Young can't slug as well as either Bob Meusel of the Yanks or Elmer Smith of the Indians, but he is far better fielder than his Yankee rival.
Though bothered for quite a spell with a maimed ankle, which inter-Totals 28 6 27 15 fered with his natural speed, Young has sparkled in right field and on the bases for the Giants all season. The writer considers "Pep," the

leader of McGraw's outfielders. Though not a slugger like Meusel Young is banging away for a .333 batting average, his extra base bag up to Labor day, including 21 doubles, 15 triples and three home runs. His one weakness is against lefthanded pitchers.

A Poor Fielder.

Bob Meusel, Yankee outfielder, is an odd type of athlete. Bob seldom steers a middle course; he is either very good in one line or very poor in another. From a fielding stand-point, Meusel last year was one of the poorest fielding outfielders in either league. This season he has improved considerably in judging fly balls, but he still lacks considerable of being a finished outfield per-

With the exception of Babe Ruth, far as Bob Meusel. Thirty-eight doubles, 14 triples and 18 homers up to Labor Day attest to this fact. The Yankee Meusel also has the best throwing arm in the game, a whip which is an absolute wonder to behold. It isn't often that baserunners try any tricks with Bob's arm, but 28 assists are mute testimony of Bob's rifle peg.
