TEN EYCK, AGED 75, TO ROW RILEY, AGED 71-James E. Ten Eyck, veteran coach of the Syracuse university rowing crews, has accepted a challenge from James Riley, former world's champion sculler, for a three-mile rowing race on Lake Lonely, Saratoga, in September. There will be a side bet of \$1,000 on the race. Riley is 71, while Ten Eyck is 75. Seven years ago Ten Eyck defeated Riley over the same course by sixteen lengths in a three-mile race. It was predicted that neither could stand the strain, but both veterans finished strong. Ten Eyck's time was 23:13; Riley's, 23:03.

Dry Goods Market.

New York, Aug. 4.—Dry Goods—Gray cotton goods and yarns of a stable character were quiet today, while many finished lines of goods were very firm. Government orders continued a factor of large influence in the trade. Wool goods paid for spring were bought moderately, save in the case of some staples, where a good business is being done. Carpets were dulight goods, quiet, burians quiet, but priced Washington, Aug. 5.-The revised war tax bill, which will be reported to the senate Monday by the finance cording to final official estimates comknit goods, quist; burlaps quiet, but priced pleted last night, or about \$135,000,000 more than the house provided and committee planned to raise before the new war estimates were submitted to

congress. Chairman Simmons hopes to call the measure up for debate next week. Leaders look for the bill's passage within a fortnight, estimating another two weeks for conferences with the

Principal changes in the house bill as finally adopted by the committee provide for net increase of income taxes of about \$72,000,000, on war excess profits of \$362,000,000 and on intoxicants of \$31,000,000.

St. Julien is Retaken.

The reoccupation of St. Julien by the British yesterday was followed by one of the severest artillery duels developed since the first days of the Brevetted in Reserve Corps drive. Good news for the thirsty! Here's a beverage that not only will taste good while you are drinking it, but that will leave the mouth tasting as fresh as a May morning. One, too, that has that very desirable quality of having no heating after-effects.

As a between-meals drink it has the happy faculty of always reaching that dry spot that needs irrigation. With meals, it is an ideal beverage. Not only does its flavor make it go perfectly with food, but its tang adds zest to your enjoyment of a mealhot or cold.

Serve Bevo cold—right off the ice lukewarm Bevo is not palatable.
