Washington, March 31 .- Disloyalty

fostered by certain religious sects has

been growing in the United States

within recent months, according to

Department of Justice officials, who

have charge of enforcing the espion-

age acts. Many preachers and reli-

gious teachers in public speech and

printed pamphlets, officials assert, are

urging the doctrine that war against

Germany constitutes murder of fel-

low Christians and the great human

folly described in the Book of Revela-

tions. Several German and Austrian, w

preachers and Sunday school teachers.

have been interned for disloyal utter

ances and many others, particularly

in extreme northwestern states, have

the United States' motive in the war?

been warned to desist from criticising

Several publications have been support

pressed, and others are being investions

Recent court decisions have demon-

strated the difficulty of convicting per-set

sons of treason under federal laws are

either for disloyal utterances, spoken

or printed, or for physically obstruct-

ing war preparation. As a result of the

decision of Federal District Judgeom Dickinson at Philadelphia, this weekper

that the Philadelphia Tageblatt's crit-

icism of the United States did not

constitute treason, Department of

Justice officials have abandoned hope

sonable, at least until congress passes;
