

Theaters to Give Special Programs For Music Week

Concert Thanksgiving Morning at Strand by Omaha Musicians' Orchestra Is Feature.

Music week opened in Omaha yesterday with special musical programs in theaters and moving picture houses and a musical public affairs luncheon at the Chamber of Commerce.

The feature event of the week will be a concert Thanksgiving morning at 11, in the Strand theater by 60 members of the Omaha Musicians' union, directed by Ernest Nordj, under auspices of the City Concert club. This will be free. R. B. Howell will make a short address; Myrtle Frances Wyatt, soprano, will sing; and little Rose Dubnoff, violinist, will play.

The Concord club quartet, consisting of Dean Smith, Hugh Wallace, George Campbell and Ed Williams will sing at various hospitals of the city during the week.

Musical events today include a community sing at the grain exchange by the Girls' Community Service league and special programs by various clubs.

Governor McKelvie To Speak at Dinner

Chief Executive to Be Presented Membership Card By Hi-Y Clubs.

Three hundred boys of the Hi-Y clubs of Central, South and Commerce High schools will be present at the Hi-Y clubs' dinner in the Y. M. C. A. tonight.

At the speakers' table with Governor McKelvie will be seated 11 Omaha high school seniors, the officers of the three Hi-Y clubs. They are George Johnston, D. L. Dimond, Clark Beymer, Orlando Smith, Conrad Holmberg, Charles Seymour, Lawrence Duckworth, Bowman Hutchinson, Glen Luax, Herbert Olson and Charles Kandel.

George Johnston, lieutenant colonel of the Central cadet regiment, and president of the Central Hi-Y club, will preside. He will present the governor with a membership card in the clubs, which was voted him at the regular meeting last Friday night.

The Y. M. C. A. quartet will sing and the Pinkerton orchestra of Central High school will play during the dinner. Younger high school boys and older grade boys will serve the dinner to their older boy banqueters.

Officers May Slap Unruly Prisoners City Council Holds

City council held yesterday that a policeman may slap an unruly prisoner, following a hearing on charges filed by Edward B. Harrison of Calhoun, Neb., against Policeman Charles J. Payne. Harrison alleged unwarranted use of physical force. The council dismissed the charges, after an extended hearing.

"I'm glad to know that we have an officer on the force who will use his open hand rather than a club when he is attacked," said Commissioner Hopkins, as he moved that the charges be dismissed.

Immediately after the hearing court officers arrested Harrison and jailed him on a capias issued by Police Judge Wapich, October 30, when Harrison forfeited a \$100 bond, posted the night before when arrested on the drunkenness and disturbance charges.

Army Supply Depot To Be Maintained Here

Omaha will not lose the army supply depot, it was announced in a telegram received yesterday by J. David Larson, commissioner of the Chamber of Commerce, from Washington.

"The Omaha depot is on the map and it's going to stay there. We are reducing forces by rearranging personnel in all depots due to curtailed forces and reduced appropriations, but we will not hurt the Omaha depot any more than others in comparison to size and territory," read the telegram quoting Acting Quartermaster General Krauthoff.

When the Chamber of Commerce learned last week that Omaha was in danger of losing the depot the federal relations committee, headed by Randall K. Brown, kept the wires hot to Washington protesting against the move.

Father and Son Week to Be Observed January 22-29

The next father and son week in Omaha will be next January 22 to 29, under an agreement reached yesterday when J. H. Beveridge obtained endorsement of the plan by the Ministerial union.

At the last father and son week, 6,311 fathers and sons took part in banquets and special meetings in 34 churches. Twice that number will participate in the next week, it is expected.

Bricton to Be Asked To Account for \$87,725

Federal Judge Woodrough granted Ralph West, receiver for the Bricton Fire Manufacturing company, permission yesterday to bring action against O. A. Bricton, president, forcing him to account for \$87,725.84, alleged to have been taken from the company funds in the last four years. The receiver will start action to recover \$20,770 in dividends paid Bricton; \$5,600 in salary paid to Mrs. Bricton; to have an accounting of \$4,927 paid to Bricton for traveling expenses, and \$4,168 in rental for his property at Brookings, S. D.

Music lessons, presumably for the two Bricton daughters; grocery bills and insurance totaling \$1,003.10 were paid out of the company funds, it is alleged.

Butler and Dunn Clash in Council

Fight Precipitated on Proposal for Abolishment of Office of Police Inspector.

City Commissioner Butler announced yesterday he would offer to the city council this morning an ordinance which proposes the abolishment of the office of inspector of police. He will propose that Andrew Pattullo, present inspector, be made a captain, he said. Butler and Police Commissioner Dunn clashed openly for the first time at council meeting yesterday. "I see that Commissioner Butler is running true to form," remarked Commissioner Dunn.

"If some others would run true to form it would be better for the city," retorted Commissioner Butler. Mayor Dahlman defends Dunn's police administration.

Take Yeast Vitamon Tablets To Round Out Face and Figure With Firm Flesh

If you are hollow-cheeked, sallow-skinned, sunken-chested and generally weak or run-down and want to round out your face and figure to pleasing and normal proportions you will find this simple test well worth trying: First weigh yourself and measure yourself. Next take Mastin's VITAMON—two tablets with every meal. Then weigh and measure yourself again each week and continue taking VITAMON regularly until you are satisfied with your gain in weight and energy. Mastin's VITAMON tablets contain highly concentrated yeast-vitamins as well as the two other still more important vitamins (Fat Soluble A and Water Soluble C) and are made by using yeast by chemical means. They positively will not upset the stomach or cause gas, but on the contrary are a great aid to digestion, to overcome constipation and as a general conditioner of the whole system. Pimples, boils and skin eruptions seem to vanish like magic under its purifying influence. The complexion becomes fresh and beautiful, the cheeks rosy instead of pale, the lips red instead of colorless, the eyes bright instead of dull. So rapid and amazing are the results that success is absolutely guaranteed or the trial costs you nothing. Be sure to remember the name Mastin's VITAMON—the original and genuine yeast-vitamon tablet—there is nothing else like it so do not accept imitations or substitutes. You can get Mastin's VITAMON at any drugstore.
