TAKE HAIR OUT NOT OFF THE SKIN

Hair is bound to grow out coarser and stiffer when merely removed from the surface of the skin. The only common-sense way to remove hair is to attack it under the skin. DeMiracle, the original sanitary liquid, operates on this principle. It also contains certain ingredients which give it the power to rob hair of its vitality. It does this by absorption.

DeMiracle works equally well for removing hair from face, neck, arms, under arms or limbs to prevent it from showing through stockings.

Insist on the genuine DeMiracle. It is the only depilatory that has a money-back guarantee in each package. In 50c, \$1 and \$2 bottles at all toilet counters, or direct from us in plain wrapper on receipt of price.

FREE booklet mailed in plain sealed envelope on request. Write for it today and read it before you make another application of any depilatory. DeMiracle Chemical Co., Dept. E, Park Ave. and 125th St., New York.
