curately said that industry and busi-ness have completely iurned the corner. The other two fundamental industries we transportation, chiefly represented by the realroads, and coal Many are the industry is now on the road to satisfastory sublications that the transportation in-dustry is now on the road to satisfastory sublications that the transportation in-dustry is now on the road to satisfastory sublications that the induced to satisfastory sublications that the transportation in-dustry is now on the road to satisfastory sublications that the induced is satisfastory sublications that the induced is the year of wages, and while it is noticeable that the almost unanimous opposition to re-duction of railroad wares has been con-siderably modified, nevertheless, some of the workers are not willing to accept reduction but in fact are asking for more. But it seems to be the option among railway managers and also some of the babor organizations that gradually a sat-infact of general industry and business will be excured, and should this be done the ef-fect of general industry and business will be are appoars to be fille hope that ro-adjustment in and stabilization of the road mining industry are in sight. In fact, some of the unions which are op-spinning in the antimactin fields are be-ginning in the antimactin fields are be-ginning to dening an intermet in pay. The eccretary of agriculture, Mr. Wallace, how with encouragement upon the fil-tersy ventures the option that the farmers have experienced the worst and may hereafter look for better conditions. They certainly will find their situation improved as soon as the three fundamen-tand mining are stabilized. **Eurn of Confidence.** FOR SALE or exchange for an Omaha five or six-room bungalow, store build-ing and fixtures, corner location, in good small Jowa town near Omaha, Price 53,000, Addreas Box Y-1745, Oma-ha Bee.
