# **Epidemic of Over-Confidence Rages--Creighton Chieftains** Take Precautionary Measures

The fall epidemic of over-confidence is raging. Teams having tasted nothing but essence of victory this season are contracting the fatal malady and falling by the wayside.

Creighton university eleven is a fit subject for the malady, Coaches MacBaldrige and Freman Fitzgerald believe. And although they are not placing any asafetida around the stalwart warriors' necks, they are doing a lot of "crabbing," which is their antidote for the ego.

Four sweeping victories without a defeat is the Blue and White de-fenders' pace this scason, which, in the opinion of the coaches, is apt to make older veterans than those of Creighton become chesty.

Having put the team up to the halfway mark without a defeat, the mentors are eager to make the whole season a campaign of victories.

There are only two games of the five remaining-which loom up as They are the contests with the Oklahoma Aggies here November 12 and with the University of South Dakota here Thanksgiving day. The game with St. Xavier should result in a Creighton triumph. St. Louis university, which plays here a week from Saturday, is not a team to be feared, since the Kansas Aggies mastered it in an early season game. South Dakota Not Feared.

Neither does the game with South Dakota State throw fear into hearts of the mentors. Creighton booters easily disposed of South Dakota Wesleyans here in the opening game of the season, and the Wesleyans gave South Dakota State a terrific battle a week later.

But dope often goes awry. And the coaches are not overlooking a bet. They are drilling the team for each clash with the same care as though it is of national prominence, and, incidentally, are injecting some anticonfidence serum

# Legion Plans Athletic Show Here Next Month

What promises to be one of the best dishes of fistic food ever handed out at the City auditorium is scheduled for Tuesday night, November 15, when the Douglas County post of the American Legion stages its monthly athletic entertainment. Officials of the local organization

are planning to hold one of the best series of boxing bouts ever staged in this ol' burg. In the main event Ever Hammer, the clever little Chicago lightweight, and either Eddle Mahoney or Johnny Dundee will swing the mittens for the benefit of the customers.

Hammer has battled before local fans on two occasions and each time gave a good account of himself. Ever is working out daily in a Chicago gymnasium, preparing for a busy winter with the lightweight scrappers throughout this broad land. If the Legion post selects Mahoney to stack up against Hammer, the Chicago battler will meet one of the toughest of the younger crop of lightweights. Mahoney is the chap Jack Dempsey selected as the com-ing lightweight battler of the coun-

Besides the main tilt, the Legion is lining up a dandy program of pre-liminary events. Earl McArthur of Sioux City probably will be one of the contestants in the semi-windup. If the Legion is unable to find a suitable opponent for McArthur, a Schlaifer-Harvey Thorpe return bout probably will be staged as the second main event of the evening.

Pat McGill Wants **Bout With Stecher** 

Boy! Page Joe Stecher. "Pat" McGill, Wisner (Neb.) lightheatyweight wrestler, has come out of his summer shell. "Pat" has been working hard all summer on his farm and is ready to start his winter campaign among the grapplers of this fair land.

The Wisner athlete seems to be unnoticed by the big wrestlers in the game, possibly because they know he is the goods, and possibly because Cross-Country Run he is the goods, and positive of the trade. Anyway, "Pat" is ready to wrestle and wants to start his campaign with
