Even Money Offered On World's Series Outcome

Chicago, Sept. 26.—Chicago broker-age houses with New York connecions reported today that the best hey were able to get was even money in betting on the world's series. They said that the New York, team was nominally the favorite in that city at 10 to 8 and 7 to 5, but that the odds vanished upon the appearance of Chicago money. In this city it is regarded as an even proposition.
