The Buying Power of Today—the Wearing Quality of Tomorrow

It is not the buying power of today alone, but the wearing quality of tomorrow which makes our October Feature Items, items of such tremendous value.

For they offer the new in fashion—the reliable in quality. They are here for your selection for as long as they last on the day and the hour of your choice. They are not sale items, but reasonable, desirable merchandise, which is to be found every day in our regular departments at prices so far below the present usual prices that they challenge competition.
