Jim Park Hurls Splendid Ball in First Fray, But Pete McGuire Has One Bad Round in Second.

Omaha and Wichita divided a bargain attraction before 4,000 Sabbath customers yesterday. The Rourkes captured the first fray, 5 to 2, while captured the first fray, 5 to 2, while the Wiches annexed the second game, Coy, rf.

Jim Park, just procured from St. Louis, held the Wiches in the hollow of his flinging hand in the first game. He permitted seven hits, but kept them well scattered and never fal-

Omaha made a tally in the second on Ward Miller's double, Brottem's sacrifice and McBride's muff of Nye's line drive. Wichita made a single counter in the same stanza on a walk to Goodwin, McBride's sacrifice and Dobbins' single.

Land on Clemmons.

But in the eighth the Rourke sluggers got to Clemmons and straightened his southpaw slants into every corner of the lot. Cooney started the frame by beating out a bunt. Park also bunted and was safe when Clean-mons threw late to second. Nichol-mons threw late to second. Nichol-Moestner, 15.... Thomason, rf. son dumped a third safe bunt and the bases were full. Clemmons got excited and cut loose with a wild pitch which scored Cooney. After Yaryan, 3h 4 Krug flew out Yardley singled over second, scoring Nicholson. Miller singled through short, sending Yardley to third, and he took second by some fast sprinting when McBride threw late to try to catch Yard. Brottem scored Yardley and Miller with a double to left.

McGuire hurled splendid ball for six innings in the second game, but went to pieces in the seventh. Dobbins started with a double and Marks was safe on a fielders' choice. Ruether, Berger, Koestner and Thomason made successive hits which scored five runs and the game went to the invaders.

Season Ends.

Yesterday's double bill ended the first half of the season. The pennant goes to Des Moines. Tuesday a new season starts. The Rourkes open in Denver. They leave for the mile high city today at 4:20.

Shag Thompson will make, up the runs. Score, first game: Shag Thompson will make up the outfield; Williams, Cooney, Krug and Nye, the infield; Brottem and Shaw, the catching department, and Park, Merz, O'Toole, Luschen and Cecil Thompson, the hurling corps. With this crew Rourke believes he has a good chance to cop.

> > Why?

When you do not relish your food it is well to inquire the reason why. Your stomach may be debilitated, your liver torpid, your bowels constipated or you may be eating too much. Many people eat more than they should, particularly those of middle age or older, and those of sedentary habits. If your lack of appetite or relish for your food arises from either of these causes, correct your habits and take a few doses of Chamberlain's Tablets. They will do you good, give you a better appetite and make you feel better. - Adv.

Sitka Spruce Will Be Used In Making Airplanes

Seattle, July 11 .- A steamer that arrived in Seattle June 20 brought the first shipment of Sitka spruce from Alaska for use in making airplanes. This wood is superior to .ny other for lightness and strength, and rods sixty feet long without a knot or blemish are easily obtained.

Much of this spruce has already been shipped to Europe from British Columbia, Oregon and Washington. Sitka spruce is the dominant tree of the Alaska coast region and was for a long time regarded with contempt by lumbermen and used only for fish boxes. Now it is the hope of the United States for paper pulp and airplane frames.

Russian botanists, with headquar-ters at Sitka, the old Russian capital of Alaska, discovered the tree and gave it the specific name sitchensis, after the town. Later the tree was found to be identical with the colossal tideland spruce of the Washington and Oregon coast-hollow trees which furnish room enough for a family to live in. These large trees are not valuable, for they are all brit-tle heartwood, whereas the white, new wood is desired. The tree in Alaska is not long-lived, but the big spruce trees of Oregon and Washington are 500 years old or more.
