George Brandeis' Entry Is Pushed Hard to Wire By Johnnie Quirk-Kilo Watts Winner.

By HARRY K. WHITTED. Two Omaha owned horses, Hal Mahone 2:011/2, owned by George Brandeis and Kilo Watts, owned by Tom Dennis and Bert Murphy, both driven by an Omaha man, Marvin Ben" Smith missed the train. And the Omaha people turned out surprisingly well, conidering the weather indications. I looked like a slim crowd when the first race was called shortly after 2 o'clock in the afternoon, but by the time the program was well under the stand was at least two thirds filled, with a liberal sprinkling on the paddock in front of the stand. Secretary Trimble said at least 5,000 people entered the turnstiles during

The 2:03 pace, the fastest class of the meeting, and the second race on the program for the day, was the main event. Four fast pacers showed ip for the word in the first heat, with Hal Mahone, the local wiggler, the favorite and Johnnie Quirk a close second. Three of the entries wore hopples, Russell Boy being the only iree-legged one in the bunch.

Russell Boy drew the pole the first heat. Starter F. E. Stone scored the field a couple of times and then sent them away with the pole horse back a length when they got the word. Johnnie Quirk was in second position, with Hal Mahone in third place and Kid Hal on the outside. Childs dropped into second place with Hal Mahone on the first turn and they were strung out at the half, with Hal Mahone still in second place. Marvin started his drive for first place as the field headed into the lower turn and had taken the contender by the time the seven-eighths pole was passed, Russell Boy made a strong bid for second money through the stretch, but Johnnie Quirk had the steam to stave off the rush and the son of Rustic Patenter had to be contended with third. Four Start in Third Race.

Four horses took the word in the third race on the program, the 2:09 trot, with Voltage, a nice going son of Peter Volo at the pole in the getaway. The field got away to a good start in the first heat, on about the third score, with Childs driving Kilo Watts, going to the front hefore the quarter was reached. At the half Childs was still in the lead, with Dorothy Dav in second place and Voltage trailing. Peter Kingston went to a had break just as the field headed into the first turn, and the rest of the bunch were out of his reach before Taylor could get him flattened out again. Childs had it all his own way with Kilo Watts, but Dorothy Dav made a hard try for first place through the stretch, and Voltage also showed plenty of steam, coming up on the outside and trying hard for second money Peter Kingston was distanced.

Childs again took Kilo Watts out in front in the second mile, with Dorothy Day a close second at the half. Thomas made a strong bid for first money again in the stretch coming down on the outside but the local mare had nlenty of steam and when handily. Voltage was again a contender for second money, coming through on the rail and it looked for a little ways as though he had it, but dropped back at the distance stand. ## Schlaifer Asks for Bout With Harvey Thorpe to Prove He's Not Afraid of Missouri Lad

ORRIE (KID) SCHLAIFER is riled up. Rumors have been going the rounds that the Jewish lad won't fight unless he can pick his opponent. So Morrie yesterday informed Jake Isaacson, who acts in a match-making capacity for the Cornhusker Athletic club, that he will fight any lightweight or welterweight that he will produce. And he specifically named Harvey Thorpe of Kansas City.

A lot of local fight bugs have the Chaplin Attends the tough Kansas City walloper, But he isn't, he says, and is willing to demonstrate it anytime, anywhere, Fans got the idea that Thorpe had the local flash buffaloed because

Schlaifer refused to fight him recently at Thorpe's poundage. Thorpe wanted to enter the ring at 140 and Schlaifer held him to 138. Tho:pe refused to make that weight and Schlaifer refused to fight him unless he did, consequently, the match never materialized. Dropping back into ring history, it is recorded Johnny Nichols, the

tough St. Paul lad, sent Schlaifer down for a count of four in a bout here recently and got the decision over him. In a later melee, Schlaifer was able to get a draw. History further records that Thorpe gave the St. Paul mitt pusher one thorough lacing, so some believe the Omaha boy wants to avoid a bout with Thorpe. But Mor-
