Butter Makers to Meet in Chicago

Association Has for Purpose Increased Production of Products.

Chicago, Nov. 7 .- Butter makers will meet here tomorrow for the annual convention of the Americas Association of Creamery Butter Manufacturers. The association was organized in 1908 to increase production of dairy products and improve the quality of the manufactured products. Its members extene from the Atlantic to the Pacific, and they manufacture more than a third of the creamery butter produced in the Upited States.

Speakers include Senator Hitch-cock of Nebraska and Dr. B. W. Hammer of Iowa State College of Agriculture. Regarding activities of the asso-

iation, Secretary McKay said: "During the past year a thorough investigation of the losses of fat in buttermilk-their causes and prevention-has been made.

"The association has lent its strongest support to fair standards and for dairy products and to pro-gressive legislation and rulings. "The association has a modern, up-to-date laboratory, where samples of buttermilk, water, condensed milk,

Agreement on Budget Victory for Governor Lincoln Reports Say

Lincoln, Nov. 7 .- (Special.) - Apparently authentic reports circulated today on the contents of the agreement between Governor McKelvie and the university regents seem to spell a victory for the governor. Under the reported agreement the regents admit the governor has the authority they questioned to act in an administrative manner in handling the quarterly estimates of the university. The regents claimed at the start that the governor had no right to act other than in a clerical way when the estimates were presented him.

Furthermore, the regents admit that Governor McKelvie has a right to withhold 10 per cent each quar-ter as a reserve fund. If at the end of the quarter the regents can show that they really need the money, which has been withheld, they have a right to use it under the reported agreement.

A stipulation of the agreement will be filed in the supreme court to-

morrow.

Delay in Mails May Cost

Fremont Officials \$3,400 Fremont, Neb., Nov. 7 .- (Special.) -A delay in the mails may cost County Judge Waldo Wintersteen and Clerk of the District Court P. T. Mitterling \$3,400. Last August they mailed a check for that amount to the heir of an estate in Los Angeles. The envelope was marked for a five-day return. For some reason the letter and check for \$3,400 laid in the Los Angeles postoffice for 62 days. The check finally was returned to the senders in Fremont, reaching here on October 28. They immediately mailed another check for the same amount on that day. Before the check had time to arrive at its destination this time the First National bank, upon which the money

order was drawn, closed its doors, Two Sets of Triplets Born

In Fremont Last Week Fremont, Neb., Nov. 7.—(Special.) -Although there were only four sets of triplets born in the entire state of Nebraska last year, two such events graced Fremont's record for last week. The first set was born to Mr. and Mrs. Alfred Porter. Despite the fact that the three were physically perfect in every way, the first two died shortly after birth and the third died the next day. The mother is recovering rapidly. The second set of triplets of the week were born to Mr. and Mrs. Frank Carsh. As in the first case, all were boys. Two of these died four hours after birth. The third infant survives and will live, according to the physicians. Mrs. Carsh is recuperating.

Fremont Hardware Company Buys Business Property

Fremont, Neb., Nov. 7 .- (Special.) -The Courtright Hardware company has completed the purchase of the H. Gus Gumpert property in this city, which is considered the biggest real estate deal in Fremont in many years. The consideration is withheld but the adjoining building sold dur-ing the war for \$55,000. The hardware company will enter its new home next May.
