will then be forwarded to him.
Q. Is there any restriction on the distance a forward pass may be thrown?
A. There is not.
Q. Does a forward pass have to be thrown across the line of scrimmage?
A. It does not.
A. It does not.
A. It a quarterback standing one yard back of the snappor back receives the ball and delivers it to one of his backs and in so doing hands the ball forward, is the pasy legal?
A. It is an illegal forward pass because the passer was not five yards behind the life of scrimmage.
Q. How can you tell when a passer intentionally grounds a forward pass?
A. It is part of the referee. It should not be difficult to determine.
Q. What is the difference between a player completing a forward pass and having it ruled as incomplete because it fit to the sa fumble the ground? eliminated from the state champion-

ground? A. In order for it to be a fumble the player receiving the pass must not only have had possession of the ball, but also control of it. If he did not the pass in ruled as incomplete.
