WHITE AND YELLOW CORN VIE FOR FAVOR

National Organization Urges More of White Cereal Be Raised in West.

SOUND WORD OF CAUTION

(From a Staff Correspondent.)  
Lincoln, May 1.—(Special.)—Secretary Danielson of the State Board of Agriculture received a message today from Harry L. Hawkell, secretary of the National Association of White Corn Millers, in which he urges that more attention be given to the raising of white corn this year, contending that the demand will be great for flour grists and hominy to help out the known wheat shortage and therefore white corn will demand a better price than the yellow variety.

Secretary Danielson, while of the opinion that it might be well to plant more white corn to take the place of the acreage of wheat that had to be plowed up, insists the farmers should not forget that the cattle of the country will have to be fed and fattened and that the meat problem of the future is of as much consequence as the other food problems and that there must be a big crop of yellow corn to take care of the feeding of stock.

Nehawka Consolidation Of Schools Gives Good Test

(From a Staff Correspondent.)  
Lincoln, May 1.—(Special.)—Consolidation of three school districts surrounding Nehawka will afford an opportunity to test out the consolidation plan under favorable circumstances. An 18-mill levy for the consolidated districts, which includes the town district, will enable the board to employ two additional teachers, one a high school instructor and the other a grade school teacher, and will give the district manual training and a stronger course in domestic science and agriculture. It will be the only agricultural school in Cass county and will give as good high school privileges as any other city or town in the state. The state superintendent is expecting great things from this school and its workings will be watched with much interest.

Fremont Boys to Enter Officers' Training Camp

Fremont, Neb., May 1.—(Special Telegram.)—Frank S. Perkins and Sam C. Windham, members of the "rookie" squad, which has been drilling regularly for the last few weeks, have passed the examination and received their assignments to the officers' training camp at Fort Snelling, Minn. Perkins and Windham expect to leave May 14. Floyd Smith, a student of the University of Omaha, son of Dr. L. B. Smith of Fremont, has passed the examinations and will go to Fort Snelling. Smith was with the Fremont sanitary detachment on the border last summer. The Fremont rookie squad has a membership of forty and the members are steadily increasing.

Recruiting Officer Gathers Twenty-Five Men at York

York, Neb., May 1.—(Special Telegram.)—E. P. Malherbe, recruiting officer, who arrived in this city last Saturday to get recruits for the navy, has applications from twenty-five young men. Following are the names: Devin L. Dodson, Roy Townsend, Allen Lamm, Robert J. McDonald, Keith Jones, John P. Jyp, George F. Maul, Albert Dixon, E. E. Schimmler, Ralph L. Forrie, Harry E. Prebbe, Frank C. Peck, George A. John, Arthur L. Surface, John B. White, Floyd W. Woolley, Arthur J. Zost, passed; Robert G. Miller, Svend A. Nelson, Clarence Fine, Edward H. Hennung, Carl J. Paulsen, Lawrence L. Valentino, Claude V. Larhin, Roy H. Larson, failed. Mr. Malherbe will go to Seward Wednesday and Thursday.

York Will Be Unable to Take Care of Firemen This Year

Fremont, Neb., May 1.—(Special Telegram.)—Harry Hauser, president of the Nebraska Firemen's Volunteer association, has been notified by the York fire department, that York will be unable to entertain the state firemen at the annual meeting next January, owing to inadequate hotel facilities. The new hotel at York will not be completed at that time. York won the convention over Fremont at the Auburn convention. It is probable Fremont will take the convention.

Teamster at York Is Trampled to Death

York, Neb., May 1.—(Special Telegram.)—J. D. Jones, a driver for York Brick and Tile company, was trampled to death last night by his team. Mr. Jones, it is supposed, fainted and fell under the horses soon after entering the barn. He lived for thirty minutes after being removed. He was 54 years old.

Rain Improves Wheat Prospects Near Beatrice

Beatrice, Neb., May 1.—(Special.)—Tobe Paben, a farmer living nine miles northeast of Beatrice, stated yesterday that he had forty-three acres of wheat, which with favorable weather, will make a full crop. He says a number of his neighbors will also have an average yield of winter wheat. He states that last fall he plowed his ground deep, pulverized the ground and harrowed it after a rain and sowed in the usual manner.

Announcement was received here yesterday of the death of Mrs. Joseph Hill, formerly of this city, which occurred Sunday at her home at North Yakima, Wash., aged 73 years. She leaves two daughters. Ray Slyhoff and Orville Mangus, two Beatrice boys, left yesterday for Fort Logan, Colo., where they will enlist in the aviation corps of the army. A delegation of Wymore residents yesterday visited the office of Senator Adam McMullen at Wymore and congratulated him upon his record in the senate as a representative from Gage county.

Milk War at Aurora Is Ended by Agreement

Aurora, Neb., May 1.—(Special Telegram.)—The milk famine in Aurora ended today, after a long conference between Mayor W. I. Farley and the Board of Health with the milkmen. It was agreed that the city would hold the milkmen to one tubercular test a year and that the milk dealers may pasteurize their milk and sell it in the city. This was the first act of the new administration. The retiring administration and the milkmen had differed so widely that the latter refused to sell milk in the city. Mayor Farley has appointed M. F. Stanley as city attorney to succeed R. R. Smith. He has appointed William Roman as chief of police to succeed Hugh Powell, and Walter Spray as night watchman to succeed Arthur Best.

Fairbury Lads Quick to Respond to Country's Call

Fairbury, Neb., May 1.—(Special Telegram.)—Fairbury intends to be well represented in Uncle Sam's family. Recruits have been signed here for all branches of the military service. Today Russell Holcomb, son of Mr. and Mrs. C. Holcomb, went to Lincoln, accompanied by William Cort and Fred Portch, living at Western. They will be assigned to the coast artillery. Practically the entire senior class of the Fairbury high school entered the navy. Charlie Bitzer, son of a prominent Rock Island passenger engineer, has enlisted in the aviation corps. Jack Heasty, son of Attorney John Heasty, is also a recruit for the navy. Victor Davis has the distinction of being the first to be assigned to a battleship. He is on the Wyoming "somewhere in the Atlantic ocean."

Nelson High School Wins Debate.

Nelson, Neb., May 1.—(Special.)—Nelson High school debating team won the championship of the southern Nebraska district from Edgar High school Saturday evening at Edgar. The Nelson team consisted of Helen Goodrich, George Barber and Olive Ferebee. Miss Ferebee will represent Nelson in the state debate at Lincoln on high school fete day.

Nebraska Teacher Goes East.

Avon, N. Y., May 1.—(Special Telegram.)—Carl A. Anderson, for three years high school teacher at Alliance, Neb., was elected principal of the Avon High school today. Mr. Anderson is a native of Wahoo, Neb., and was graduated from the State Normal school at Peru, Neb., five years ago.

Spalding Elects Teachers.

Spalding, Neb., May 1.—(Special.)—The Board of Education has elected the following teachers for the ensuing year: James McGovern, principal; Agnes Richling, assistant principal; Mary De Wolf, grammar; Anna Kerrigan, intermediate; Alice Tracy, primary.

Speed Departing Recruit.

Cambridge, Neb., May 1.—(Special.)—Cambridge held its first patriotic meeting last night, with 200 attending, in honor of Robert Rankin, who left to enlist in the regular army. An organization of home guards was formed.

Take Care of Yourself.

If you want a clear head and good digestion you must not let your bowels become clogged with poisonous waste from the body, as is always the case when you become constipated. Proper food, an abundance of water and plenty of outdoor exercise should keep your bowels regular. When that fails you should take Chamberlain's Tablets. They cause a gentle movement of the bowels and are easy and pleasant to take.

The Parisian Cloak Co.

is selling SUITS Wednesday at \$15 that formerly sold as high as \$45—mostly all are navys and blacks. No bright colors. See ad on page 5. Hurry, for The Wreckers Are Coming

BOOZE SHIPPED TO YOU, IS NOT YOURS

Attorney General Reed Says Lisuor En Route Must Return to Consignor.

PEEVED PERSONS PROTEST

(From a Staff Correspondent.)  
Lincoln, May 1.—(Special.)—Liquor in transit which had not reached its destination before the first day of May, must be returned to the consignor immediately, according to an opinion of Attorney General Willis E. Reed, made today in answer to several inquiries coming in by phone from parties, who had not been able to gather in their "reasonable supply" before midnight yesterday. Parties having such consignments on hand which have not been delivered, must notify the county attorney of their respective counties or they are liable to arrest under the law for having more than a "reasonable" amount on hand.

Red Cross Auxiliary at Minden.

Minden, Neb., May 1.—(Special.)—A chapter of the American Red Cross, known as the Kearney county auxiliary, has been organized here with a charter membership of 105. The officers are Mrs. J. T. R. Nash, chairman; Mrs. I. C. Rankin, vice chairman; Eunice Watt, treasurer; Florence E. Reynolds, secretary. The chapter will organize classes in first aid to the injured, the making of surgical dressings, home care of the sick and dietetics.

Light Company at Kearney Asks Franchise

Kearney, Neb., May 1.—(Special.)—The Central Powers company, which recently took over the holdings of the Kearney Water and Electric Powers company here, has filed application with the city commissioners for a twenty-five year franchise to replace the present franchise, which has but six more years to run. The new company, in its franchise request, agrees to remove all light and power poles from Central avenue, a movement for civic beauty in which citizens of Kearney have attempted to interest the old company for years past. The proposed franchise also includes a readjustment of rates which will mean a general reduction for both light and power service. A special election has been called for May 31, when the franchise will be voted upon.

Homestake Mining Co. Raises Pay of Men

Lead, S. D., May 1.—(Special.)—Official announcement has been made of an increase in wages of the employees of the Homestake Mining company. Employees receiving \$3 or less a day are given an increase of 10 per cent. Those now receiving \$3 and up to \$4, inclusive, 12 per cent. Those receiving \$4 and up to \$5, inclusive, an increase of 10 per cent. The schedule is retroactive and took effect April 1. The new schedule eliminates the 7 per cent bonus heretofore paid on all wages earned through the year, which has been paid in December of each year. It holds good for the last three months, however. To those employees making over \$5 a day the 7 per cent will be paid as before, though monthly rather than yearly.

JERUSALEM IS NOT SOON TO BE TAKEN

More Important is the Securing of the Territory Along the Coast.

ANCIENT CITY IS STRONG

(Correspondence of the Associated Press.)  
Cairo, Egypt, April 18.—Military men here do not believe the British forces now in Palestine will attempt any immediate advance toward Jerusalem. The Holy City, they say, is for the present a secondary consideration. It is considered unlikely that the capture of Jerusalem will be attempted until all the coast region of Palestine is secured, which may take some time in the conditions of modern warfare. The strength of Jerusalem for defense is very good. This is no, due to its ancient walls and towers, nor to the trenches which the Turks have dug roundabout, but to the fact that the city lies some 2,400 feet above sea level, encircled by rugged mountains, while the few passes are in deep valleys, capable of easy defense. It was these conditions of natural strength that enabled the kingdom of Judah to outlive that of Israel by considerably more years than a century, that made possible the success of the Jewish uprising against the Greco-Syrians, and two centuries later, prolonged the resistance of the Jews against the Romans. Against any army advancing from Egypt, Jerusalem is secured by wilderness frontiers to the east and south, while no attack is possible from the north until the Plain of Esdracron is secured. The western frontier pre-

sents a long wall of mountains, south-west, the newly made military road running to Beersheba would present a long line of very difficult advance. The pass up the Valleys Es Sant and Es Sur, through which Antiochus V made a successful attack with camels and elephants in 163 B. C. would only be suitable for mountain guns, and could hardly be used for the main attack. The direct routes are by way of the railway through the valley of Sorek, a long winding way through a deep gorge very easily defended, and the more open, but still difficult highroad

a little farther north. Probably the entrances to both these valleys are well fortified. The difficulties are so great that it is believed a modern military expedition, as has occurred several times in history, leave Jerusalem itself as the last aim of the campaign. If the approaches on every side are captured, the city itself must fall; in all probability the Turkish army would hasten to extricate itself before the last avenue was closed. The fate of Jerusalem has several times before this been settled in the plains.

To be sure look for

"The Bayer Cross—Your Guarantee of Purity"

on every package and every tablet of genuine Aspirin.

TABLETS: Pocket Boxes of 12 Bottles of 24 and 100 CAPSULES: Sealed Boxes of 12 and 24
