Strikers Beaten in Move to Quash Restraining Order

udge Wade Denies Motions of Unions to Set Aside Ruling Made Last Week in Favor of Packers.

Federal Judge Wade denied a mo-on yesterday to dissolve the re-tin board stational control on the board. gainst the packing house strikers. The restraining order was granted on petition of the Cudahy, Armour, Switt and Dold companies against the Amalgamated Meat Cutters and Butcher Workmen of North America, District council No. 5, and against nine local subsidiary unions, their officers and members.

Explains the December of Stings Recurrence of the board for two years, having succeeded a director who dropped out.

Explains the Denial.

Judge Wade in denying the motion made by Anson H. Bigelow, attorney for the unions, said:

"The restraining order was not intended for the benefit of the packing companies alone but for em-

ployers, employes, strikers them-selves, and the public."

As to Bigelow's argument that no notice of injunctive process was cerved on the strikers by the packers, the judge said that no specific words or forms are required in prescriting such a controversy. He expressed the belief that the strikers, whether the whether they agree with his opinion violation of the order. Petition Modified.

A new order will be entered upon deral court records today to re-Dackers a week ago.

Immediately after Judge Wade announced his decision yesterday, denying the motion to dissolve the temporary restraining order. temporary restraining order, the judge and counsel for both sides

be filed today. Negro Churches Plan

Red Blood

Revitalize your worn-out exbausted nerves and increase your strength and endurance your strength and endurance take Organic Iron: not metallic iron which people usually take, but pure organic iron —Nuxated Iron—which is like the iron in your blood and like the iron in spinach, lentils and apples. One dose of Nuxated Iron is estimated to be approximately equivalent (in organic iron content) to eating one-half quart of spinach, one quart of green vegetables or half a dozen apples. It is like taking extract of beef instead of eating pounds of meat. Nuxated Iron is partially predigested and ready for almost immediate absorbtion and assimilation by the blood, while metallic iron is iron just as it comes from the action of strong acids on small pieces of iron fillings.

Over 4,000,000 people annually are using Nuxated Iron. It will not injure the teeth nor disturb the stomach. A few doses will often commence to enrich your blood. Your money will be refunded by the manufacturers if you do not obtain satisfactory results.
