Prominent University Students to Wed

An engagement of unusual interest is that of Miss Mildred McFarland, announced today by her parents, Mr. and Mrs. William R. McFarland. She will wed Russell M. Bailey, son of George W. Bailey of Carleton, Neb., in late October.

Miss McFarland was graduated from Central high school here, later attending the University of California at Berkeley for one year and the University of Nebraska at Lincoln for three years. She was graduated at "Nebraska" with Phi Beta Kappa honors in 1920.

A popular member of Pi Beta Phi sorority was Miss McFarland in school. She studied art at both California and Nebraska universities and at the Federal Art school of Minneapolis and is known as an artist of considerable talent.

Mr. Bailey, also graduated from the University of Nebraska, was a prominent figure in "varsity" athletics. He was a member of the basketball, baseball and track teams, serving as captain of the basketball team in 1920-21.

The wedding will be one of interesting social events of the fall season. The bride will be accompanied by her mother, Mrs. W. E. Smalls, at the Bransford. Mrs. Smalls remained in Omaha this summer because she was convalescing from a serious injury which she received last spring.

Two thousand copies of the following letter were mailed out by Mrs. H. H. Baldrige and her committee this past week in the interest of the Associated Charity benefit dinner September 15 at the Brandeis Italian Renaissance room. Responses are already coming in. The public is invited to attend the affair, whether in receipt of an announcement letter or not.

"Greatest Charity Ball" Given In Omaha

Through the courtesy of Mr. George Brandeis the opening of the Brandeis Italian Renaissance room, located on the 10th floor, has been offered to the Associated Charities for a dinner dance, Thursday evening, September 15, at 7:30 o'clock. The seating of the restaurant is for 1,600 persons and as Mr. Brandeis' generous offer includes the dinner, music and midnight review, it is an opportunity in a lifetime for all of us to put over the greatest charity ball ever given. When you realize what a great constructive organization the Associated Charities has become, you will see the necessity for all of us to put our shoulders to the wheel and help.

The Associated Charities is the "material mother" to all poor, regardless of sex, race or creed, and to all other charitable organizations in our city. We provide material assistance to the delinquent children of the humane society, co-operate with the Visiting Nurses in their care of the sick. Last winter we provided 400 pairs of shoes in response to calls from teachers in our various schools, so our little folks could continue their education. Several tons of coal and warm clothing were sent to the day nursery to keep the babies warm while the mothers were working.

The Associated Charities is "friend in need" to the Social Settlement, Salvation Army and Volunteers of America, and it is the Associated Charities that does the investigating at Christmas time for the famous "good fellows." All this represents money, and lots of it. Mr. Brandeis has promised us 1,000 dollars, marvelous for a dinner and the finest music he can procure, to say nothing of the midnight review, that will equal Zefferfeld's Follies.

This means \$5,000 for the Associated Charities! Will you be one to help us by accepting the enclosed tickets? Money or checks should be sent to Mrs. J. J. McMullen, 2317 Dewey avenue, treasurer of the dinner dance committee. Applications for more reservations will be most gratefully received by Mrs. McMullen, also Harney 1222. An early response will secure you tables near the dancing floor, as the reservations will be checked off as they come in. Tickets may also be secured at Matthews' book shop, 1420 Harney street, and at Beaton's drug store, Fifteenth and Farnam streets.

Most cordially yours, THE ASSOCIATED CHARITIES. Bread. If you would keep your bread from molding during the summer scald and air the breadbox frequently.

Mrs. Porter Garrett and Mrs. Helen Garrett have returned from several weeks' visit at Lake Viola, Wisconsin, and St. Paul, Minn. Miss Nina Garrett will return from St. Paul Monday.
