

### "Clean-Up Squad" To Take Up Claims Of Ex-Service Men

Local Organizations Preparing for Hearings to Be Held Here By Agents of Veterans' Bureau.

A movement to help ex-service men put through their war claims launched from Washington will go into action here September 12 and 13, when the veterans' bureau "clean-up squad," assisted by the local chapter of the American Red Cross, the American Legion, the Chamber of Commerce and the local War Risk Insurance bureau, will take up the claims of ex-service men of Douglas, Sarpy and Washington counties.

**To Advise and Assist.**  
The purpose of the board is to advise all ex-service men of their rights under the war risk insurance act to assist them securing compensation, medical treatment and hospital care, to give information regarding the procedure necessary to filing claims and to assist those whose claims are pending in securing final action and to provide for immediate physical examination and hospital treatment where necessary.

The squad consists of a medical examiner, a compensation and insurance claim examiner, a representative of the district war risk insurance office, a representative of the local war risk insurance office and of the local American Legion and American Red Cross.

Arrangements have been made to open an office at the Army building at the southwest corner of Fifteenth and Dodge streets, and a special staff of stenographers has been engaged to handle the work.

**Will Supply Canteen Service.**  
The local Red Cross will mobilize its canteen service for the two days so that ex-service men will be taken care of while waiting to present their claims.

It is absolutely essential that applicants bring their discharge certificates and all correspondence which they have had with the bureau of war risk insurance or the federal board for vocational education.

Information can be obtained from the secretary of the American Legion, the local chapter of the American Red Cross and the Bureau of Publicity of the Omaha Chamber of Commerce.

**Auto Caravan to Advertise County Fair at Albion**

Albion, Neb., Sept. 7.—(Special.)—Fifteen auto loads of citizens of this county, accompanied by the Albion band, started on a tour of this section of the state to advertise the Boone county fair which will begin September 20. The new \$30,000 amphitheater on the grounds is about completed.

Combined in a single tool are a hatchet, hammer, nail puller and box chisel.

### W. J. Bryan Here, Sees World Hope for More Disarmament

Sentiment Likely to Coerce Nations to Agree, on Speaking Tour.

W. J. Bryan.

That a hopeful sentiment in favor of disarmament exists in the world today is the opinion of W. J. Bryan of Miami, Fla., as expressed by him yesterday noon at the Paxton hotel, where he tarried between trains on his way from the east to Lincoln, where he spoke yesterday afternoon.

"This sentiment, in my opinion, is so strong it is likely to coerce the nations into a decrease by agreement. The farther the nations go in this respect the happier the world will be," he said.

**Dominant Issue.**  
Mr. Bryan asserted that disarmament is the dominant international issue today.

"In domestic issues," he continued, "the revenue stands first. With this subject the situation is not so hopeful. The reactionaries seem to be in control and it looks now as if a considerable part of the burden of taxation will be transferred from the rich to the poor. Two provisions of the revenue measure relieve the profiteers and men of large incomes of \$540,000,000 which must relatively increase the burden of the masses."

**Bill to Go Through.**  
"The bill as reported to the house made the relief retroactive, but that clause was stricken out in republican caucus. A good many republicans protest against the reduction of the tax on big incomes without a corresponding reduction on small incomes, but the senate and the house are so strongly republican that the

**Pawnee City Schools Attendance Increased**

Pawnee City, Neb., Sept. 7.—(Special.)—The Pawnee City schools opened with an enrollment of more than 50 more than last year. In the grade schools there were 266. In the high school, 195. Five new teachers have taken places on the high school faculty.

Practically a complete calendar of foot ball games are already scheduled. The towns which Pawnee City will meet are Summerfield, Kan.; Seneca, Kan.; Tecumseh, Nebraska City, Astell, Kan.; Auburn, and Verdun. The Thanksgiving day date is open. Many of the old foot ball men are back and the strongest team in the history of Pawnee City High school is anticipated.

**Lodges Hold Joint Picnic in St. Edward City Park**

St. Edward, Neb., Sept. 7.—(Special.)—Odd Fellows and Rebekah lodges from Albion, Newman Grove,

bill seems likely to go through, regardless of the injustice that it does.

**On Speaking Tour.**  
"The revenue measure is likely to be the issue next year and democrats are sure to make large gains in the house."

Mr. Bryan is on his way to Kearney and Hastings in this state, thence on a speaking tour through Kansas, Missouri, Oklahoma, being due in New Orleans on September 16.

The former Nebraskan appeared to be in better physical condition than he was on his last visit here nearly a year ago.

**Genoa, Belgrade, Cedar Rapids and St. Edward met here in a joint picnic in the city park.** Charles Randall and Grand Chaplain Taylor of Newman Grove were the principal speakers. Sports were on the program during the afternoon.

**Educational Directory To Give More Information**

Lincoln, Sept. 7.—(Special.)—The Nebraska educational directory will be enlarged this year by the addition of the names and duties of city, village and town high school teachers. John Matzen, state superintendent, has sent out questionnaires to school boards and teachers asking for data for the 1921-1922 directory, including the new information.

**Lodgepole Will Not Hold Annual Harvest Festival**

Lodgepole, Neb., Sept. 7.—(Special.)—Owing to the lack of interest on the part of town people, and the poor season for growing farm and garden crops, the annual harvest festival will not be held here this fall.

**Game Law Violators Pay Fines in Kearney Court**

Kearney, Neb., Sept. 7.—(Special.)—V. J. Shuhler and Clarence Buettner, both of A. West, paid fines for fishing without a license and also using a minnow net of illegal size. They boosted the number of game violators arrested in the past five days to 10, everyone being found guilty and fined. The deputy game

wardens are now beginning to turn their attention to poachers, particularly those who have been shooting flocks of pheasants along the Loup river. Prairie chickens are also plentiful and tempting, while duck hunters are preparing for a big season.

**Five Kearney Boys Held On Charges of Larceny**

Kearney, Neb., Sept. 7.—(Special.)—With the arrest of Elmer and

William Grover and Gale, Raymond and Albert

12 to 16, the police believe they have checked the thefts, occurring with startling regularity, during the past two months. Two of the boys made a partial confession, but withdrew it when arraigned for preliminary hearing. Their thefts, it is alleged, had been sold to a second-hand dealer for 50 cents.

material. Much of the loot was recovered, including one bicycle which had been sold to a second-hand dealer for 50 cents.

## WAVE OF ENTHUSIASM SWEEPS OVER NATION

Thousands Write Grateful Letters of Appreciation As Famous Medicine Continues to Accomplish Remarkable Results—Great Tanlac Laboratories Running at Top Speed to Supply Record-Breaking Demand—Over Half a Million Bottles Behind With Orders.

By CHARLES MURRAY GILBERT

ATLANTA, GA., September 8.—"Tanlac made me feel younger." "It put me back on the payroll." "I now have a fine appetite." "I can eat whatever I want." "No more dyspepsia for me." "I gained weight rapidly." These and scores of like expressions are now heard daily from tens of thousands, as grateful users of Tanlac tell of their experiences.

Leading drug men of the country are amazed at the tremendous sales of Tanlac, and point out enthusiastically that nothing has ever equalled the phenomenal demand for this preparation.

At the great Tanlac laboratories at Dayton, O., letters and telegrams are pouring in daily asking that shipments of Tanlac be rushed at once. Many of these orders are for full carload shipments, and quite a few of them for two and three carloads. Although running at top speed, the Tanlac laboratories are now over half a million bottles, or approximately 24 carloads behind with orders. This announcement will no doubt be received with great surprise in the drug world, because business in many lines, especially in the drug and medicine business, has been off from 40 to 50 per cent.

**Agents in Every Town.**  
One druggist in every city, town and village in the United States and Canada where agencies have not already been established will be awarded the exclusive publicity agency for Tanlac within the next 30 days. These agencies will carry with them a big publicity campaign exclusively for the one druggist in each city and town who secures the agency.

Tanlac is going right ahead more vigorously than ever before. For Tanlac there is no such thing as business depression. In fact, Tanlac does not believe there is such a thing as hard times; at least, not in

the drug business. Things are getting better every day. In a few weeks' time crops will begin to move. Hundreds of millions of dollars will be put into circulation, and business will soon be back on a better and sounder basis than in years.

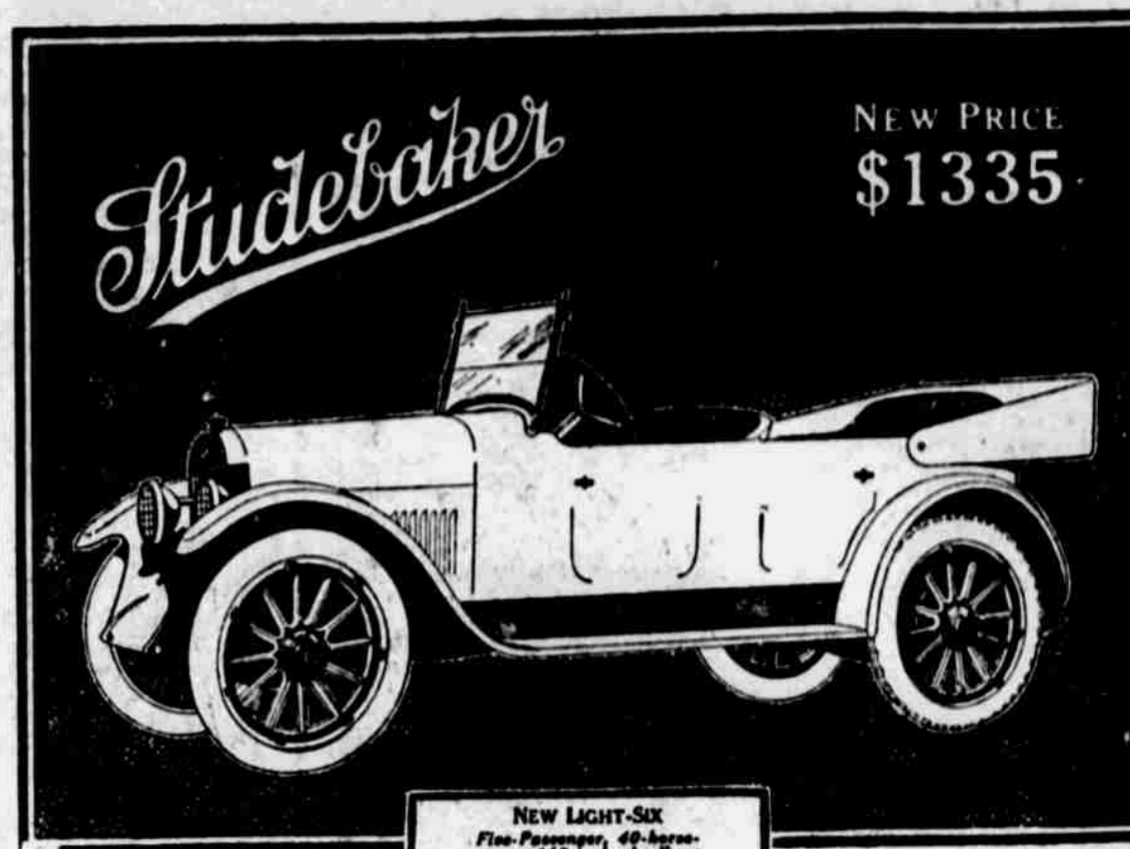

**Notice to Dealers.**  
Many wholesalers and manufacturers stopped pushing at the very first sign of a dark cloud. The result being that many drug lines slumped. Tanlac went right ahead and the result has been that more Tanlac has been sold during the first six months of the present year than in any corresponding period in the past.

Line up with Tanlac. Connect with a product that sells no matter how the times, because of its superior merit.

Although Tanlac has been on the market over six years, it is an actual fact that more Tanlac is being sold today with the same amount of advertising than during any time in the past.

Tanlac will not only prove your greatest seller for this year, but for many years to come.

Tanlac is sold in Omaha by the Sherman & McConnell Drug Co. and by leading druggists everywhere.
