It is a good rule to follow each meal with a Stuart's Dyspepsia Tablet to avoid dyspeptic results due to eating and drinking. Should the stomach sour, with water-brash, biliousness, and the peculiar gassiness due to indigestion, these tablets bring relief because they supply the alkaline effect to the stomach and thus offset the acidity of such dyspeptic conditions.

It is well to know this and not deny yourself the pleasures of the good things to eat and drink through fear of indigestion. You will find Stuart's Dyspepsia Tablets on sale in all drug stores at 60 cents a box. salad for lunch. On top of this a soda
