Summoning Deputy Sheriff Hoye, Foster sped with him to the scene. They hunted for a long time, but found nothing.

Then they remembered that the night was Halloween. And, cussing softly, they motored homeward.

Waterloo Creamery and Corliss Sued by Bank Suit for \$2,967.82 against H. P. Ryner, Leroy Corliss and the Waterloo Creamery company was filed yesterday in district court by the Commercial State bank in Florence.

The bank filed suit in October, 1920, the creamery company assigned to it notes totalling \$5,473.82, but that it did not surrender the notes. Later, it is alleged, the notes were turned back to the makers and the bank was paid only \$2,330. The suit is to collect the balance alleged to be due.

Iowa Deputy Sheriffs Will Give Selves Up On Hijacking Charge

Des Moines, Ia., Nov. 1.—(Special Telegram.)—George Caseber and Harry Fahnestock, deputy sheriffs accused of highjacking Monie Montgomery, alleged liquor runner, of 18 cases of Sunnybrook whisky Thursday night under color of a search warrant, came out of hiding Monday long enough to inform the sheriff's office of a desire to surrender to the law.

Both men telephoned the sheriff they would be in municipal court during the day for arraignment.

New developments in the case, which involved H. B. White, attorney to Sheriff Robb, were the resignation of White and the appointment of M. F. Weeks, deputy sheriff, to the position of grand jury bailiff to take the place made vacant by the absence of Caseber. White denied that he had made a confession of any nature as to his part in the transaction, as stated in the press Saturday.

Y. W. C. A. Seeking To Raise \$37,000 For Work Here

Campaign Set for Nov. 14-25 "Y" Supplies Spiritual, Intellectual and Physical Needs, Slogan.

"Any girl in need of spiritual, intellectual or physical assistance may receive it by applying to the Y. W. C. A."

This is the proposition on which the Y. W. C. A. will ask the public for \$37,000 in its annual campaign for funds, November 14 to 24. Because of money "tightness" the association has given up buying new equipment this year and will ask for only enough to "make both ends meet."

The Y. W. C. A. depends on the community for only 15 per cent of its funds. It earns the other 85 per cent. If it were entirely self-supporting, its leaders point out, it would tend to defeat its own ends.

It is nonsectarian. More than 3,000 girls spent their vacations at Camp Brewster last summer. The cafeteria served 325,000 meals. Three travelers' aid workers at the railway stations have assisted 10,000 travelers.

From January 1 to November 1, 1,755 girls were cared for at central Y. W. C. A. building until they could find their friends. These are just a few of the association's activities for girls and women.

The campaign executive committee consists of Mrs. H. R. Bowen, finance executive chairman; Mrs. George F. Gilmore, general chairman; Mrs. M. D. Casseron, special agent; Mrs. Frank W. Judson, speakers and meetings; Mrs. Edward Johnson, lists; Miss Mable Hall and Miss Jessie Northrup, business women; Mrs. Henry F. Wyman, publicity; Mrs. W. F. Metcalfe, colored women's division.

"Finger" Accused Of Fogg Murder In Confession

Kansas City Prisoner Says He Accompanied Stevens to Drug Store After Leaving From Jail Here.

Signed confession in the Fogg murder is in the hands of County Attorney A. V. Shotwell.

The confession is signed by Frank Pierce, held in Kansas City for Omaha police. It accuses "Finger" Stevens, now held without bail by Omaha police, for investigation, of accompanying him to the drug store.

Robbery Planned, He Says. Pierce, who, records show, was in the county jail the night of the murder, says a deputy sheriff known as "Dago" Johnny let him out and that he accompanied "Finger" Stevens into the Fogg drug store with the idea of holding up the proprietor.

Investigation by Chief Deputy County Attorney Raymond T. Coffey disclosed that at no time has anyone known as "Dago" Johnny been employed in the jail or the sheriff's office.

Mike Clark, sheriff, says the records speak for themselves. They show that Pierce, or Price, as he was known here, was checked in at the county jail July 27, and checked out August 12. The murder was committed shortly before midnight, July 30.

County Attorney Shotwell declined yesterday to make the text of the confession public. He is still investigating certain phases of the affair.

The confession was obtained and turned over to the county attorney's office by Mrs. Mary Fogg, widow of the murdered man.

Shafers Would Quash Charges Motion Filed Declaring Indictments Not Informative Enough.

Motions to quash two indictments against Marion F. Shafer and Ward E. Shafer, one for aiding and abetting a felony and one for conspiracy to embezzle, were filed yesterday in district court.

The motions allege the indictments do not supply sufficient information concerning the alleged crimes to permit preparation of a proper defense.

The indictment charging the men with aiding and abetting a felony, the motion declares, fails to describe a certain certificate of deposit for \$20,000 which they are alleged to have helped embezzle, and fails to show that they had any knowledge of its ownership.

Motion to quash the second indictment sets forth that the instrument fails to charge the Shafer brothers specifically with conspiracy to commit a crime and fails to show that certain certificates of deposit involved, totaling about \$65,000, ever came into their possession.

Lads Disappear After Leaving Home for Church

Brothers Missing Since Sunday Morning—Parents Suspected Boys' Staying With Friends.

Gerald Hixon, 15 and his brother, Douglas, 13, started for Sunday school at Grace Methodist church last Sunday morning, and have not been seen by any of their friends since that time. Their home is at 3633 South Twenty-third street.

They are sons of T. J. Hixon, a street car conductor. Mr. and Mrs. Hixon can assign no reason for the boys' disappearance. The lads had never left home before and seemed happy.

The parents did not notify police until late last night. "When they did not come home Sunday night we thought they must have stayed with some boy friends," they said.

Yesterday friends of the boys in the church searched the country south and east of South Omaha, but found no trace of the boys.
