed
legislation which would benefit county
roads throughout the state. Resolu-
tions were adopted calling for such
legislation as would amend the pres-
ent law by giving the Board of Irriga-
tion and Drainage and county com-
missioners authority to lay out and
superintend the construction and
maintenance of an intercounty road
system.

A system of county highways to be
constructed and maintained by the
county board, a fund for which would
be authorized by a semi-annual elec-
tion, was favored.

At the afternoon session the com-
missioners discussed the dragging of
the roads, establishment and main-
taining of county poor farms and the
real estate assessment.

In reference to the latter subject,
President Kennedy in his closing talk
to the delegates said that the great
problem facing the people of Ne-
braska today was that of taxation and
it was the duty of the county com-
missioners through their organization
to keep in close touch with this prob-
lem that they might be able to handle
it as it should be handled and to the
best satisfaction of the taxpayers. He
urged them to keep up their interest
in the conventions.

After adjournment this evening the
delegates were taken on a sightseeing
trip through the different enterprises
in town, including the Newberry hard-
ware establishment, the largest in the
west. At the morning session tomor-
row officers will be elected and the
place of meeting for the next conven-
tion will be selected. Tonight the de-
legates had a barbecue and athletic
exhibition by the volunteer firemen and
a dance.
