

MEN HELD IN GEM THEFT INVEST IN THIRD WAR BONDS

Scouts Make Four Sales When They Extend Liberty Loan Drive to Douglas County Jail.

"CLEAN-UP" DRIVE.		
No. of Bonds.	Amount.	
Saturday	176	\$ 37,750
Monday	283	31,100
Tuesday	245	24,700
Wednesday	212	33,050

Boy Scouts in their "clean-up" drive for third Liberty bonds visited the county jail Wednesday and sold four bonds to the men accused of the diamond robbery, which preceded the killing Detective Rooney. The buyers were: Burl Kirk, "Big Wally" Martin, Frank Stone and Thomas McKay. One took a \$100 bond and the others three \$50 bonds. The sales were made by Franklin Patterson and Herman Grotte of Troop 5.

Paul Leussler of Troop 5, son of R. A. Leussler of the street railway company sold a \$100 bond to Walter S. Seibert, banker of North Platte, held under the alien enemy act. He drew a check for the amount on his own bank.

The Scouts did not try to sell to the I. W. W. men in jail because of harsh rebuffs they met on the second sale.

The largest sale of the Scouts was made by William Nicholas, son of L. V. Nicholas, who sold \$5,450 worth to the Todd Protograph company. This amount represented the net proceeds from sales made by the salesman.

The sales for Wednesday were 212 bonds for a total of \$33,050.

Only two of the counties of Nebraska have failed so far to go over their quota and these two are expected to report within the next two days.

Rock county has not only gone over its quota of \$70,700, but has made up for the deficiency it had in the second drive, when it only subscribed 33 per cent of its quota. The report was wired by H. E. Artus of Bassett, chairman.

Garfield county, with a quota of \$47,700 sent word through S. L. Davis of Burwell, chairman, that it has reached its quota.

Union Pacific Men Will Attend Convention of Engineers

At the second triennial convention of the Brotherhood of Locomotive Engineers, at Cleveland, O., next week, the engineers of this section of the central west will be represented by Al Knolald, Laramie, Wyo., and W. L. Richards, North Platte. Both are Union Pacific men. The former is general chairman of the brotherhood organization in the central west and the latter vice chairman.

The Cleveland convention convenes next Monday and is expected to continue in session for at least two weeks. It is expected that there will be something like 500 delegates from the United States and Canada. One of the features of the convention, it is asserted, will be the detailing of what United States railroad engineers are doing in France in the way of operating the roads and pushing troops and supplies to the front.

Grand Chief Stone, it is said, will be a candidate for re-election.

Judge Troup Gives Curtain Lecture to Wives Who Idle

Wives who think it beneath their dignity to work were roundly scored Thursday by Judge Troup in the district court.

"They should be willing to work their fingers to the bone to assist the husband to maintain the home," the judge declared.

The court's curtain lecture to wives came in connection with his denial of a divorce decree to Mrs. Edna Miles, who had filed suit against Raymond Miles. The petition was dismissed for lack of evidence.

"Allegations of nonsupport made in this case have been entirely unsupported," the court ruled, "and it appears that Mrs. Miles has felt that she should enjoy certain pleasure, although her husband has done without them."

Commissioner Jardine Wants Soldiers to Pay Less Fare

City Commissioner Jardine has sent to Congressman Lobeck a letter in which it is suggested that soldiers and sailors in this country should be granted one-half transportation rates when traveling on furloughs.

"It is my earnest wish and desire that you inaugurate the proper procedure to bring about such legislation as will be necessary to afford our soldiers and sailors, who will sacrifice their lives for our future safety, a reduction in transportation rates to not more than one-half the regular rates while on furlough," the commissioner told the congressman.

April Live Stock Receipts Were Greatest in History

All records of receipts of live stock at the South Side market for any month in the history of the trade were broken during April. It had been previously announced that the receipts for that month were the heaviest for any April on record, but a later report indicates that all monthly records were eclipsed. The total number of cars of cattle, hogs, sheep and horses for the month was 13,226, as compared with the previous monthly record of 12,992 cars received in January, 1917.

Copy of New "Sabotage Act" Received by Federal Attorney

United States Attorney Allen has received a copy of the new "Sabotage Act," approved by congress April 20, which provides for a fine of not more than \$10,000 or imprisonment for not more than 30 years, or both, for any person convicted of injuring or destroying war material or war utilities.

PASSENGER MEN ARRIVE HERE FOR U. P. CONFERENCE

Answering the "S. O. S." call sent out from Union Pacific headquarters, 50 of the off-line agents and general agents are in Omaha for a conference with officials of the passenger traffic department. The men come from leading cities where the Union Pacific maintained general agencies prior to the government taking over operation of the railroads.

Director General McAdoo having ordered solicitation of business discontinued, taking the railroads out of the field of competition, passenger traffic men find themselves in mid-air so far as the performance of their former duties are concerned.

The meeting of officials and passenger men is for the purpose of formulating plans by which the latter may be retained on the company's pay roll.

The understanding prevails that provision will be made for the retention of passenger men and, while they will not all be assigned to duties in line with those previously performed, they will be given positions at points along the lines of the system.

Nebraska Power Co. Will Move Offices Saturday

The Nebraska Power company will move into its new quarters at Fifteenth and Farnam streets Saturday. This company bought a 99-year lease on the Ware block from Harry Wolf and has spent considerable money in remodeling the building. It will use four floors for company business and rent the fifth floor. All the departments now housed in the Union Pacific headquarters building will be moved to the new quarters, as will the storage department, which is now housed in the Young Men's Christian association.

Funeral Services Held for Mother Auger at Sacred Heart

Funeral services for Mother Auger, 57 year old, who died Tuesday night of cancer, were held at the chapel of the Sacred Heart academy, Thirty-sixth and Burt streets, Thursday morning. Mother Auger was a teacher of French in the Sacred Heart academy. She came here a short time ago from Chicago. Rev. Father Colaneri officiated at the funeral services.

Mrs. Hayes Denies Report Of Campaigning by Teachers

Mrs. C. W. Hayes of the good government committee of the Woman's club boosting the citizens' ticket for city commissioners, denies a report that Omaha school teachers and principals circulated candidates' cards among school children.

"These cards were passed out by a committee of 100 men and women interested in good government and every worker was stationed outside the school building," said Mrs. Hayes.

YOU'RE BILIOUS! TAKE CASCARETS

Enjoy life! Live your liver and bowels tonight and feel great.

Wake up with head clear, stomach sweet, breath right, tongue clean.

WORK WHILE YOU SLEEP

Lemon Juice For Freckles

Squeeze the juice of two lemons into a bottle containing three ounces orchard white, shake well, and you have a quart of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and white the skin becomes. Yes! It is harmless. —Advertisement.

NUXATED IRON

Increases strength of delicate, nervous, run-down people in two weeks' time in many instances. Used and highly endorsed by former United States Senators and Members of Congress, well-known physicians and former Public Health officials. Ask your doctor or druggist about it.

The New Home Treatment for Ugly, Hairy Growth

(Boudoir Secrets)

Here is a simple, yet very effective method for removing hair and fuzz from the face, neck and arms: Cover the objectionable hairs with a paste made by mixing some water with a little powdered delatone. Leave this on for 2 or 3 minutes, then rub off, wash the skin and the hairs have vanished. No pain or inconvenience attends this treatment, but results will be certain if you are sure to get real delatone. —Adv

BURGESS-NASH COMPANY
