WOMEN IN WARTIME

Woman's Liberty Loan Committee to Raise \$3,000,000

The Omaha woman's Liberty loan committee obtained \$2,900,000 in subscriptions, Mrs. E. M. Fairfield, chairman, announces. It is expected that when the final subscriptions are all accounted for the total will reach \$3,000,000. Over one-third of this amount was contributed through the churches.

The Liberty bank has raised three-quarters of a million. Nearly a half million came through the women's clubs; a quarter of a million through the house-to-house canvass, and the balance through the booth committee, the schools and other workers.

The women have worked steadily for three weeks and Mrs. E. M. Fairfield has every reason to be proud of her organization. Mrs. E. M. Syfert, assistant chairman and secretary, has devoted her entire time for seven weeks to her work at headquarters.

Mrs. W. B. Tagg, South Side chairman, reported a total of \$23,600 and Mrs. W. A. Yoder of Florence, \$7,400.

Church Records.

The church committee, Mrs. Charles Offutt, chairman, and Mrs. Osgood Eastman, treasurer, report 4,055 subscriptions taken, amounting to \$1,205,700.

The Episcopal churches, Mrs. Henry Wyman, chairman, turned in subscriptions to the amount of \$541,000. All Saints, under the chairmanship of Mrs. G. A. Meyers, assisted by a committee, among whom were Mrs. J. T. Yates, Mrs. F. L. Hochstetler, Mrs. W. L. Clarke, Mrs. E. A. Higgins and Miss Nannie Richardson, sold subscriptions amounting to \$322,350.

The response from all churches was most gratifying to the committee, the showing made by the smaller churches being especially noticeable.

Episcopal churches subscribed \$218,950, Presbyterian churches \$138,700, United Presbyterian churches \$1,350, English Lutheran churches \$18,000, Methodist churches \$34,550, Baptist churches, \$18,400, Congregational churches, \$94,700; Swedish churches, \$13,900; Christian churches, \$26,000, Evangelical churches \$600.

The Catholic churches, of which a detailed report was given last Sunday, have raised their total to \$286,050; Reorganized Latter Day Saints, \$150; Greek church, \$5,300; Peoples church, \$50; United church, \$17,850, and Christian Science church, \$58,200.

Women's Liberty Bank is Closed

The Liberty bank which was operated on the court house lawn by the National Woman's League for service during the third drive was closed Saturday evening.

During the month 1,530 bonds were sold. The total sales amounted to \$703,000. Among the largest bonds sold Saturday was the \$1,000 one purchased by Mrs. George A. Hoagland, Mrs. Edward Phelan, \$1,000; Goodrich Drug Company, \$1,000; St. John's Lodge, \$1,000; W. E. Foshier, \$500.

The four children of Floyd M. Smith each bought a \$100 bond; Elinor, Floyd, Jr., Monroe Edward and David, three months old.

A. L. Matson, 4156 K. street, South Side, who has two brothers in the service, three children to support and who is paying for his home, bought his second Liberty bond.

E. B. Brain bought his 15th Liberty bond. Ronald Householder, aged 10, bought a \$100 bond, as did Willard D. Hooford, Jr., and Katherine Emma Hooford.

Red Cross Benefit Concert. Proceeds of the concert to be given Tuesday evening in Creighton auditorium by Mount St. Mary's Seminary Glee club will be turned over to the Red Cross. Patronesses for the concert are:

Mesdames—Joseph Barker, John Latenser, George Brandeis, John Madden, H. V. Burkley, A. R. Murphy, W. J. Coak, E. W. Nash, F. T. Conlan, Louis Wash, T. J. Dwyer, Thomas F. Quinan, J. R. Dwyer, Adolph Store, Frank T. Hamilton, J. G. Windheim.

Night Canteen Unit. The Omaha Woman's Press club has formed the only night unit to meet troop trains. All members of the club have pledged themselves for this duty. The captain is Miss Elizabeth Kern and Miss Ella Fleishman is lieutenant.

Press club members also work in the Fort Omaha canteen.

Writes Patriotic Verses. Mrs. O. D. Mabery of the South Side has written verses for two patriotic song tunes. One set of verses is for the tune "Marching Through Georgia" and the other to "John Brown's Body."

Heads Dundee Women in War Work

Mrs. A. S. Williams
BIRMINGHAM STEEL PHOTO

Mrs. A. S. Williams is president of the Dundee Woman's Patriotic club, a most energetic and original little coterie of women who have worked industriously all winter for the boys of the 134th Machine Gun company.

Just now the aim of the club is to raise \$1,000 which will send one Omaha girl to do canteen work in France.

Colonel E. M. Bannister will speak on Thursday evening at the movie given at the Dundee theater by this little club, when films showing life at Camp Cody will be shown. One especially interesting feature will be a picture of Mrs. Gus L. Hollo distributing Christmas gifts to the boys which were made by the skillful fingers of the women. Mr. Lyle Abbott will speak on Friday evening at the performance.

Aside from her work in this patriotic club Mrs. Williams has worked faithfully at the canteen at Fort Omaha and has done much Red Cross work.

Bohemia Has First Woman Legislator

To Mrs. Vilkoiva-Kuneticka belongs the distinction of being the first woman in central Europe to be elected to a legislative body, according to Continental press reports. "She was present at the Prague constituent assembly deputies, elected by the free choice of the people of the Czech lands to the four legislative bodies, the only woman in the Bohemian diet. She was deprived of her mandate by the decision of the Austrian government on the ground that the Austrian constitution does not provide for the election of women deputies."

Boys in Front Line Trenches to Write To Mothers May 12

Mothers' Day, Sunday, May 12, will have unusual significance this year because of the recognition it gives to the thousands of mothers who have given their sons to the ranks in the cause of democracy.

Congress has made the day a national flag day. With the assistance of military and naval authorities in the United States, the country's ships at sea and commanding its troops abroad, with the aid of Red Cross and other patriotic organizations, the day is to be observed by an interchange of greeting between mothers and their sons with the colors.

Honoring mothers of their memory through some distinct act of kindness—a visit, a letter, or the wearing of a white carnation—are the marks of Mother's Day observance which have been widely adopted in North and South America, England, Europe and in Australia.

The white carnation has been recognized as the special flower for Mother's Day. Its whiteness is held symbolic of purity; its form, beauty; its fragrance, love; its wide field of growth, charity; its lasting qualities, faithfulness—the embodiment of the virtues of motherhood.

Mothers may expect letters from abroad early in June. Soldiers in the front-line trenches will be given every opportunity to write a few lines which will be rushed to their destination. The letters will be marked "Mother's Letter" and will be given preference over other mail matter.

Omaha Girl Wins Cheers in England

"Miss Higgins Wins Cheers," is the heading of an article in the New York Times of May 2. Miss Joy Higgins, daughter of Mrs. O. A. Higgins, who is a member of the labor delegation now touring England, is the speaker so enthusiastically received. The commission visited the royal arsenal at Woolwich, England, the day before and was given a royal welcome in every shop.

Miss Higgins spoke in a large canteen filled with workers, and when she finished telling these Englishwomen just what their American sisters were accomplishing, the girls broke into cheers, shouting "Good Old Glory!"

The delegation will leave very soon for France, where President Poincaré, General Joffre and other notables will welcome them.

"Only Spring Fever"

That's what you say when Nature protests against your activities these Spring days. You are drowsy; your joints ache; you hate to work. It isn't because of the weather. It's the fact that your system is clogged; your blood overloaded with the stagnant waste of the winter. Clear up your system and note the difference.

You Need a Good Tonic

Something that will purify your blood, invigorate your digestion, overcome the stagnation, which is usually catarrhal, and arouse your bodily activities. "Spring Fever" is Nature's way of saying you need Peruna, a tonic with laxative qualities, that will gently stimulate body functions, restore appetite, invigorate digestion, and assist Nature to drive out all catarrhal and inflamed conditions.

ECZEMA

Also called Tetter, Salt Rheum, Pruritus, Milk Crust, Water Poison, Weeping Skin, etc.

For fifteen years I have been treating one disease alone, ECZEMA. I have handled over one million cases. I do not pretend to know it all, but I am convinced the disease is due to an excess of acid in the blood, and closely related to rheumatism and cancer.

ECZEMA is called by some people Tetter, Salt Rheum, Pruritus, Milk Crust, Weeping Skin, etc. I am fully convinced ECZEMA is a curable disease, and when I say it can be cured, I mean just what I say—CURE-IT, and not merely patched up for a while to return worse than before. It makes no difference what other doctors have told you, or what all you have tried, all I ask is just a chance to prove to you that this vast experience has taught me a great deal that would be of help to you. If you will write me today I will send you a free trial of my mild, soothing, guaranteed treatment that will do more to convince you than I or anyone else could in a month's preaching. It's all up to you. If you suffer any more with eczema and refuse to merely write to me for free trial, just blame yourself. No matter where you live, I have treated your neighbors. Merely dropping me a postal today is likely to give you more real comfort in a week than you ever expected to enjoy again. Do it right now; your very life is at stake.

J. E. CANNADAY, M. D., Court Bk., Sedalia, Mo.

Reference: Third National Bank, Sedalia, or ask your banker to find out about me. Send this notice to some poor sufferer from eczema. It will be a kind act by you.

Mrs. J. F. Beerkle is "Lady of Red Cross Decorations"

Not all the war decorations are given on the other side of the ocean, for as the days go by, significant emblems are appearing on the snowy whiteness of many Red Cross aprons worn by Omaha women, and very often, white veils are being exchanged for blue. To the casual observer these insignia may mean nothing, but to those versed in Red Cross lore every little band and cross has a meaning.

Mrs. J. F. Beerkle wears a striking arm band. The letters stand for "American Red Cross Women's Volunteer Aid," and they mean that the wearer has taken the oath of allegiance to her government just as a soldier does, when he enlists in the army. Twenty of our patriotic women took this oath last September and are the proud possessors of one of these arm bands.

See the interesting stripe on Mrs. Beerkle's pocket. It is veritably a service stripe for, although it may mean service under fire, it does mean that this little woman has given 130 hours of her time working on hospital garments. Mrs. Beerkle is assistant vice president of the hospital garments department and every Monday, Thursday and Saturday you may see her at the Maschic temple assisting Mrs. Arthur Mullen in this most important work.

Mrs. J. F. Beerkle

Red Cross Notes

Omaha nurses who are part of the personnel of Nebraska base hospital No. 49, now training at Camp Custer, Battle Creek, Mich., write to Omaha relatives that they are enjoying the first part of their work. They have been at the camp nearly two weeks. The rank of second lieutenant has been conferred on them.

They are the Misses Nelle Hawk, Marie Johnson, Bess Anson, Ella Kent, Eva Rogers, Connell and Mildred Chapin.

The Red Cross department of nursing recognizes that in every community are graduate nurses who for some reason are not eligible for military duty, but are able to render valuable service in connection with emergencies, including local disaster.

all forms of visiting and instructive nursing, institutional work and as instructors in elementary hygiene and home care of the sick.

A special enrollment for such nurses has been authorized with the designation home defense nurse. The enrollment is not intended for those who meet the regular requirements for enrollment as Red Cross nurses.

Applications may be secured from Gertrude R. Smith, Wead building, Eighteenth and Farnam streets.

French War Lecture.

William Sandoz, special French commissioner, who will give a stereoscopic program of the "Battlefields of France" at the Fontenelle Thursday evening for the benefit of the invalided soldiers, will address the Alliance Francaise Wednesday evening.

All Wrinkles Soon Vanish—How To Do It

two tablespoonsful of glycerine in a pint of water, to form a cream, you have a real marvel for beauty making. These spots will leave your cheeks, muddiness will vanish, and in its place you will soon, very soon, have a complexion that the rose itself will envy, don't fail to try it.

MRS. S. O. S.—Hair should at once stop falling if you will use my hair formula. Every one who has tried it says it is perfectly astounding how it makes hair grow and stops hair falling. Get one ounce of beta quinol from your druggist, and mix it with one-half pint each of water, or with one pint of witch hazel if preferred. Use this every day and your dream of long, silky, beautiful hair will truly come true. In making up this mixture you will find it will give you over a pint of the hair growth at a smaller cost than that of any prepared hair treatment, and besides, you have the best you can get anywhere. It will not fail to give results.

MISS G. F. O. C.—Yes, you can easily remove blackheads in a few moments, even while you are engaged in your toilet. And to think you have been years trying to get rid of these embarrassing blackheads! On a hot wet cloth sprinkle some powdered norexin, which you can get at the drug store, and rub this over the affected skin. You will find the blackheads will be entirely gone in a few moments. Continue this method every few days.

EXASPERATED—A frequent warning has before been sounded very often in these columns about the use of the hair "brasses" commonly sold. Instead use this "dissolving" method, which is remarkable. Moisten the hair with a solution, which you can get at the drug store for one dollar. This will make the hair literally wither away in a few minutes. It can't hurt the tenderest skin, and it always does the work. It leaves the skin soft and fair, without spots or redness.

SPLendid—Nothing in the world can surpass this formula as a skin beautifier. I know it to be a fact. By mixing one ounce of siltone, secured at the drug store, with

BY VALESKA SURATT
IT is unfortunately true that all that many women get from using ordinary face creams is—more wrinkles. Try this skin rejuvenator mentioned below. It is a veritable wonder. Crows' feet and mouth wrinkles will vanish in a hurry. Instead of 50 you will look more like 35, and this will happen in a few weeks' time. It costs so little. Get two ounces of spot at the drug store and mix with one tablespoonful of glycerine and two drops of water. See how quickly the deep lines and hundreds of little wrinkles will disappear and your skin become plump and youthful. Never forget this secret, and always use it—liberally, too, every day. Tell your friends about it. Let every one have the benefit of it.

EFFY—A glorious head-wash. Yes, here it is, and a wonder, too! Just dissolve a teaspoonful of eggol in half a cup of water, and use as a head-wash. You will be surprised at the remarkable cleanliness of your scalp and the glossiness of your hair, as a result. For twenty-five cents you can get at the drug store enough eggol to last for many weeks.

MRS. N. P.—Ordinary face powders sold will not stay on—except in spots sometimes. That's why I had my own face powder made up finer in texture than anything yet produced. It is free from that annoying chalkiness, and is sold as "Valeska Suratt Face Powder" at drug stores in white, flesh and brunette tints, for fifty cents.—Adv.
