Orders Formally Issued by

Union Chiefs Call for

Suspension of Work at 6 O'Clock A. M.

Appeal Sent To Landis

Chicago, Oct. 15 .- A railway strike

Railway workers on 17 roads oper-

ating in various sections of the country will be called out October 22, it became known tonight. The

strike orders have been formally is-

sued by the brotherhood chiefs, and

will become effective at 6 o'clock of

If the plan already announced is

adhered to, other groups will be called out within a short time there-

Appeal to Landis.

Chicago, Oct. 15 .- (By the Asso-

ciated Press.)-A telegram to Judge

Landis from the Soo Lines asking

him to act as arbiter in the wage and

working conditions differences be-tween the road and its employes was

received at the judge's office today. Judge Landis is in New York.

New York, Oct. 15 .- Judge Landis

said tonight that he had sent a tele-gram to the Soo Line officials, ask-

ng them the nature of the wage and

working difficulties the railroad has

with its employes. His message was in response to one from the Soo Lines asking him to act as arbiter.

Judge Landis said he was not familiar with the dispute and that he

would not consent to act as arbiter

Washington, Oct. 15.—The three representatives of the public on the railroad labor board were summoned to the White House today by Presi-

dent Harding, presumably to discuss means of averting the threatened

strike of railway employes. Chairman Barton of the board and

Ben W. Hooper, another member of

a hurried trip here from Chicago at

the president's request. The third representative of the public, G. Wal-lace W. Hanger, already was here. After a brief conference with the

three public members of the labor board, President Harding left the White House with them, going in the direction of the building which houses the Interstate Commerce

thereby injured the city's credit.

Judge Fisher declared the portions of English common law and statutes which restricted the liberty of the press had not been inherited by this country. This action, he said, is not in harmony with the genius, spirit and objects of our institutions. The decision was of far-reaching importance to newspapers as the suit was the first on record in which a municipality sought to restrict the right to criticise its corporate acts.
