Pompeian Room-Main Floor-West

In Our New Restaurants It did our hearts good to see the crowds in our new restaurants, tenth floor, during the past eight days. The Associated Charities dinner and the luncheons on the two days following were great, made all the greater by the fact that the money was to help the unfortunate during the coming winter. The Rotarians—that splendid band of intrepid business men -crowded the Grill Room Wedesday and listened to a wonderful speech by Senator Hitchcock. That was, indeed, a big occasion. More and more organizations, as well as individuals, will select these beautiful restaurants as their meeting place and they will all be welcome.
