of Sioux City and Other to Be Garnered at Fort Dodge.

With the last two trips resulting in four successive defeats, the Central High basket ball quintet will again take the road, this time to bring home two lowa scalps.

The game with Stoux City Friday should result in a victory for Omaha, but so should have the contest with the Fort Dodge five will be an entirely different matter. The Fort Dodge five has a long

string of victories, with no defeats for the first team. The scalps of Spirit Lake, Goldfield, Mason City, Eagle Grove, Sioux City, Algona, and Cherokee all hang to the belt of the Iowa five.

Fort Dodge defeated Sioux City 37 to 10 in the first game and 27 to 13 in the second. The average score of these two games is about equal to the 29 to 10 tally by which the local five defeated the Sioux.

So far in games played the Iowa five has amassed 316 scores to the for Fort Dodge.

Sioux City should fall before the local team if the game on the Omaha floor had showed the true worth of the Iowa five. Central had an easy time in that game and handily defeated the Sioux. However, with the dope upset so repeatedly fans are wary of predicting anything for the local men.

Poor basket tossing seems to have been the trouble with Central boys played rings around their opponents in team work, but failed to put the ball through the hoop 953 2,772 Looking for Comback.

Maxwell has fallen down at forward and even Smith's eye for the basket has lost some of its keenness. Paynter has been playing a good game at center, as have the Logan brothers at guard. The basket shooting, however, is what shows on the box score and in this respect the local high is decidedly weak. A comeback is about due and from
